House Resolution

A resolution recognizing November 11-12, 2000,  
as Veterans' Weekend in Lake City.

WHEREAS, Veterans' Day, a day of great significance in the United States, has been set aside as a national holiday during which tribute is paid to the memory of the men and women who gave themselves to the service of the nation, and to honor those remaining veterans among us who served so admirably in defense of all that we as a free people hold dear, and

WHEREAS, November 11, 2000, marks the 82nd anniversary of the Armistice of World War I, which signaled an end to a devastating international war that claimed the lives of many American service members, and

WHEREAS, since that historic day, men and women have been called upon again and again to defend the ideals upon which this republic was built and, as a result, the United States continues to flourish as a free nation, enjoying the blessings of peace and liberty bought by past generations, treasured and protected by the present generation, and to be maintained and preserved for the generations that will follow, and

WHEREAS, the citizens of Lake City have designated Veterans' Day 2000 as Veterans' Weekend, a special time of celebration planned for November 11 and 12, which will feature the performance of the United States Air Force Thunderbird Jet Demonstration Team at the city's North Florida Charity Air Show, NOW, THEREFORE,
