## Bill No. <u>CS for SB 946</u>

Amendment No. \_\_\_\_

| CHAMBER ACTION |  |                              |
|----------------|--|------------------------------|
| ı              | Senate<br>I                                    | <u>House</u>                 |
| 1              |  |                              |
|                |  |                              |
| 2              |  |                              |
| 3              |  |                              |
| 4              |  |                              |
| 5              |  |                              |
| 6              |  |                              |
| 7<br>8         |  |                              |
| 9              |  |                              |
| 10             |  |                              |
| 11             | Senator Sebesta moved the following amendment: |                              |
| 12             |  | ,                            |
| 13             |  |                              |
| 14             |  | the words "and with improper |
| 15             |  |                              |
| 16             |  |                              |
| 17             |  |                              |
| 18             |  |                              |
| 19             |  |                              |
| 20             |  |                              |
| 21             |  |                              |
| 22             |  |                              |
| 23             |  |                              |
| 24             |  |                              |
| 25             |  |                              |
| 26             |  |                              |
| 27             |  |                              |
| 28             |  |                              |
| 29             |  |                              |
| 30             |  |                              |
| 31             |  |                              |
