Representative(s) Russell offered the following:

**Amendment to Senate Amendment (334172)**

On page 194, line 6 through page 196, line 25  
remove from the amendment: all of said lines

and insert in lieu thereof:

Section 120. The sum of \$650,000 is appropriated to the Florida Commercial Space Financing Corporation from nonrecurring General Revenue for fiscal year 2001-2002, and the sum of \$650,000 is appropriated to the Spaceport Florida Authority from nonrecurring General Revenue for fiscal year 2001-2002. The funds distributed to the Florida Commercial Space Financing Corporation pursuant to this section shall be used solely for funding aerospace infrastructure as defined in this section. These funds distributed to the Spaceport Florida Authority shall be used solely for aerospace infrastructure funding purposes based on recommendations made to the authority by the director of the Office of Tourism, Trade, and Economic Development. Proposals for aerospace infrastructure funding through the authority shall be submitted to the Space

Bill No. CS/CS/HB 1053, 2nd Eng.

Amendment No. \_\_\_\_ (for drafter's use only)

1 Industry Committee created pursuant to s. 331.367, Florida  
2 Statutes, or any successor organization, and the committee  
3 shall, at least once each quarter, submit a written report to  
4 the director of the Office of Tourism, Trade, and Economic  
5 Development delineating the committee's recommendation for  
6 prioritizing those proposals that it has reviewed. The  
7 director of the Office of Tourism, Trade, and Economic  
8 Development shall take into consideration the prioritization  
9 reports of the Space Industry Committee. For purposes of this  
10 section, "aerospace infrastructure" means land, buildings and  
11 other improvements, fixtures, machinery, equipment,  
12 instruments, and software that will improve the state's  
13 capability to support, expand, or attract the launch,  
14 construction, processing, refurbishment, or manufacturing of  
15 rockets, missiles, capsules, spacecraft, satellites, satellite  
16 control facilities, ground support equipment and related  
17 tangible personal property, launch vehicles, modules, space  
18 stations or components destined for space station operation,  
19 and space flight research and development facilities,  
20 instruments, and equipment, together with any engineering,  
21 permitting, and other expenses directly related to such land,  
22 buildings, improvements, fixtures, machinery, equipment,  
23 instruments, or software. The funds distributed to the Florida  
24 Commercial Space Financing Corporation shall be used solely  
25 for funding aerospace infrastructure as defined in this  
26 section. The funds distributed to the Spaceport Florida  
27 Authority pursuant to this section shall be used solely for  
28 aerospace infrastructure funding purposes based on  
29 recommendations made to the authority by the director of the  
30 Office of Tourism, Trade, and Economic Development. Proposals  
31 for aerospace infrastructure funding through the authority

Bill No. CS/CS/HB 1053, 2nd Eng.

Amendment No. \_\_\_\_ (for drafter's use only)

1 shall be submitted to the Space Industry Committee created  
2 pursuant to s. 331.367, Florida Statutes, or any successor  
3 organization, and the committee shall, at least once each  
4 quarter, submit a written report to the director of the Office  
5 of Tourism, Trade, and Economic Development delineating the  
6 committee's recommendation for prioritizing those proposals  
7 that it has reviewed. The director of the Office of Tourism,  
8 Trade, and Economic Development shall take into consideration  
9 the prioritization reports of the Space Industry Committee.  
10 For purposes of this section, "aerospace infrastructure" means  
11 land, buildings and other improvements, fixtures, machinery,  
12 equipment, instruments, and software that will improve the  
13 state's capability to support, expand, or attract the launch,  
14 construction, processing, refurbishment, or manufacturing of  
15 rockets, missiles, capsules, spacecraft, satellites, satellite  
16 control facilities, ground support equipment and related  
17 tangible personal property, launch vehicles, modules, space  
18 stations or components destined for space station operation,  
19 and space flight research and development facilities,  
20 instruments, and equipment, together with any engineering,  
21 permitting, and other expenses directly related to such land,  
22 buildings, improvements, fixtures, machinery, equipment,  
23 instruments, or software.
