Florida Senate - 2000

By Senator Webster

1A bill to be entitled2An act relating to children; providing for3early-intervention for certain children who are4born visually impaired or blind; requiring a5report; providing an appropriation; providing6an effective date.78Be It Enacted by the Legislature of the State of Florida:910Section 1. The Legislature finds that all newborns11must have a healthy start in life, including babies who are12born visually impaired or blind. Early-intervention services13at the youngest age greatly improve a child's chances for14success in life and reduce the severity of long-term15disabilities resulting from babies not developing normally. It16is critical to teach parents and caregivers of newborns who17are normally dependent on vision.18Hem so they do not miss critical developmental stages that19are normally dependent on vision.12Labor and Employment Security to provide community-based13early-intervention education to parents and caregivers of14yisually impaired or blind babies, from birth through 5 years15of age, through community-based provider organizations.16(2) The program is not an entitlement and must be made17available on a means basis only. The division shall develop a18formula for eligibility based on financial means and may19create a means-based matrix to set a co-payment fee for		12-309A-00
 a early-intervention for certain children who are born visually impaired or blind; requiring a report; providing an appropriation; providing an effective date. Be It Enacted by the Legislature of the State of Florida: Section 1. <u>The Legislature finds that all newborns</u> must have a healthy start in life, including babies who are born visually impaired or blind. Early-intervention services at the youngest age greatly improve a child's chances for success in life and reduce the severity of long-term disabilities resulting from babies not developing normally. It is critical to teach parents and caregivers of newborns who are normally dependent on vision. Section 2. (1) The Blind Babies Program is created within the Division of Blind Services of the Department of Labor and Employment Security to provide community-based early-intervention education to parents and caregivers of visually impaired or blind babies, from birth through 5 years of age, through community-based provider organizations. (2) The program is not an entitlement and must be made available on a means basis only. The division shall develop a formula for eligibility based on financial means and may greate a means-based matrix to set a co-payment fee for 	1	A bill to be entitled

1	Section 3. The Office of Program, Policy Analysis, and
2	Government Accountability shall conduct a review of, and
3	prepare a report concerning the Blind Babies Program. The
4	report must be submitted by January 1, 2002, to the Governor,
5	the President of the Senate, and the Speaker of the House of
б	Representatives. The review must be comprehensive but, at a
7	minimum, must specifically determine:
8	(1) The program's progress towards achieving its
9	established outcomes.
10	(2) The circumstances contributing to the program's
11	capacity to achieve, not achieve, or exceed its established
12	outcomes.
13	(3) Whether it will be sound public policy to continue
14	funding the program and the consequences of discontinuing the
15	program.
16	Section 4. The sum of \$1 million is annually
17	appropriated from the General Revenue Fund to the Division of
18	Blind Services of the Department of Labor and Employment
19	Security to fund the Blind Babies Program.
20	Section 5. This act shall take effect July 1, 2000.
