B. PRESENT SITUATION:

The Committee on Governmental Operations was asked to review a number of sections of the Florida Statutes to determine if those sections have become obsolete, have had their effect, have served their purpose, or have been impliedly repealed or superseded. The committee identified a number of such sections and referred that information to the House Committee on Rules and Calendar, which resulted in the drafting and passage of Proposed Committee Bill RC 00-31 by that committee.

That Proposed Committee Bill is now before the Committee on Governmental Operations as House Bill 4061. See "Section-by-Section Analysis" for present situation on each of the sections of the bill.

C. EFFECT OF PROPOSED CHANGES:

See "Section-by-Section Analysis".

D. SECTION-BY-SECTION ANALYSIS:

Section 1: Repeals s. 163.055, F.S., relating to Local Government Financial Technical Assistance Program.

Computer problems related to the Y2K "bug" have been virtually nonexistent, and the need for significant asset transfers in excess of those already provided for, appear to be unnecessary. This statutory section self-repeals effective July 1, 2000.

Section 2: Repeals subsection (2) of s. 210.10, F.S., relating to general powers of the Division of Alcoholic Beverages and Tobacco.

This subsection is obsolete inasmuch as the Public Records Mediation Report was due January 1, 1997.

Section 3: Amends s. 265.001, F.S., relating to the Florida Women's Hall of Fame.

This agreement was originally codified in order to ensure participating states would pay annual dues.

While the Executive Office of the Governor, and each body of the Legislature indicates an interest in maintaining some kind of contact with this association of states, none has designated a representative for years, nor finds this section of value to Florida. This section has served its purpose.

Section 4: Repeals s. 272.161, F.S., relating to the Auditor conducting an audit on state employee parking in non-state-owned parking lots and making recommendation to the Legislature before the 1986 session.

This language is redundant, appearing in s. 112.0805, F.S.

Section 5: Repeals s. 287.064, F.S., relating to the Department of Law Enforcement being authorized, upon approval of the Comptroller, to finance through the Comptroller's consolidated master equipment financing program the purchase of equipment, software, application development services, support services, project management services, and system integration services for the Florida Crime Information Center.

This amendment removes a reference to s. 110.1235, F.S., which is repealed by Section 4 of this bill.

Section 6: Repeals s. 287.084, F.S. relating to the Galdes School District being authorized to give consideration to Florida vendors in the issuance of a request for proposal for a pilot program for telemedicine within the district.

Section 7: Provides an effective date of upon becoming a law.
