ORIGINAL STAMP BELOW

Representative(s) Sorensen offered the following:

Amendment to Substitute Amendment (832651)

On page 2, line 8 through page 3, line 13,
remove from the substitute amendment: all of said lines

and insert in lieu thereof:

However, disposal systems serving as backups to reuse systems shall comply with the other provisions of this act.

(d) In areas that are scheduled to be served by a central sewage facility before July 1, 2010, interim construction standards for new, expanded or existing onsite sewage treatment and disposal systems shall be allowed.

1. Interim system requirements shall be allowed through July 1, 2004, for onsite sewage treatment and disposal systems under the jurisdiction of the Department of Health, as defined in 381.0065, Florida Statutes, in areas that are scheduled to be served, according to an adopted local comprehensive plan determined to be in compliance by the Department of Community Affairs, by a central sewage facility before July 1, 2010. The interim system requirements shall be

Amendment No. ____ (for drafter's use only)

1 those interim standards for the Florida Keys contained in
2 Department of Health rules effective on March 3, 1998.
