Amendment to Amendment (341895)

On page 40, line 25, after the period

insert: A nursing facility that has failed to comply with state minimum staffing requirements for two consecutive days shall be prohibited from accepting new admissions until such time as the facility has achieved the minimum staffing requirements for a period of 6 consecutive days. For purposes of this subparagraph, any person who was a resident of the facility and was absent from the facility for the purpose of receiving medical care at a separate location or was on a leave of absence shall not be considered a new admission.
