Amendment No. ____

1 proposal shall request that the conference prepare and forward
2 to the Governor and the Legislature a study that provides, for
3 each measure, a cost-benefit analysis that assesses the social
4 and financial impact and the medical efficacy according to
5 prevailing medical standards of the proposed mandate. The
6 conference has 12 months after the committee makes its request
7 in which to complete and submit the conference's report. The
8 standing committee may not consider such a proposed
9 legislative measure until 12 months after it has requested the
10 report and has received the conference's report on the
11 measure.
