B. PRESENT SITUATION:

The Palm Beach County Library District was originally created in 1967, pursuant to Chapter 67-1869, L.O.F. The language creating this special district was revised in 1976 and 1986, pursuant to Chapters 76-460 and 86-431, L.O.F., respectively.

The 1997 Legislature amended Chapter 189, Florida Statutes, to provide for codification of all special districts' charters either by December 1, 2001, or when any act relating to such district is introduced to the Legislature, whichever occurs first. In addition, section 189.429, Florida Statutes, requires that no changes be made to a district's charter as it exists on October 1, 1997, in the codifying legislation and that all prior Legislative acts relating to the district be repealed.

The 1998 Legislature further amended section 189.429, Florida Statutes, by (1) extending the deadline to codify to December 1, 2004; (2) allowing for the adoption of the codification schedule provided for in an October 3, 1997, memorandum issued by the Chair of the Committee on Community Affairs; (3) removing the prohibition of substantive amendments in a district's codification bill; and (4) removing the requirement that a codified charter must be submitted prior to the introduction of any act relating to the charter or prior to the scheduled deadline.

C. EFFECT OF PROPOSED CHANGES:

The bill codifies Chapters 67-1869, 76-460, and 86-431, L.O.F., relating to the Palm Beach County Library District (District) into a single act.

The bill is primarily a restatement of existing charter language.

The bill changes the name of the District from the Palm Beach County Free Public Library Special Taxing District to the Palm Beach County Library District.

The bill provides additional definitions for "district" and the "Palm Beach County Library System."

The bill provides that the county commission shall appoint to the library advisory board not more than fifteen (15) citizens of the District rather than requiring fifteen citizens to be appointed.

The bill provides that title and ownership of all land, buildings, facilities, equipment, and library materials is to be located in the county rather than the District.

The bill describes how library capital improvements may be funded, including authority to issue bonds.
