Representative(s) Russell offered the following:

**Amendment**

On page 142, line 25, after the period,

insert: Public service messages and advertisements shall be subject to bilateral agreements, where applicable, to be negotiated with the owner of the street light poles which shall consider, among other things, power source rates, design, safety, operational and maintenance concerns and other matters of public importance. For the purposes of this section, "street light poles" does not include electric transmission or distribution poles.
