B. PRESENT SITUATION:

The 1997 Legislature created chapter 191, Florida Statutes, to provide for codification of fire control districts charters either by December 1, 2001, or when any act relating to such district is introduced to the Legislature, whichever occurs first. In addition, section 189.429, Florida Statutes, was created by the 1997 Legislature. That section requires that no changes be made to a special districts charter as it exists on October 1, 1997, in the codifying legislation and that all prior Legislative acts relating to the district be repealed.

The 1998 Legislature further amended section 191.015, Florida Statutes, by (1) extending the deadline to codify to December 1, 2004, (2) allowing for the adoption of the codification schedule provided for in an October 3, 1997 memorandum issued by the Chair of the Committee on Community Affairs, and (3) removing the requirement that a codified charter must be submitted prior to the introduction of any act relating to the charter or prior to the scheduled deadline. In addition, section 189.429, Florida Statutes, was amended by removing the prohibition of substantive amendments in a districts codification bill.

STATUS STATEMENT LANGUAGE

Also, section 189.404(5), Florida Statutes, provides that after October 1, 1997, the charter of any newly created special district shall contain and, as practical, the charter of a preexisting special district shall be amended to contain, a reference to the status of the special district as dependent or independent. When necessary, the status statement shall be amended to conform with the departments determination or declaratory statement regarding the status of the district.

C. EFFECT OF PROPOSED CHANGES:

The bill codifies all prior special acts relating to the North Fort Myers Fire Control and Rescue District in Lee County into a single act and repeals all prior special acts relating to the District's charter. Chapter 67-1631, Laws of Florida, which affected the District, was repealed by chapter 69-1244, Laws of Florida; chapter 69-1244, Laws of Florida, which also affected the District was repealed by chapter 72-601, Laws of Florida.

The bill removes obsolete language which was preempted by applicable general law chapters and inserts applicable chapter language.
