The University of Florida, the University of South Florida, the University of Miami, and the Mayo Clinic, Jacksonville shall jointly form the collaborative consortium, each working with community resources such as regional blood banks, hospitals, and other health care providers to develop local and regional coalitions for the purposes set forth in this act. 16 the denomination considers to be an essential part of its
17 beliefs.

18 (4) Any health care facility or health care provider
19 receiving financial remuneration for the collection of
20 umbilical cord blood shall provide written disclosure of this
21 information to any woman postpartum or parent of a newborn
22 from whom the umbilical cord blood is collected prior to the
23 harvesting of the umbilical cord blood.

24 (5) A woman admitted to a hospital or birthing
25 facility for obstetrical services may be offered the
26 opportunity to donate umbilical cord blood to the Public Cord
27 Blood Tissue Bank. A woman may not be required to make such a
28 donation.
