19 lead the study and shall submit the findings and  
20 recommendations of the study to the Governor, the President of  
21 the Senate, and Speaker of the House of Representatives by  
22 January 1, 2002.

23           Section 4. Effective May 15, 2001, and applying to  
24 causes of action accruing on or after that date, section  
25 400.023, Florida Statutes, is amended to read:

26           400.023 Civil enforcement.--

27           (1) Any resident whose rights as specified in this  
28 part are violated ~~deprived or infringed upon~~ shall have a  
29 cause of action ~~against any licensee responsible for the~~  
30 ~~violation~~. The action may be brought by the resident or his or  
31 her guardian, by a person or organization acting on behalf of

1 a resident with the consent of the resident or his or her  
2 guardian, or by the personal representative of the estate of a  
3 deceased resident regardless of the cause of death. If the  
4 action alleges a claim for the resident's rights or for  
5 negligence that caused the death of the resident, the claimant  
6 shall be required to elect either survival damages pursuant to  
7 s. 46.021 or wrongful death damages pursuant to s. 768.21 ~~when~~  
8 ~~the cause of death resulted from the deprivation or~~  
9 ~~infringement of the decedent's rights.~~ If the action alleges a  
10 claim for the resident's rights or for negligence that did not  
11 cause the death of the resident, the personal representative  
12 of the estate may recover damages for the negligence that  
13 caused injury to the resident.The action may be brought in  
14 any court of competent jurisdiction to enforce such rights and  
15 to recover actual and punitive damages for any violation of  
16 ~~deprivation or infringement on the rights of a resident or for~~  
17 negligence. Any resident who prevails in seeking injunctive  
18 relief or a claim for an administrative remedy is entitled to  
19 recover the costs of the action, and a reasonable attorney's  
20 fee assessed against the defendant not to exceed \$25,000. Fees  
21 shall be awarded solely for the injunctive or administrative  
22 relief and not for any claim or action for damages whether  
23 such claim or action is brought together with a request for an  
24 injunction or administrative relief or as a separate action,  
25 except as provided under s. 768.79 or the Florida Rules of  
26 Civil Procedure. Sections 400.023-400.0238 provide the  
27 exclusive remedy for a cause of action for recovery of damages  
28 for the personal injury or death of a nursing home resident  
29 arising out of negligence or a violation of rights specified  
30 in s. 400.022. This section does not preclude theories of  
31 recovery not arising out of negligence or s. 400.022 which are

1 available to a resident or to the agency. The provisions of  
2 chapter 766 do not apply to any cause of action brought under  
3 ss. 400.023-400.0238.~~Any plaintiff who prevails in any such~~  
4 ~~action may be entitled to recover reasonable attorney's fees,~~  
5 ~~costs of the action, and damages, unless the court finds that~~  
6 ~~the plaintiff has acted in bad faith, with malicious purpose,~~  
7 ~~and that there was a complete absence of a justiciable issue~~  
8 ~~of either law or fact. A prevailing defendant may be entitled~~  
9 ~~to recover reasonable attorney's fees pursuant to s. 57.105.~~  
10 ~~The remedies provided in this section are in addition to and~~  
11 ~~cumulative with other legal and administrative remedies~~  
12 ~~available to a resident and to the agency.~~

13 (2) In any claim brought pursuant to this part  
14 alleging a violation of resident's rights or negligence  
15 causing injury to or the death of a resident, the claimant  
16 shall have the burden of proving, by a preponderance of the  
17 evidence, that:

- 18 (a) The defendant owed a duty to the resident;  
19 (b) The defendant breached the duty to the resident;  
20 (c) The breach of the duty is a legal cause of loss,  
21 injury, death, or damage to the resident; and  
22 (d) The resident sustained loss, injury, death, or  
23 damage as a result of the breach.

24  
25 Nothing in this part shall be interpreted to create strict  
26 liability. A violation of the rights set forth in s. 400.022  
27 or in any other standard or guidelines specified in this part  
28 or in any applicable administrative standard or guidelines of  
29 this state or a federal regulatory agency shall be evidence of  
30 negligence but shall not be considered negligence per se.

31

1           ~~(2) Attorneys' fees shall be based on the following~~  
2 ~~criteria:~~

3           ~~(a) The time and labor required;~~

4           ~~(b) The novelty and difficulty of the questions;~~

5           ~~(c) The skill requisite to perform the legal service~~  
6 ~~properly;~~

7           ~~(d) The preclusion of other employment by the attorney~~  
8 ~~due to the acceptance of the case;~~

9           ~~(e) The customary fee;~~

10          ~~(f) Whether the fee is fixed or contingent;~~

11          ~~(g) The amount involved or the results obtained;~~

12          ~~(h) The experience, reputation, and ability of the~~  
13 ~~attorneys;~~

14          ~~(i) The costs expended to prosecute the claim;~~

15          ~~(j) The type of fee arrangement between the attorney~~  
16 ~~and the client;~~

17          ~~(k) Whether the relevant market requires a contingency~~  
18 ~~fee multiplier to obtain competent counsel;~~

19          ~~(l) Whether the attorney was able to mitigate the risk~~  
20 ~~of nonpayment in any way.~~

21          (3) In any claim brought pursuant to s. 400.023, a  
22 licensee, person, or entity shall have a duty to exercise  
23 reasonable care. Reasonable care is that degree of care which  
24 a reasonably careful licensee, person, or entity would use  
25 under like circumstances.

26          (4) In any claim for resident's rights violation or  
27 negligence by a nurse licensed under part I of chapter 464,  
28 such nurse shall have the duty to exercise care consistent  
29 with the prevailing professional standard of care for a nurse.  
30 The prevailing professional standard of care for a nurse shall  
31 be that level of care, skill, and treatment which, in light of

1 all relevant surrounding circumstances is recognized as  
2 acceptable and appropriate by reasonably prudent similar  
3 nurses.

4 (5)(3) A licensee shall not be liable for the medical  
5 negligence of any physician rendering care or treatment to the  
6 resident except for the administrative services of a medical  
7 director as required in this part. Nothing in this subsection  
8 shall be construed to protect a licensee, person, or entity  
9 from liability for failure to provide a resident with  
10 appropriate observation, assessment, nursing diagnosis,  
11 planning, intervention, and evaluation of care by nursing  
12 staff.

13 (6) The resident or the resident's legal  
14 representative shall serve a copy of any complaint alleging in  
15 whole or in part a violation of any rights specified in this  
16 part to the Agency for Health Care Administration at the time  
17 of filing the initial complaint with the clerk of the court  
18 for the county in which the action is pursued. The requirement  
19 of providing a copy of the complaint to the agency does not  
20 impair the resident's legal rights or ability to seek relief  
21 for his or her claim.

22 (7) An action under this part for a violation of  
23 rights or negligence recognized herein is not a claim for  
24 medical malpractice, and the provision of s. 768.21(8) do not  
25 apply to a claim alleging death of the resident.

26 ~~(4) Claimants alleging a deprivation or infringement~~  
27 ~~of adequate and appropriate health care pursuant to s.~~  
28 ~~400.022(1)(k) which resulted in personal injury to or the~~  
29 ~~death of a resident shall conduct an investigation which shall~~  
30 ~~include a review by a licensed physician or registered nurse~~  
31 ~~familiar with the standard of nursing care for nursing home~~

1 ~~residents pursuant to this part. Any complaint alleging such~~  
2 ~~a deprivation or infringement shall be accompanied by a~~  
3 ~~verified statement from the reviewer that there exists reason~~  
4 ~~to believe that a deprivation or infringement occurred during~~  
5 ~~the resident's stay at the nursing home. Such opinion shall~~  
6 ~~be based on records or other information available at the time~~  
7 ~~that suit is filed. Failure to provide records in accordance~~  
8 ~~with the requirements of this chapter shall waive the~~  
9 ~~requirement of the verified statement.~~

10 ~~(5) For the purpose of this section, punitive damages~~  
11 ~~may be awarded for conduct which is willful, wanton, gross or~~  
12 ~~flagrant, reckless, or consciously indifferent to the rights~~  
13 ~~of the resident.~~

14 ~~(6) To recover attorney's fees under this section, the~~  
15 ~~following conditions precedent must be met:~~

16 ~~(a) Within 120 days after the filing of a responsive~~  
17 ~~pleading or defensive motion to a complaint brought under this~~  
18 ~~section and before trial, the parties or their designated~~  
19 ~~representatives shall meet in mediation to discuss the issues~~  
20 ~~of liability and damages in accordance with this paragraph for~~  
21 ~~the purpose of an early resolution of the matter.~~

22 ~~1. Within 60 days after the filing of the responsive~~  
23 ~~pleading or defensive motion, the parties shall:~~

24 ~~a. Agree on a mediator. If the parties cannot agree on~~  
25 ~~a mediator, the defendant shall immediately notify the court,~~  
26 ~~which shall appoint a mediator within 10 days after such~~  
27 ~~notice.~~

28 ~~b. Set a date for mediation.~~

29 ~~c. Prepare an order for the court that identifies the~~  
30 ~~mediator, the scheduled date of the mediation, and other terms~~  
31 ~~of the mediation. Absent any disagreement between the parties,~~

1 ~~the court may issue the order for the mediation submitted by~~  
2 ~~the parties without a hearing.~~

3 ~~2. The mediation must be concluded within 120 days~~  
4 ~~after the filing of a responsive pleading or defensive motion.~~  
5 ~~The date may be extended only by agreement of all parties~~  
6 ~~subject to mediation under this subsection.~~

7 ~~3. The mediation shall be conducted in the following~~  
8 ~~manner:~~

9 ~~a. Each party shall ensure that all persons necessary~~  
10 ~~for complete settlement authority are present at the~~  
11 ~~mediation.~~

12 ~~b. Each party shall mediate in good faith.~~

13 ~~4. All aspects of the mediation which are not~~  
14 ~~specifically established by this subsection must be conducted~~  
15 ~~according to the rules of practice and procedure adopted by~~  
16 ~~the Supreme Court of this state.~~

17 ~~(b) If the parties do not settle the case pursuant to~~  
18 ~~mediation, the last offer of the defendant made at mediation~~  
19 ~~shall be recorded by the mediator in a written report that~~  
20 ~~states the amount of the offer, the date the offer was made in~~  
21 ~~writing, and the date the offer was rejected. If the matter~~  
22 ~~subsequently proceeds to trial under this section and the~~  
23 ~~plaintiff prevails but is awarded an amount in damages,~~  
24 ~~exclusive of attorney's fees, which is equal to or less than~~  
25 ~~the last offer made by the defendant at mediation, the~~  
26 ~~plaintiff is not entitled to recover any attorney's fees.~~

27 ~~(c) This subsection applies only to claims for~~  
28 ~~liability and damages and does not apply to actions for~~  
29 ~~injunctive relief.~~

30 ~~(d) This subsection applies to all causes of action~~  
31 ~~that accrue on or after October 1, 1999.~~

1           ~~(7) Discovery of financial information for the purpose~~  
2 ~~of determining the value of punitive damages may not be had~~  
3 ~~unless the plaintiff shows the court by proffer or evidence in~~  
4 ~~the record that a reasonable basis exists to support a claim~~  
5 ~~for punitive damages.~~

6           ~~(8) In addition to any other standards for punitive~~  
7 ~~damages, any award of punitive damages must be reasonable in~~  
8 ~~light of the actual harm suffered by the resident and the~~  
9 ~~egregiousness of the conduct that caused the actual harm to~~  
10 ~~the resident.~~

11           Section 5. Effective May 15, 2001, and applying to  
12 causes of action accruing on or after that date, section  
13 400.0233, Florida Statutes, is created to read:

14           400.0233 Presuit notice; investigation; notification  
15 of violation of resident's rights or alleged negligence;  
16 claims evaluation procedure; informal discovery; review.--

17           (1) As used in this section, the term:

18           (a) "Claim for resident's rights violation or  
19 negligence" means a negligence claim alleging injury to or the  
20 death of a resident arising out of an asserted violation of  
21 the rights of a resident under s. 400.022 or an asserted  
22 deviation from the applicable standard of care.

23           (b) "Insurer" means any self-insurer authorized under  
24 s. 627.357, liability insurance carrier, joint underwriting  
25 association, or uninsured prospective defendant.

26           (2) Prior to filing a claim for a violation of a  
27 resident's rights or a claim for negligence, a claimant  
28 alleging injury to or the death of a resident shall notify  
29 each prospective defendant by certified mail, return receipt  
30 requested, of an asserted violation of a resident's rights  
31 provided in s. 400.022 or deviation from the standard of care.

1 Such notification shall include an identification of the  
2 rights the prospective defendant has violated and the  
3 negligence alleged to have caused the incident or incidents  
4 and a brief description of the injuries sustained by the  
5 resident which are reasonably identifiable at the time of  
6 notice. The notice shall contain a certificate of counsel that  
7 counsel's reasonable investigation gave rise to a good-faith  
8 belief that grounds exist for an action against each  
9 prospective defendant.

10 (3)(a) No suit may be filed for a period of 75 days  
11 after notice is mailed to any prospective defendant. During  
12 the 75-day period, the prospective defendants or their  
13 insurers shall conduct an evaluation of the claim to determine  
14 the liability of each defendant and to evaluate the damages of  
15 the claimants. Each defendant or insurer of the defendant  
16 shall have a procedure for the prompt evaluation of claims  
17 during the 75-day period. The procedure shall include one or  
18 more of the following:

19 1. Internal review by a duly qualified facility risk  
20 manager or claims adjuster;

21 2. Internal review by counsel for each prospective  
22 defendant;

23 3. A quality assurance committee authorized under any  
24 applicable state or federal statutes or regulations; or

25 4. Any other similar procedure that fairly and  
26 promptly evaluates the claims.

27  
28 Each defendant or insurer of the defendant shall evaluate the  
29 claim in good faith.  
30  
31

1           (b) At or before the end of the 75 days, the defendant  
2 or insurer of the defendant shall provide the claimant with a  
3 written response:

- 4           1. Rejecting the claim; or  
5           2. Making a settlement offer.

6           (c) The response shall be delivered to the claimant if  
7 not represented by counsel or to the claimant's attorney, by  
8 certified mail, return receipt requested. Failure of the  
9 prospective defendant or insurer of the defendant to reply to  
10 the notice within 75 days after receipt shall be deemed a  
11 rejection of the claim for purposes of this section.

12           (4) The notification of a violation of a resident's  
13 rights or alleged negligence shall be served within the  
14 applicable statute of limitations period; however, during the  
15 75-day period, the statute of limitations is tolled as to all  
16 prospective defendants. Upon stipulation by the parties, the  
17 75-day period may be extended and the statute of limitations  
18 is tolled during any such extension. Upon receiving written  
19 notice by certified mail, return receipt requested, of  
20 termination of negotiations in an extended period, the  
21 claimant shall have 60 days or the remainder of the period of  
22 the statute of limitations, whichever is greater, within which  
23 to file suit.

24           (5) No statement, discussion, written document,  
25 report, or other work product generated by presuit claims  
26 evaluation procedures under this section is discoverable or  
27 admissible in any civil action for any purpose by the opposing  
28 party. All participants, including, but not limited to,  
29 physicians, investigators, witnesses, and employees or  
30 associates of the defendant, are immune from civil liability  
31 arising from participation in the presuit claims evaluation

1 procedure. Any licensed physician or registered nurse may be  
2 retained by either party to provide an opinion regarding the  
3 reasonable basis of the claim. The presuit opinions of the  
4 expert are not discoverable or admissible in any civil action  
5 for any purpose by the opposing party.

6 (6) Upon receipt by a prospective defendant of a  
7 notice of claim, the parties shall make discoverable  
8 information available without formal discovery as provided in  
9 subsection (7).

10 (7) Informal discovery may be used by a party to  
11 obtain unsworn statements and the production of documents or  
12 things as follows:

13 (a) Unsworn statements.--Any party may require other  
14 parties to appear for the taking of an unsworn statement.  
15 Such statements may be used only for the purpose of claims  
16 evaluation and are not discoverable or admissible in any civil  
17 action for any purpose by any party. A party seeking to take  
18 the unsworn statement of any party must give reasonable notice  
19 in writing to all parties. The notice must state the time and  
20 place for taking the statement and the name and address of the  
21 party to be examined. Unless otherwise impractical, the  
22 examination of any party must be done at the same time by all  
23 other parties. Any party may be represented by counsel at the  
24 taking of an unsworn statement. An unsworn statement may be  
25 recorded electronically, stenographically, or on videotape.  
26 The taking of unsworn statements is subject to the provisions  
27 of the Florida Rules of Civil Procedure and may be terminated  
28 for abuses.

29 (b) Documents or things.--Any party may request  
30 discovery of relevant documents or things. The documents or  
31 things must be produced, at the expense of the requesting

1 party, within 20 days after the date of receipt of the  
2 request. A party is required to produce relevant and  
3 discoverable documents or things within that party's  
4 possession or control, if in good faith it can reasonably be  
5 done within the timeframe of the claims evaluation process.

6 (8) Each request for and notice concerning informal  
7 discovery pursuant to this section must be in writing, and a  
8 copy thereof must be sent to all parties. Such a request or  
9 notice must bear a certificate of service identifying the name  
10 and address of the person to whom the request or notice is  
11 served, the date of the request or notice, and the manner of  
12 service thereof.

13 (9) If a prospective defendant makes a written  
14 settlement offer, the claimant shall have 15 days from the  
15 date of receipt to accept the offer. An offer shall be deemed  
16 rejected unless accepted by delivery of a written notice of  
17 acceptance.

18 (10) To the extent not inconsistent with this part,  
19 the provisions of the Florida Mediation Code, Florida Rules of  
20 Civil Procedure, shall be applicable to such proceedings.

21 (11) Within 30 days after the claimant's receipt of  
22 the defendant's response to the claim, the parties or their  
23 designated representatives shall meet in mediation to discuss  
24 the issues of liability and damages in accordance with the  
25 mediation rules of practice and procedures adopted by the  
26 Supreme Court. Upon stipulation of the parties, this 30-day  
27 period may be extended and the statute of limitations is  
28 tolled during the mediation and any such extension. At the  
29 conclusion of mediation the claimant shall have 60 days or the  
30 remainder of the period of the statute of limitations,  
31 whichever is greater, within which to file suit.

1 Section 6. Effective May 15, 2001, and applying to  
2 causes of action accruing on or after that date, section  
3 400.0234, Florida Statutes, is created to read:

4 400.0234 Availability of facility records for  
5 investigation of resident's rights violations and defenses;  
6 penalty.--

7 (1) Failure to provide complete copies of a resident's  
8 records, including, but not limited to, all medical records  
9 and the resident's chart, within the control or possession of  
10 the facility in accordance with s. 400.145 shall constitute  
11 evidence of failure of that party to comply with good-faith  
12 discovery requirements and shall waive the good-faith  
13 certificate and presuit notice requirements under this part by  
14 the requesting party.

15 (2) No facility shall be held liable for any civil  
16 damages as a result of complying with this section.

17 Section 7. Effective May 15, 2001, and applying to  
18 causes of action accruing on or after that date, section  
19 400.0235, Florida Statutes, is created to read:

20 400.0235 Certain provisions not applicable to actions  
21 under this part.--An action under this part for a violation of  
22 rights or negligence recognized under this part is not a claim  
23 for medical malpractice, and the provisions of s. 768.21(8) do  
24 not apply to a claim alleging death of the resident.

25 Section 8. Effective May 15, 2001, section 400.0236,  
26 Florida Statutes, is created to read:

27 400.0236 Statute of limitations.--

28 (1) Any action for damages brought under this part  
29 shall be commenced within 2 years from the time the incident  
30 giving rise to the action occurred or within 2 years from the  
31 time the incident is discovered or should have been discovered

1 with the exercise of due diligence; however, in no event shall  
2 the action be commenced later than 4 years from the date of  
3 the incident or occurrence out of which the cause of action  
4 accrued.

5 (2) In those actions covered by this subsection in  
6 which it can be shown that fraudulent concealment or  
7 intentional misrepresentation of fact prevented the discovery  
8 of the injury, the period of limitations is extended forward 2  
9 years from the time that the injury is discovered with the  
10 exercise of due diligence, but in no event for more than 6  
11 years from the date the incident giving rise to the injury  
12 occurred.

13 (3) This section shall apply to causes of action that  
14 have accrued prior to the effective date of this section;  
15 however, any such cause of action that would not have been  
16 barred under prior law may be brought within the time allowed  
17 by prior law or within 2 years after the effective date of  
18 this section, whichever is earlier, and will be barred  
19 thereafter. In actions where it can be shown that fraudulent  
20 concealment or intentional misrepresentation of fact prevented  
21 the discovery of the injury, the period of limitations is  
22 extended forward 2 years from the time that the injury is  
23 discovered with the exercise of due diligence, but in no event  
24 more than 4 years from the effective date of this section.

25 Section 9. Section 400.0237, Florida Statutes, is  
26 created to read:

27 400.0237 Punitive damages; pleading; burden of  
28 proof.--

29 (1) In any action for damages brought under this part,  
30 no claim for punitive damages shall be permitted unless there  
31 is a reasonable showing by evidence in the record or proffered

1 by the claimant which would provide a reasonable basis for  
2 recovery of such damages. The claimant may move to amend her  
3 or his complaint to assert a claim for punitive damages as  
4 allowed by the rules of civil procedure. The rules of civil  
5 procedure shall be liberally construed so as to allow the  
6 claimant discovery of evidence which appears reasonably  
7 calculated to lead to admissible evidence on the issue of  
8 punitive damages. No discovery of financial worth shall  
9 proceed until after the pleading concerning punitive damages  
10 is permitted.

11 (2) A defendant may be held liable for punitive  
12 damages only if the trier of fact, based on clear and  
13 convincing evidence, finds that the defendant was personally  
14 guilty of intentional misconduct or gross negligence. As used  
15 in this section, the term:

16 (a) "Intentional misconduct" means that the defendant  
17 had actual knowledge of the wrongfulness of the conduct and  
18 the high probability that injury or damage to the claimant  
19 would result and, despite that knowledge, intentionally  
20 pursued that course of conduct, resulting in injury or damage.

21 (b) "Gross negligence" means that the defendant's  
22 conduct was so reckless or wanting in care that it constituted  
23 a conscious disregard or indifference to the life, safety, or  
24 rights of persons exposed to such conduct.

25 (3) In the case of an employer, principal,  
26 corporation, or other legal entity, punitive damages may be  
27 imposed for the conduct of an employee or agent only if the  
28 conduct of the employee or agent meets the criteria specified  
29 in subsection (2) and:

30  
31

1           (a) The employer, principal, corporation, or other  
2 legal entity actively and knowingly participated in such  
3 conduct;

4           (b) The officers, directors, or managers of the  
5 employer, principal, corporation, or other legal entity  
6 condoned, ratified, or consented to such conduct; or

7           (c) The employer, principal, corporation, or other  
8 legal entity engaged in conduct that constituted gross  
9 negligence and that contributed to the loss, damages, or  
10 injury suffered by the claimant.

11           (4) The plaintiff must establish at trial, by clear  
12 and convincing evidence, its entitlement to an award of  
13 punitive damages. The "greater weight of the evidence" burden  
14 of proof applies to a determination of the amount of damages.

15           (5) This section is remedial in nature and shall take  
16 effect upon becoming a law.

17           Section 10. Section 400.0238, Florida Statutes, is  
18 created to read:

19           400.0238 Punitive damages; limitation.--

20           (1)(a) Except as provided in paragraphs (b) and (c),  
21 an award of punitive damages may not exceed the greater of:

22           1. Three times the amount of compensatory damages  
23 awarded to each claimant entitled thereto, consistent with the  
24 remaining provisions of this section; or

25           2. The sum of \$1 million.

26           (b) Where the fact finder determines that the wrongful  
27 conduct proven under this section was motivated primarily by  
28 unreasonable financial gain and determines that the  
29 unreasonably dangerous nature of the conduct, together with  
30 the high likelihood of injury resulting from the conduct, was  
31 actually known by the managing agent, director, officer, or

1 other person responsible for making policy decisions on behalf  
2 of the defendant, it may award an amount of punitive damages  
3 not to exceed the greater of:

4 1. Four times the amount of compensatory damages  
5 awarded to each claimant entitled thereto, consistent with the  
6 remaining provisions of this section; or

7 2. The sum of \$4 million.

8 (c) Where the fact finder determines that at the time  
9 of injury the defendant had a specific intent to harm the  
10 claimant and determines that the defendant's conduct did in  
11 fact harm the claimant, there shall be no cap on punitive  
12 damages.

13 (d) This subsection is not intended to prohibit an  
14 appropriate court from exercising its jurisdiction under s.  
15 768.74 in determining the reasonableness of an award of  
16 punitive damages that is less than three times the amount of  
17 compensatory damages.

18 (e) In any case in which the findings of fact support  
19 an award of punitive damages pursuant to paragraph (b) or  
20 paragraph (c), the clerk of the court shall refer the case to  
21 the appropriate law enforcement agencies, to the state  
22 attorney in the circuit where the long-term care facility that  
23 is the subject of the underlying civil cause of action is  
24 located, and, for multijurisdictional facility owners, to the  
25 Office of the Statewide Prosecutor; and such agencies, state  
26 attorney, or Office of the Statewide Prosecutor shall initiate  
27 a criminal investigation into the conduct giving rise to the  
28 award of punitive damages. All findings by the trier of fact  
29 which support an award of punitive damages under this  
30 paragraph shall be admissible as evidence in any subsequent  
31

1 civil or criminal proceeding relating to the acts giving rise  
2 to the award of punitive damages under this paragraph.

3 (2) The claimant's attorney's fees, if payable from  
4 the judgment, are, to the extent that the fees are based on  
5 the punitive damages, calculated based on the final judgment  
6 for punitive damages. This subsection does not limit the  
7 payment of attorney's fees based upon an award of damages  
8 other than punitive damages.

9 (3) The jury may neither be instructed nor informed as  
10 to the provisions of this section.

11 (4) Notwithstanding any other law to the contrary, the  
12 amount of punitive damages awarded pursuant to this section  
13 shall be equally divided between the claimant and the Quality  
14 of Long-Term Care Facility Improvement Trust Fund, in  
15 accordance with the following provisions:

16 (a) The clerk of the court shall transmit a copy of  
17 the jury verdict to the State Treasurer by certified mail. In  
18 the final judgment the court shall order the percentages of  
19 the award, payable as provided herein.

20 (b) A settlement agreement entered into between the  
21 original parties to the action after a verdict has been  
22 returned must provide a proportionate share payable to the  
23 Quality of Long-Term Care Facility Improvement Trust Fund  
24 specified herein. For purposes of this paragraph, a  
25 proportionate share is a 50-percent share of that percentage  
26 of the settlement amount which the punitive damages portion of  
27 the verdict bore to the total of the compensatory and punitive  
28 damages in the verdict.

29 (c) The Department of Banking and Finance shall  
30 collect or cause to be collected all payments due the state  
31 under this section. Such payments are made to the Comptroller

1 and deposited in the appropriate fund specified in this  
2 subsection.

3 (d) If the full amount of punitive damages awarded  
4 cannot be collected, the claimant and the other recipient  
5 designated pursuant to this subsection are each entitled to a  
6 proportionate share of the punitive damages collected.

7 (5) This section is remedial in nature and shall take  
8 effect upon becoming a law.

9 Section 11. Subsection (1) and paragraph (a) of  
10 subsection (2) of section 768.735, Florida Statutes, are  
11 amended and subsection (3) is added to that section to read:

12 768.735 Punitive damages; exceptions; limitation.--

13 (1) Sections 768.72(2)-(4), 768.725, and 768.73 do not  
14 apply to any civil action based upon child abuse, abuse of the  
15 elderly under chapter 415, or abuse of the developmentally  
16 disabled ~~or any civil action arising under chapter 400~~. Such  
17 actions are governed by applicable statutes and controlling  
18 judicial precedent. This section does not apply to claims  
19 brought pursuant to s. 400.023 or s. 400.429.

20 (2)(a) In any civil action based upon child abuse,  
21 abuse of the elderly under chapter 415, or abuse of the  
22 developmentally disabled, ~~or actions arising under chapter 400~~  
23 and involving the award of punitive damages, the judgment for  
24 the total amount of punitive damages awarded to a claimant may  
25 not exceed three times the amount of compensatory damages  
26 awarded to each person entitled thereto by the trier of fact,  
27 except as provided in paragraph (b). This subsection does not  
28 apply to any class action.

29 (3) This section is remedial in nature and shall take  
30 effect upon becoming a law.

31

1           Section 12. Effective May 15, 2001, and applying to  
2 causes of action accruing on or after that date, section  
3 415.1111, Florida Statutes, is amended to read:

4           415.1111 Civil actions.--A vulnerable adult who has  
5 been abused, neglected, or exploited as specified in this  
6 chapter has a cause of action against any perpetrator and may  
7 recover actual and punitive damages for such abuse, neglect,  
8 or exploitation. The action may be brought by the vulnerable  
9 adult, or that person's guardian, by a person or organization  
10 acting on behalf of the vulnerable adult with the consent of  
11 that person or that person's guardian, or by the personal  
12 representative of the estate of a deceased victim without  
13 regard to whether the cause of death resulted from the abuse,  
14 neglect, or exploitation. The action may be brought in any  
15 court of competent jurisdiction to enforce such action and to  
16 recover actual and punitive damages for any deprivation of or  
17 infringement on the rights of a vulnerable adult. A party who  
18 prevails in any such action may be entitled to recover  
19 reasonable attorney's fees, costs of the action, and damages.  
20 The remedies provided in this section are in addition to and  
21 cumulative with other legal and administrative remedies  
22 available to a vulnerable adult. Notwithstanding the  
23 foregoing, any civil action for damages against any licensee  
24 or entity who establishes, controls, conducts, manages, or  
25 operates a facility licensed under part II of chapter 400  
26 relating to its operation of the licensed facility shall be  
27 brought pursuant to s. 400.023, or against any licensee or

29 operates a facility licensed under part III of chapter 400  
30 relating to its operation of the licensed facility shall be  
31 brought pursuant to s. 400.429. Such licensee or entity shall

1 not be vicariously liable for the acts or omissions of its  
2 employees or agents or any other third party in an action  
3 brought under this section.

4 Section 13. Subsection (17) is added to section  
5 400.0255, Florida Statutes, to read:

6 400.0255 Resident transfer or discharge; requirements  
7 and procedures; hearings.--

8 (17) The provisions of this section apply to transfers  
9 or discharges that are initiated by the nursing home facility,  
10 and not by the resident or by the resident's physician or  
11 legal guardian or representative.

12 Section 14. Subsection (3) of section 400.062, Florida  
13 Statutes, is amended to read:

15 transfer.--

16 (3) The annual license fee required for each license  
17 issued under this part shall be comprised of two parts. Part  
18 I of the license fee shall be the basic license fee. The rate  
19 per bed for the basic license fee shall be established

21 per bed licensure fees by the Consumer Price Index based on  
22 the 12 months immediately preceding the increase ~~must be~~  
23 reasonably calculated to cover the cost of regulation under  
24 this part, ~~but may not exceed \$35 per bed~~. Part II of the  
25 license fee shall be the resident protection fee, which shall  
26 be at the rate of not less than 25 cents per bed. The rate per  
27 bed shall be the minimum rate per bed, and such rate shall  
28 remain in effect until the effective date of a rate per bed  
29 adopted by rule by the agency pursuant to this part. At such  
30 time as the amount on deposit in the Resident Protection Trust  
31 Fund is less than \$1 million~~\$500,000~~, the agency may adopt

1 rules to establish a rate which may not exceed \$10 per bed.  
2 The rate per bed shall revert back to the minimum rate per bed  
3 when the amount on deposit in the Resident Protection Trust  
4 Fund reaches \$1 million~~\$500,000~~, except that any rate  
5 established by rule shall remain in effect until such time as  
6 the rate has been equally required for each license issued  
7 under this part. Any amount in the fund in excess of \$2  
8 million~~\$800,000~~ shall revert to the Health Care Trust Fund  
9 and may not be expended without prior approval of the  
10 Legislature. The agency may prorate the annual license fee  
11 for those licenses which it issues under this part for less  
12 than 1 year. Funds generated by license fees collected in  
13 accordance with this section shall be deposited in the  
14 following manner:

15 (a) The basic license fee collected shall be deposited  
16 in the Health Care Trust Fund, established for the sole  
17 purpose of carrying out this part. When the balance of the  
18 account established in the Health Care Trust Fund for the  
19 deposit of fees collected as authorized under this section  
20 exceeds one-third of the annual cost of regulation under this  
21 part, the excess shall be used to reduce the licensure fees in  
22 the next year.

23 (b) The resident protection fee collected shall be  
24 deposited in the Resident Protection Trust Fund for the sole  
25 purpose of paying, in accordance with the provisions of s.  
26 400.063, for the appropriate alternate placement, care, and  
27 treatment of a resident removed from a nursing home facility  
28 on a temporary, emergency basis or for the maintenance and  
29 care of residents in a nursing home facility pending removal  
30 and alternate placement.

29 Individuals in these positions shall not be deployed by the

31 routine, scheduled surveys, but shall function solely and

1 independently as quality-of-care monitors. Quality-of-care  
2 monitors shall assess the overall quality of life in the  
3 nursing facility and shall assess specific conditions in the  
4 facility directly related to resident ~~patient~~ care, including

22 shall be reported immediately to the agency area office  
23 supervisor for appropriate regulatory action and, as  
24 appropriate or as required by law, to law enforcement, adult

2 not be permitted or required to testify in any such civil or  
3 administrative action as to any evidence or other matters  
4 produced or presented during the monitoring visits or  
5 evaluations. However, information, documents, or records  
6 otherwise available from original sources are not to be  
7 construed as immune from discovery or use in any such civil or  
8 administrative action merely because they were presented  
9 during monitoring visits or evaluations, and any person who  
10 participates in such activities may not be prevented from  
11 testifying as to matters within his or her knowledge, but such  
12 witness may not be asked about his or her participation in  
13 such activities. The exclusion from the discovery or  
14 introduction of evidence in any civil or administrative action  
15 provided for herein shall not apply when the quality-of-care  
16 monitor makes a report to the appropriate authorities  
17 regarding a threat to the health or safety of a resident.

10 action under this section is being brought. If the adverse  
11 action involves solely the management company, the applicant  
12 or licensee shall be given 30 days to remedy before final  
13 action is taken. If the adverse action is based solely upon  
14 actions by a controlling interest, the applicant or licensee  
15 may present factors in mitigation of any proposed penalty  
16 based upon a showing that such penalty is inappropriate under  
17 the circumstances.

18  
19 All hearings shall be held within the county in which the  
20 licensee or applicant operates or applies for a license to  
21 operate a facility as defined herein.

22 (2) Except as provided in s. 400.23(8), a \$500 fine  
23 shall be imposed ~~The agency, as a part of any final order~~  
24 ~~issued by it under this part, may impose such fine as it deems~~  
25 ~~proper, except that such fine may not exceed \$500 for each~~  
26 ~~violation. Each day a violation of this part occurs~~  
27 ~~constitutes a separate violation and is subject to a separate~~  
28 ~~fine, but in no event may any fine aggregate more than \$5,000.~~  
29 ~~A fine may be levied pursuant to this section in lieu of and~~  
30 ~~notwithstanding the provisions of s. 400.23. Fines paid by any~~  
31 ~~nursing home facility licensee under this subsection shall be~~

1 deposited in the Resident Protection Trust Fund and expended  
2 as provided in s. 400.063.

3 (3) The agency shall revoke or deny a nursing home  
4 license if the licensee or controlling interest operates a  
5 facility in this state that:

6 (a) Has had two moratoria imposed by final order for  
7 substandard quality of care, as defined by Title 42, C.F.R.  
8 part 483, within any 30-month period;

9 (b) Is conditionally licensed for 180 or more  
10 continuous days;

11 (c) Is cited for two class I deficiencies arising from  
12 unrelated circumstances during the same survey or  
13 investigation; or

14 (d) Is cited for two class I deficiencies arising from  
15 separate surveys or investigations within a 30-month period.

16  
17 The licensee may present factors in mitigation of revocation,  
18 and the agency may make a determination not to revoke a  
19 license based upon a showing that revocation is inappropriate  
20 under the circumstances.

21 (4)(3) The agency may issue an order immediately  
22 suspending or revoking a license when it determines that any  
23 condition in the facility presents a danger to the health,  
24 safety, or welfare of the residents in the facility.

25 (5)(4)(a) The agency may impose an immediate  
26 moratorium on admissions to any facility when the agency  
27 determines that any condition in the facility presents a  
28 threat to the health, safety, or welfare of the residents in  
29 the facility.

30 (b) Where the agency has placed a moratorium on  
31 admissions on any facility two times within a 7-year period,

1 the agency may suspend the license of the nursing home and the  
2 facility's management company, if any. ~~The licensee shall be~~  
3 ~~afforded an administrative hearing within 90 days after the~~  
4 ~~suspension to determine whether the license should be revoked.~~  
5 During the suspension, the agency shall take the facility into  
6 receivership and shall operate the facility.

7 (6)~~(5)~~ An action taken by the agency to deny, suspend,  
8 or revoke a facility's license under this part, ~~in which the~~  
9 ~~agency claims that the facility owner or an employee of the~~  
10 ~~facility has threatened the health, safety, or welfare of a~~  
11 ~~resident of the facility,~~ shall be heard by the Division of  
12 Administrative Hearings of the Department of Management  
13 Services within 60 ~~120~~ days after the assignment of an  
14 administrative law judge receipt of the facility's request for  
15 ~~a hearing,~~ unless the time limitation is waived by both  
16 parties. The administrative law judge must render a decision  
17 within 30 days after receipt of a proposed recommended order.  
18 ~~This subsection does not modify the requirement that an~~  
19 ~~administrative hearing be held within 90 days after a license~~  
20 ~~is suspended under paragraph (4)(b).~~

21 (7)~~(6)~~ The agency is authorized to require a facility  
22 to increase staffing beyond the minimum required by law, if  
23 the agency has taken administrative action against the  
24 facility for care-related deficiencies directly attributable  
25 to insufficient staff. Under such circumstances, the facility  
26 may request an expedited interim rate increase. The agency  
27 shall process the request within 10 days after receipt of all  
28 required documentation from the facility. A facility that  
29 fails to maintain the required increased staffing is subject  
30 to a fine of \$500 per day for each day the staffing is below  
31 the level required by the agency.

1           (8) An administrative proceeding challenging an action  
2 taken by the agency pursuant to this section shall be reviewed  
3 on the basis of the facts and conditions that resulted in such  
4 agency action.

5           (9) Notwithstanding any other provision of law to the  
6 contrary, agency action in an administrative proceeding under  
7 this section may be overcome by the licensee upon a showing by  
8 a preponderance of the evidence to the contrary.

9           (10) In addition to any other sanction imposed under  
10 this part, in any final order that imposes sanctions, the  
11 agency may assess costs related to the investigation and  
12 prosecution of the case. Payment of agency costs shall be  
13 deposited into the Health Care Trust Fund.

14           Section 21. Subsection (12) is added to section  
15 400.126, Florida Statutes, to read:

16           400.126 Receivership proceedings.--

17           (12) Concurrently with the appointment of a receiver,  
18 the agency and the Department of Elderly Affairs shall  
19 coordinate an assessment of each resident in the facility by  
20 the Comprehensive Assessment and Review for Long-Term-Care  
21 (CARES) Program for the purpose of evaluating each resident's  
22 need for the level of care provided in a nursing facility and  
23 the potential for providing such care in alternative settings.  
24 If the CARES assessment determines that a resident could be  
25 cared for in a less restrictive setting or does not meet the  
26 criteria for skilled or intermediate care in a nursing home,  
27 the department and agency shall refer the resident for such  
28 care, as is appropriate for the resident. Residents referred  
29 pursuant to this subsection shall be given primary  
30 consideration for receiving services under the Community Care  
31

1 for the Elderly program in the same manner as persons  
2 classified to receive such services pursuant to s. 430.205.

3 Section 22. Subsections (14), (15), (16), (17), (18),  
4 (19), and (20) are added to section 400.141, Florida Statutes,  
5 to read:

6 400.141 Administration and management of nursing home  
7 facilities.--Every licensed facility shall comply with all  
8 applicable standards and rules of the agency and shall:

9 (14) Submit to the agency the information specified in  
10 s. 400.071(2)(e) for a management company within 30 days after  
11 the effective date of the management agreement.

12 (15) Submit semiannually to the agency, or more  
13 frequently if requested by the agency, information regarding  
14 facility staff-to-resident ratios, staff turnover, and staff  
15 stability, including information regarding certified nursing  
16 assistants, licensed nurses, the director of nursing, and the  
17 facility administrator. For purposes of this reporting:

18 (a) Staff-to-resident ratios must be reported in the  
19 categories specified in s. 400.23(3)(a) and applicable rules.  
20 The ratio must be reported as an average for the most recent  
21 calendar quarter.

22 (b) Staff turnover must be reported for the most  
23 recent 12-month period ending on the last workday of the most  
24 recent calendar quarter prior to the date the information is  
25 submitted. The turnover rate must be computed quarterly, with  
26 the annual rate being the cumulative sum of the quarterly  
27 rates. the turnover rate is the total number of terminations  
28 or separations experienced during the quarter, excluding any  
29 employee terminated during a probationary period of 3 months  
30 or less, divided by the total number of staff employed at the

31

1 end of the period for which the rate is computed, and  
2 expressed as a percentage.

3 (c) The formula for determining staff stability is the  
4 total number of employees that have been employed for more  
5 than 12 months, divided by the total number of employees  
6 employed at the end of the most recent calendar quarter, and  
7 expressed as a percentage.

8 (d) A nursing facility that has failed to comply with  
9 state minimum-staffing requirements for 2 consecutive days is  
10 prohibited from accepting new admissions until the facility  
11 has achieved the minimum-staffing requirements for a period of  
12 6 consecutive days. For the purposes of this paragraph, any  
13 person who was a resident of the facility and was absent from  
14 the facility for the purpose of receiving medical care at a  
15 separate location or was on a leave of absence is not  
16 considered a new admission. Failure to impose such an  
17 admissions moratorium constitutes a class II deficiency.

18 (16) Report monthly the number of vacant beds in the  
19 facility which are available for resident occupancy on the day  
20 the information is reported.

21 (17) Notify a licensed physician when a resident  
22 exhibits signs of dementia or cognitive impairment or has a  
23 change of condition in order to rule out the presence of an  
24 underlying physiological condition that may be contributing to  
25 such dementia or impairment. The notification must occur  
26 within 30 days after the acknowledgement of such signs by  
27 facility staff. If an underlying condition is determined to  
28 exist, the facility shall arrange, with the appropriate health  
29 care provider, the necessary care and services to treat the  
30 condition.

31

1           (18) If the facility implements a dining and  
2 hospitality attendant program, ensure that the program is  
3 developed and implemented under the supervision of the  
4 facility director of nursing. A licensed nurse, licensed  
5 speech or occupational therapist, or a registered dietitian  
6 must conduct training of dining and hospitality attendants. A  
7 person employed by a facility as a dining and hospitality  
8 attendant must perform tasks under the direct supervision of a  
9 licensed nurse.

10           (19) Report to the agency any filing for bankruptcy  
11 protection by the facility or its parent corporation,  
12 divestiture or spin-off of its assets, or corporate  
13 reorganization within 30 days after the completion of such  
14 activity.

15           (20) Maintain liability insurance coverage that is in  
16 force at all times.

17           (21) Maintain in the medical record for each resident  
18 a daily chart of certified nursing assistant services provided  
19 to the resident. The certified nursing assistant who is caring  
20 for the resident must complete this record by the end of his  
21 or her shift. This record must indicate assistance with  
22 activities of daily living, assistance with eating, and  
23 assistance with drinking, and must record each offering of  
24 nutrition and hydration for those residents whose plan of care  
25 or assessment indicates a risk for malnutrition or  
26 dehydration.

27  
28 Facilities that have been awarded a Gold Seal under the  
29 program established in s. 400.235 may develop a plan to  
30 provide certified nursing assistant training as prescribed by  
31

1 federal regulations and state rules and may apply to the  
2 agency for approval of its program.

3 Section 23. Section 400.1413, Florida Statutes, is  
4 created to read:

5 400.1413 Volunteers in nursing homes.--

6 (1) It is the intent of the Legislature to encourage  
7 the involvement of volunteers in nursing homes in this state.  
8 The Legislature also acknowledges that the licensee is  
9 responsible for all the activities that take place in the  
10 nursing home and recognizes the licensee's need to be aware of  
11 and coordinate volunteer activities in the nursing home.  
12 Therefore, a nursing home may require that volunteers:

13 (a) Sign in and out with staff of the nursing home  
14 upon entering or leaving the facility.

15 (b) Wear an identification badge while in the  
16 building.

17 (c) Participate in a facility orientation and training  
18 program.

19 (2) This section does not affect the activities of  
20 state or local long-term-care ombudsman councils authorized  
21 under part I.

22 Section 24. Section 400.147, Florida Statutes, is  
23 created to read:

24 400.147 Internal risk management and quality assurance  
25 program.--

26 (1) Every facility shall, as part of its  
27 administrative functions, establish an internal risk  
28 management and quality assurance program, the purpose of which  
29 is to assess resident care practices; review facility quality  
30 indicators, facility incident reports, deficiencies cited by  
31 the agency, and resident grievances; and develop plans of

1 action to correct and respond quickly to identified quality  
2 deficiencies. The program must include:

3 (a) A designated person to serve as risk manager, who  
4 is responsible for implementation and oversight of the  
5 facility's risk management and quality assurance program as  
6 required by this section.

7 (b) A risk management and quality assurance committee  
8 consisting of the facility risk manager, the administrator,  
9 the director of nursing, the medical director, and at least  
10 three other members of the facility staff. The risk management  
11 and quality assurance committee shall meet at least monthly.

12 (c) Policies and procedures to implement the internal  
13 risk management and quality assurance program, which must  
14 include the investigation and analysis of the frequency and  
15 causes of general categories and specific types of adverse  
16 incidents to residents.

17 (d) The development and implementation of an incident  
18 reporting system based upon the affirmative duty of all health  
19 care providers and all agents and employees of the licensed  
20 health care facility to report adverse incidents to the risk  
21 manager, or to his or her designee, within 3 business days  
22 after their occurrence.

23 (e) The development of appropriate measures to  
24 minimize the risk of adverse incidents to residents,  
25 including, but not limited to, education and training in risk  
26 management and risk prevention for all nonphysician personnel,  
27 as follows:

28 1. Such education and training of all nonphysician  
29 personnel must be part of their initial orientation; and

30 2. At least 1 hour of such education and training must  
31 be provided annually for all nonphysician personnel of the

1 licensed facility working in clinical areas and providing  
2 resident care.

3 (f) The analysis of resident grievances that relate to  
4 resident care and the quality of clinical services.

5 (2) The internal risk management and quality assurance  
6 program is the responsibility of the facility administrator.

7 (3) In addition to the programs mandated by this  
8 section, other innovative approaches intended to reduce the  
9 frequency and severity of adverse incidents to residents and  
10 violations of residents' rights shall be encouraged and their  
11 implementation and operation facilitated.

12 (4) Each internal risk management and quality  
13 assurance program shall include the use of incident reports to  
14 be filed with the risk manager and the facility administrator.  
15 The risk manager shall have free access to all resident  
16 records of the licensed facility. The incident reports are  
17 part of the work papers of the attorney defending the licensed  
18 facility in litigation relating to the licensed facility and  
19 are subject to discovery, but are not admissible as evidence  
20 in court. A person filing an incident report is not subject to  
21 civil suit by virtue of such incident report. As a part of  
22 each internal risk management and quality assurance program,  
23 the incident reports shall be used to develop categories of  
24 incidents which identify problem areas. Once identified,  
25 procedures shall be adjusted to correct the problem areas.

26 (5) For purposes of reporting to the agency under this  
27 section, the term "adverse incident" means:

28 (a) An event over which facility personnel could  
29 exercise control and which is associated in whole or in part  
30 with the facility's intervention, rather than the condition  
31

- 1 for which such intervention occurred, and which results in one  
2 of the following:
- 3 1. Death;
  - 4 2. Brain or spinal damage;
  - 5 3. Permanent disfigurement;
  - 6 4. Fracture or dislocation of bones or joints;
  - 7 5. A limitation of neurological, physical, or sensory  
8 function;
  - 9 6. Any condition that required medical attention to  
10 which the resident has not given his or her informed consent,  
11 including failure to honor advanced directives; or
  - 12 7. Any condition that required the transfer of the  
13 resident, within or outside the facility, to a unit providing  
14 a more acute level of care due to the adverse incident, rather  
15 than the resident's condition prior to the adverse incident;
- 16 (b) Abuse, neglect, or exploitation as defined in s.  
17 415.102;
- 18 (c) Abuse, neglect and harm as defined in s. 39.01;
- 19 (d) Resident elopement; or
- 20 (e) An event that is reported to law enforcement.
- 21 (6) The internal risk manager of each licensed  
22 facility shall:
- 23 (a) Investigate every allegation of sexual misconduct  
24 which is made against a member of the facility's personnel who  
25 has direct patient contact when the allegation is that the  
26 sexual misconduct occurred at the facility or at the grounds  
27 of the facility;
  - 28 (b) Report every allegation of sexual misconduct to  
29 the administrator of the licensed facility; and
- 30  
31

1        (c) Notify the resident representative or guardian of  
2 the victim that an allegation of sexual misconduct has been  
3 made and that an investigation is being conducted.

4        (7) The facility shall initiate an investigation and  
5 shall notify the agency within 1 business day after the risk  
6 manager or his or her designee has received a report pursuant  
7 to paragraph (1)(d). The notification must be made in writing  
8 and be provided electronically, by facsimile device or  
9 overnight mail delivery. The notification must include  
10 information regarding the identity of the affected resident,  
11 the type of adverse incident, the initiation of an  
12 investigation by the facility, and whether the events causing  
13 or resulting in the adverse incident represent a potential  
14 risk to any other resident. The notification is confidential  
15 as provided by law and is not discoverable or admissible in  
16 any civil or administrative action, except in disciplinary  
17 proceedings by the agency or the appropriate regulatory board.  
18 The agency may investigate, as it deems appropriate, any such  
19 incident and prescribe measures that must or may be taken in  
20 response to the incident. The agency shall review each  
21 incident and determine whether it potentially involved conduct  
22 by the health care professional who is subject to disciplinary  
23 action, in which case the provisions of s. 456.073 shall  
24 apply.

25        (8)(a) Each facility shall complete the investigation  
26 and submit an adverse incident report to the agency for each  
27 adverse incident within 15 calendar days after its occurrence.  
28 If after a complete investigation, the risk manager determines  
29 that the incident was not an adverse incident as defined in  
30 subsection (5), the facility shall include this information in  
31

1 the report. The agency shall develop a form for reporting this  
2 information.

3 (b) The information reported to the agency pursuant to  
4 paragraph (a) which relates to persons licensed under chapter  
5 458, chapter 459, chapter 461, or chapter 466 shall be  
6 reviewed by the agency. The agency shall determine whether any  
7 of the incidents potentially involved conduct by a health care  
8 professional who is subject to disciplinary action, in which  
9 case the provisions of s. 456.073 shall apply.

10 (c) The report submitted to the agency must also  
11 contain the name of the risk manager of the facility.

12 (d) The adverse incident report is confidential as  
13 provided by law and is not discoverable or admissible in any  
14 civil or administrative action, except in disciplinary  
15 proceedings by the agency or the appropriate regulatory board.

16 (9) Each facility subject to this section shall report  
17 monthly any liability claim filed against it. The report must  
18 include the name of the resident, the date or dates of the  
19 incident leading to the claim, if applicable, and the type of  
20 injury or violation of rights alleged to have occurred. This  
21 report is confidential as provided by law and is not  
22 discoverable or admissible in any civil or administrative  
23 action, except in such actions brought by the agency to  
24 enforce the provisions of this part.

25 (10) The agency shall review, as part of its licensure  
26 inspection process, the internal risk management and quality  
27 assurance program at each facility regulated by this section  
28 to determine whether the program meets standards established  
29 in statutory laws and rules, is being conducted in a manner  
30 designed to reduce adverse incidents, and is appropriately  
31 reporting incidents as required by this section.

1           (11) There is no monetary liability on the part of,  
2 and a cause of action for damages may not arise against, any  
3 risk manager for the implementation and oversight of the  
4 internal risk management and quality assurance program in a  
5 facility licensed under this part as required by this section,  
6 or for any act or proceeding undertaken or performed within  
7 the scope of the functions of such internal risk management  
8 and quality assurance program if the risk manager acts without  
9 intentional fraud.

10           (12) If the agency, through its receipt of the adverse  
11 incident reports prescribed in subsection (7), or through any  
12 investigation, has a reasonable belief that conduct by a staff  
13 member or employee of a facility is grounds for disciplinary  
14 action by the appropriate regulatory board, the agency shall  
15 report this fact to the regulatory board.

16           (13) The agency may adopt rules to administer this  
17 section.

18           (14) The agency shall annually submit to the  
19 Legislature a report on nursing home adverse incidents. The  
20 report must include the following information arranged by  
21 county:

22           (a) The total number of adverse incidents.

23           (b) A listing, by category, of the types of adverse  
24 incidents, the number of incidents occurring within each  
25 category, and the type of staff involved.

26           (c) A listing, by category, of the types of injury  
27 caused and the number of injuries occurring within each  
28 category.

29           (d) Types of liability claims filed based on an  
30 adverse incident or reportable injury.

31

1 (e) Disciplinary action taken against staff,  
2 categorized by type of staff involved.

3 (15) Information gathered by a credentialing  
4 organization under a quality assurance program is not  
5 discoverable from the credentialing organization. This  
6 subsection does not limit discovery of, access to, or use of  
7 facility records, including those records from which the  
8 credentialing organization gathered its information.

9 Section 25. Section 400.148, Florida Statutes, is  
10 created to read:

11 400.148 Medicaid "Up-or-Out" Quality of Care Contract  
12 Management Program.--

13 (1) The Legislature finds that the federal Medicare  
14 program has implemented successful models of managing the  
15 medical and supportive-care needs of long-term nursing home  
16 residents. These programs have maintained the highest  
17 practicable level of good health and have the potential to  
18 reduce the incidence of preventable illnesses among long-stay  
19 residents of nursing homes, thereby increasing the quality of  
20 care for residents and reducing the number of lawsuits against  
21 nursing homes. Such models are operated at no cost to the  
22 state. It is the intent of the Legislature that the Agency for  
23 Health Care Administration replicate such oversight for  
24 Medicaid recipients in poor-performing nursing homes and in  
25 assisted living facilities and nursing homes that are  
26 experiencing disproportionate numbers of lawsuits, with the  
27 goal of improving the quality of care in such homes or  
28 facilitating the revocation of licensure.

29 (2) The Agency for Health Care Administration shall  
30 develop a pilot project in selected counties to demonstrate  
31 the effect of assigning skilled and trained medical personnel

1 to ensure the quality of care, safety, and continuity of care  
2 for long-stay Medicaid recipients in the highest-scoring  
3 nursing homes in the Florida Nursing Home Guide on the date  
4 the project is implemented. The agency is authorized to begin  
5 the pilot project, subject to appropriation, in the  
6 highest-scoring homes in counties where such services are  
7 immediately available. On January 1 of each year of the pilot  
8 project, the agency shall submit to the appropriations and  
9 substantive committees of the Legislature and the Governor an  
10 assessment of the program and a proposal for expansion of the  
11 program to additional facilities. The staff of the pilot  
12 project shall assist regulatory staff in imposing regulatory  
13 sanctions, including revocation of licensure, pursuant to s.  
14 400.121 against nursing homes that have quality-of-care  
15 violations.

16 (3) The pilot project must ensure:

17 (a) Oversight and coordination of all aspects of a  
18 resident's medical care and stay in a nursing home;

19 (b) Facilitation of close communication between the  
20 resident, the resident's guardian or legal representative, the  
21 resident's attending physician, the resident's family, and  
22 staff of the nursing facility;

23 (c) Frequent onsite visits to the resident;

24 (d) Early detection of medical or quality problems  
25 that have the potential to lead to adverse outcomes and  
26 unnecessary hospitalization;

27 (e) Close communication with regulatory staff;

28 (f) Immediate investigation of resident  
29 quality-of-care complaints and communication and cooperation  
30 with the appropriate entity to address those complaints,  
31 including the ombudsman, state agencies, agencies responsible

1 for Medicaid program integrity, and local law enforcement  
2 agencies;

3 (g) Assistance to the resident or the resident's  
4 representative to relocate the resident if quality-of-care  
5 issues are not otherwise addressed; and

6 (h) Use of Medicare and other third-party funds to  
7 support activities of the program, to the extent possible.

8 (4) The agency shall model the pilot project  
9 activities after such Medicare-approved demonstration  
10 projects.

11 (5) The agency may contract to provide similar  
12 oversight services to Medicaid recipients.

16 residents of a participating nursing home or assisted living  
17 facility who have diminished ability to make their own  
18 decisions and who do not have relatives or family available to  
19 act as guardians in nursing homes listed on the Nursing Home  
20 Guide Watch List. The agency and the Statewide Public  
21 Guardianship Office shall give such residents priority for  
22 publicly funded guardianship services.

23 Section 26. Section 400.1755, Florida Statutes, is  
24 created to read:

25 400.1755 Care for persons with Alzheimer's disease or  
26 related disorders.--

27 (1) As a condition of licensure, facilities licensed  
28 under this part must provide to each of their employees, upon  
29 beginning employment, basic written information about  
30 interacting with persons with Alzheimer's disease or a related  
31 disorder.

1           (2) All employees who are expected to, or whose  
2 responsibilities require them to, have direct contact with  
3 residents with Alzheimer's disease or a related disorder must,  
4 in addition to being provided the information required in  
5 subsection (1), also have an initial training of at least 1  
6 hour completed in the first 3 months after beginning  
7 employment. This training must include, but is not limited to,  
8 an overview of dementias and must provide basic skills in  
9 communicating with persons with dementia.

10           (3) An individual who provides direct care shall be  
11 considered a direct caregiver and must complete the required  
12 initial training and an additional 3 hours of training within  
13 9 months after beginning employment. This training shall  
14 include, but is not limited to, managing problem behaviors,  
15 promoting the resident's independence in activities of daily  
16 living, and skills in working with families and caregivers.

17           (a) The required 4 hours of training for certified  
18 nursing assistants are part of the total hours of training  
19 required annually.

20           (b) For a health care practitioner as defined in s.  
21 456.001, continuing-education hours taken as required by that  
22 practitioner's licensing board shall be counted toward this  
23 total of 4 hours.

24           (4) For an employee who is a licensed health care  
25 practitioner as defined in s. 456.001, training that is  
26 sanctioned by that practitioner's licensing board shall be  
27 considered to be approved by the Department of Elderly  
28 Affairs.

29           (5) The Department of Elderly Affairs or its designee  
30 must approve the initial and continuing training provided in  
31 the facilities. The department must approve training offered

1 in a variety of formats, including, but not limited to,  
2 internet-based training, videos, teleconferencing, and  
3 classroom instruction. The department shall keep a list of  
4 current providers who are approved to provide initial and  
5 continuing training. The department shall adopt rules to  
6 establish standards for the trainers and the training required  
7 in this section.

8 (6) Upon completing any training listed in this  
9 section, the employee or direct caregiver shall be issued a  
10 certificate that includes the name of the training provider,  
11 the topic covered, and the date and signature of the training  
12 provider. The certificate is evidence of completion of  
13 training in the identified topic, and the employee or direct  
14 caregiver is not required to repeat training in that topic if  
15 the employee or direct caregiver changes employment to a  
16 different facility or to an assisted living facility, home  
17 health agency, adult day care center, or adult family-care  
18 home. The direct caregiver must comply with other applicable  
19 continuing education requirements.

20  
21 An employee hired on or after July 1, 2001, need not comply  
22 with the guidelines created in this section before July 1,  
23 2002.

24 Section 27. Subsections (3) and (4) of section 400.19,  
25 Florida Statutes, are amended to read:

26 400.19 Right of entry and inspection.--

27 (3) The agency shall every 15 months conduct at least  
28 one unannounced inspection to determine compliance by the  
29 licensee with statutes, and with rules promulgated under the  
30 provisions of those statutes, governing minimum standards of  
31 construction, quality and adequacy of care, and rights of

1 residents. The survey shall be conducted every 6 months for  
2 the next 2-year period if the facility has been cited for a  
3 class I deficiency, has been cited for two or more class II  
4 deficiencies arising from separate surveys or investigations  
5 within a 60-day period, or has had three or more substantiated  
6 complaints within a 6-month period, each resulting in at least  
7 one class I or class II deficiency. In addition to any other  
8 fees or fines in this part, the agency shall assess a fine for  
9 each facility that is subject to the 6-month survey cycle. The  
10 fine for the 2-year period shall be \$6,000, one-half to be  
11 paid at the completion of each survey. The agency may adjust  
12 this fine by the change in the Consumer Price Index, based on  
13 the 12 months immediately preceding the increase, to cover the  
14 cost of the additional surveys.The agency shall verify  
15 through subsequent inspection that any deficiency identified  
16 during the annual inspection is corrected. However, the  
17 agency may verify the correction of a class III or class IV  
18 deficiency unrelated to resident rights or resident care  
19 without reinspecting the facility if adequate written  
20 documentation has been received from the facility, which  
21 provides assurance that the deficiency has been corrected.  
22 The giving or causing to be given of advance notice of such  
23 unannounced inspections by an employee of the agency to any  
24 unauthorized person shall constitute cause for suspension of  
25 not fewer than 5 working days according to the provisions of  
26 chapter 110.

27 (4) The agency shall conduct unannounced onsite  
28 facility reviews following written verification of licensee  
29 noncompliance in instances in which a long-term care ombudsman  
30 council, pursuant to ss. 400.0071 and 400.0075, has received a  
31 complaint and has documented deficiencies in resident care or

1 in the physical plant of the facility that threaten the  
2 health, safety, or security of residents, or when the agency  
3 documents through inspection that conditions in a facility  
4 present a direct or indirect threat to the health, safety, or  
5 security of residents. However, the agency shall conduct ~~four~~  
6 ~~or more~~ unannounced onsite reviews every 3 months ~~within a~~  
7 ~~12-month period~~ of each facility while the facility ~~which~~ has  
8 a conditional license ~~licensure status~~. Deficiencies related  
9 to physical plant do not require followup reviews after the  
10 agency has determined that correction of the deficiency has  
11 been accomplished and that the correction is of the nature  
12 that continued compliance can be reasonably expected.

13 Section 28. Subsection (3) and paragraph (a) of  
14 subsection (5) of section 400.191, Florida Statutes, are  
15 amended to read:

16 400.191 Availability, distribution, and posting of  
17 reports and records.--

18 (3) Each nursing home facility licensee shall maintain  
19 as public information, available upon request, records of all  
20 cost and inspection reports pertaining to that facility that  
21 have been filed with, or issued by, any governmental agency.  
22 Copies of such reports shall be retained in such records for  
23 not less than 5 years from the date the reports are filed or  
24 issued.

25 (a) The agency shall quarterly publish a "Nursing Home  
26 Guide Watch List" to assist consumers in evaluating the  
27 quality of nursing home care in Florida. The watch list must  
28 identify each facility that met the criteria for a conditional  
29 licensure status on any day within the quarter covered by the  
30 list and each facility that was operating under bankruptcy  
31 protection on any day within the quarter. The watch list must

1 include, but is not limited to, the facility's name, address,  
2 and ownership; the county in which the facility operates; the  
3 license expiration date; the number of licensed beds; a  
4 description of the deficiency causing the facility to be  
5 placed on the list; any corrective action taken; and the  
6 cumulative number of times the facility has been on a watch  
7 list. The watch list must include a brief description  
8 regarding how to choose a nursing home, the categories of  
9 licensure, the agency's inspection process, an explanation of  
10 terms used in the watch list, and the addresses and phone  
11 numbers of the agency's managed care and health quality area  
12 offices.

13 (b) Upon publication of each quarterly watch list, the  
14 agency must transmit a copy of the watch list to each nursing  
15 home facility by mail and must make the watch list available  
16 on the agency's Internet web site.

17 (5) Every nursing home facility licensee shall:

18 (a) Post, in a sufficient number of prominent  
19 positions in the nursing home so as to be accessible to all  
20 residents and to the general public;

21 1. A concise summary of the last inspection report  
22 pertaining to the nursing home and issued by the agency, with  
23 references to the page numbers of the full reports, noting any  
24 deficiencies found by the agency and the actions taken by the  
25 licensee to rectify such deficiencies and indicating in such  
26 summaries where the full reports may be inspected in the  
27 nursing home.

28 2. A copy of the most recent version of the Florida  
29 Nursing Home Guide Watch List.

1           Section 29. Subsection (2) of section 400.211, Florida

18           Section 30. Subsections (2), (3), (7), and (8) of  
19 section 400.23, Florida Statutes, are amended to read:

20           400.23 Rules; evaluation and deficiencies; licensure  
21 status.--

22           (2) Pursuant to the intention of the Legislature, the  
23 agency, in consultation with the Department of Health and the  
24 Department of Elderly Affairs, shall adopt and enforce rules  
25 to implement this part, which shall include reasonable and  
26 fair criteria in relation to:

27           (a) The location and construction of the facility;  
28 including fire and life safety, plumbing, heating, cooling,  
29 lighting, ventilation, and other housing conditions which will  
30 ensure the health, safety, and comfort of residents, including  
31 an adequate call system. The agency shall establish standards

1 for facilities and equipment to increase the extent to which  
2 new facilities and a new wing or floor added to an existing  
3 facility after July 1, 1999, are structurally capable of

7 with facilities licensed under this part and report to the  
8 Governor and Legislature by April 1, 1999, its recommendations  
9 for cost-effective renovation standards to be applied to  
10 existing facilities.~~In making such rules, the agency shall be  
11 guided by criteria recommended by nationally recognized  
12 reputable professional groups and associations with knowledge  
13 of such subject matters. The agency shall update or revise  
14 such criteria as the need arises. All nursing homes must  
15 comply with those lifesafety code requirements and building  
16 code standards applicable at the time of approval of their  
17 construction plans. The agency may require alterations to a  
18 building if it determines that an existing condition  
19 constitutes a distinct hazard to life, health, or safety. The  
20 agency shall adopt fair and reasonable rules setting forth  
21 conditions under which existing facilities undergoing  
22 additions, alterations, conversions, renovations, or repairs  
23 shall be required to comply with the most recent updated or  
24 revised standards.

25 (b) The number and qualifications of all personnel,  
26 including management, medical, nursing, and other professional

31 its surroundings, including water supply, sewage disposal,

1 food handling, and general hygiene which will ensure the  
2 health and comfort of residents.

3 (d) The equipment essential to the health and welfare  
4 of the residents.

5 (e) A uniform accounting system.

6 (f) The care, treatment, and maintenance of residents  
7 and measurement of the quality and adequacy thereof, based on  
8 rules developed under this chapter and the Omnibus Budget  
9 Reconciliation Act of 1987 (Pub. L. No. 100-203) (December 22,  
10 1987), Title IV (Medicare, Medicaid, and Other Health-Related  
11 Programs), Subtitle C (Nursing Home Reform), as amended.

12 (g) The preparation and annual update of a  
13 comprehensive emergency management plan. The agency shall  
14 adopt rules establishing minimum criteria for the plan after  
15 consultation with the Department of Community Affairs. At a  
16 minimum, the rules must provide for plan components that  
17 address emergency evacuation transportation; adequate  
18 sheltering arrangements; postdisaster activities, including  
19 emergency power, food, and water; postdisaster transportation;  
20 supplies; staffing; emergency equipment; individual  
21 identification of residents and transfer of records; and  
22 responding to family inquiries. The comprehensive emergency  
23 management plan is subject to review and approval by the local  
24 emergency management agency. During its review, the local  
25 emergency management agency shall ensure that the following  
26 agencies, at a minimum, are given the opportunity to review  
27 the plan: the Department of Elderly Affairs, the Department  
28 of Health, the Agency for Health Care Administration, and the  
29 Department of Community Affairs. Also, appropriate volunteer  
30 organizations must be given the opportunity to review the  
31 plan. The local emergency management agency shall complete

1 its review within 60 days and either approve the plan or  
2 advise the facility of necessary revisions.

3 (h) The implementation of the consumer satisfaction  
4 survey pursuant to s. 400.0225; the availability,  
5 distribution, and posting of reports and records pursuant to  
6 s. 400.191; and the Gold Seal Program pursuant to s. 400.235.

7 (3)(a) The agency shall adopt rules providing for the  
8 minimum staffing requirements for nursing homes. These  
9 requirements shall include, for each nursing home facility, a  
10 minimum certified nursing assistant staffing of 2.3 hours of  
11 direct care per resident per day beginning January 1, 2002,  
12 increasing to 2.6 hours of direct care per resident per day  
13 beginning January 1, 2003, and increasing to 2.9 hours of  
14 direct care per resident per day beginning January 1, 2004.  
15 Beginning January 1, 2002 no facility shall staff below one  
16 certified nursing assistant per 20 residents, and a minimum  
17 licensed nursing staffing of 1.0 hour of direct resident care  
18 per resident per day but never below one licensed nurse per 40  
19 residents., including evening and night shifts and weekends.  
20 Nursing assistants employed under s. 400.211(2) may be  
21 included in computing the staffing ratio for certified nursing  
22 assistants only if they provide nursing assistance services to  
23 residents on a full-time basis. Each nursing home must  
24 document compliance with staffing standards as required under  
25 this paragraph and post daily Agency rules shall specify  
26 requirements for documentation of compliance with staffing  
27 standards, sanctions for violation of such standards, and  
28 requirements for daily posting of the names of staff on duty  
29 for the benefit of facility residents and the public. The  
30 agency shall recognize the use of licensed nurses for  
31 compliance with minimum staffing requirements for certified

1 nursing assistants, provided that the facility otherwise meets  
2 the minimum staffing requirements for licensed nurses and that  
3 the licensed nurses so recognized are performing the duties of  
4 a certified nursing assistant. Unless otherwise approved by  
5 the agency, licensed nurses counted towards the minimum  
6 staffing requirements for certified nursing assistants must  
7 exclusively perform the duties of a certified nursing  
8 assistant for the entire shift and shall not also be counted  
9 towards the minimum staffing requirements for licensed nurses.  
10 If the agency approved a facility's request to use a licensed  
11 nurse to perform both licensed nursing and certified nursing  
12 assistant duties, the facility must allocate the amount of  
13 staff time specifically spent on certified nursing assistant  
14 duties for the purpose of documenting compliance with minimum  
15 staffing requirements for certified and licensed nursing  
16 staff. In no event may the hours of a licensed nurse with dual  
17 job responsibilities be counted twice.

18 (b) The agency shall adopt rules to allow properly  
19 trained staff of a nursing facility, in addition to certified  
20 nursing assistants and licensed nurses, to assist residents  
21 with eating. The rules shall specify the minimum training  
22 requirements and shall specify the physiological conditions or  
23 disorders of residents which would necessitate that the eating  
24 assistance be provided by nursing personnel of the facility.  
25 Nonnursing staff providing eating assistance to residents  
26 under the provisions of this subsection shall not count  
27 towards compliance with minimum staffing standards.

28 (c) Licensed practical nurses licensed under chapter  
29 464 who are providing nursing services in nursing home  
30 facilities under this part may supervise the activities of  
31 other licensed practical nurses, certified nursing assistants,

1 and other unlicensed personnel providing services in such  
2 facilities in accordance with rules adopted by the Board of  
3 Nursing.

4 (7) The agency shall, at least every 15 months,  
5 evaluate all nursing home facilities and make a determination  
6 as to the degree of compliance by each licensee with the  
7 established rules adopted under this part as a basis for  
8 assigning a licensure status to that facility. The agency  
9 shall base its evaluation on the most recent inspection  
10 report, taking into consideration findings from other official  
11 reports, surveys, interviews, investigations, and inspections.  
12 The agency shall assign a licensure status of standard or  
13 conditional to each nursing home.

14 (a) A standard licensure status means that a facility  
15 has no class I or class II deficiencies, has corrected all  
16 class III deficiencies within the time established by the  
17 agency, ~~and is in substantial compliance at the time of the~~  
18 ~~survey with criteria established under this part, with rules~~  
19 ~~adopted by the agency, and, if applicable, with rules adopted~~  
20 ~~under the Omnibus Budget Reconciliation Act of 1987 (Pub. L.~~  
21 ~~No. 100-203) (December 22, 1987), Title IV (Medicare,~~  
22 ~~Medicaid, and Other Health-Related Programs), Subtitle C~~  
23 ~~(Nursing Home Reform), as amended.~~

24 (b) A conditional licensure status means that a  
25 facility, due to the presence of one or more class I or class  
26 II deficiencies, or class III deficiencies not corrected  
27 within the time established by the agency, is not in  
28 substantial compliance at the time of the survey with criteria  
29 established under this part or, with rules adopted by the  
30 agency, ~~or, if applicable, with rules adopted under the~~  
31 ~~Omnibus Budget Reconciliation Act of 1987 (Pub. L. No.~~

1 ~~100-203) (December 22, 1987), Title IV (Medicare, Medicaid,~~  
2 ~~and Other Health-Related Programs), Subtitle C (Nursing Home~~  
3 ~~Reform), as amended. If the facility has no class I, class  
4 II, or class III deficiencies ~~comes into substantial~~  
5 ~~compliance~~ at the time of the followup survey, a standard  
6 licensure status may be assigned.~~

7 (c) In evaluating the overall quality of care and  
8 services and determining whether the facility will receive a  
9 conditional or standard license, the agency shall consider the  
10 needs and limitations of residents in the facility and the  
11 results of interviews and surveys of a representative sampling  
12 of residents, families of residents, ombudsman council members  
13 in the planning and service area in which the facility is  
14 located, guardians of residents, and staff of the nursing home  
15 facility.

16 (d) The current licensure status of each facility must  
17 be indicated in bold print on the face of the license. A list  
18 of the deficiencies of the facility shall be posted in a  
19 prominent place that is in clear and unobstructed public view  
20 at or near the place where residents are being admitted to  
21 that facility. Licensees receiving a conditional licensure  
22 status for a facility shall prepare, within 10 working days  
23 after receiving notice of deficiencies, a plan for correction  
24 of all deficiencies and shall submit the plan to the agency  
25 for approval. ~~Correction of all deficiencies, within the~~  
26 ~~period approved by the agency, shall result in termination of~~  
27 ~~the conditional licensure status. Failure to correct the~~  
28 ~~deficiencies within a reasonable period approved by the agency~~  
29 ~~shall be grounds for the imposition of sanctions pursuant to~~  
30 ~~this part.~~

31

1 (e) Each licensee shall post its license in a  
2 prominent place that is in clear and unobstructed public view  
3 at or near the place where residents are being admitted to the  
4 facility.

5 (f) ~~Not later than January 1, 1994,~~The agency shall  
6 adopt rules that:

7 1. Establish uniform procedures for the evaluation of  
8 facilities.

9 2. Provide criteria in the areas referenced in  
10 paragraph (c).

11 3. Address other areas necessary for carrying out the  
12 intent of this section.

13 (8) The agency shall adopt rules to provide that, when  
14 the criteria established under subsection (2) are not met,  
15 such deficiencies shall be classified according to the nature  
16 and the scope of the deficiency. The scope shall be cited as  
17 isolated, patterned, or widespread. An isolated deficiency is  
18 a deficiency affecting one or a very limited number of  
19 residents, or involving one or a very limited number of staff,  
20 or a situation that occurred only occasionally or in a very  
21 limited number of locations. A patterned deficiency is a  
22 deficiency where more than a very limited number of residents  
23 are affected, or more than a very limited number of staff are  
24 involved, or the situation has occurred in several locations,  
25 or the same resident or residents have been affected by  
26 repeated occurrences of the same deficient practice but the  
27 effect of the deficient practice is not found to be pervasive  
28 throughout the facility. A widespread deficiency is a  
29 deficiency in which the problems causing the deficiency are  
30 pervasive in the facility or represent systemic failure that  
31 has affected or has the potential to affect a large portion of

1 the facility's residents.The agency shall indicate the  
2 classification on the face of the notice of deficiencies as  
3 follows:

4 (a) A class I deficiency is a deficiency that  
5 ~~deficiencies are those which~~ the agency determines presents a  
6 situation in which immediate corrective action is necessary  
7 because the facility's noncompliance has caused, or is likely  
8 to cause, serious injury, harm, impairment, or death to a  
9 resident receiving care in a facility ~~present an imminent~~  
10 ~~danger to the residents or guests of the nursing home facility~~  
11 ~~or a substantial probability that death or serious physical~~  
12 ~~harm would result therefrom.~~ The condition or practice  
13 constituting a class I violation shall be abated or eliminated  
14 immediately, unless a fixed period of time, as determined by  
15 the agency, is required for correction. ~~Notwithstanding s.~~  
16 ~~400.121(2),~~ A class I deficiency is subject to a civil penalty  
17 of \$10,000 for an isolated deficiency, \$12,500 for a patterned  
18 deficiency, and \$15,000 for a widespread ~~in an amount not less~~  
19 ~~than \$5,000 and not exceeding \$25,000 for each and every~~  
20 deficiency. The fine amount shall be doubled for each  
21 deficiency if the facility was previously cited for one or  
22 more class I or class II deficiencies during the last annual  
23 inspection or any inspection or complaint investigation since  
24 the last annual inspection. A fine must ~~may~~ be levied  
25 notwithstanding the correction of the deficiency.

26 (b) A class II deficiency is a deficiency that  
27 ~~deficiencies are those which~~ the agency determines has  
28 compromised the resident's ability to maintain or reach his or  
29 her highest practicable physical, mental, and psychosocial  
30 well-being, as defined by an accurate and comprehensive  
31 resident assessment, plan of care, and provision of services

1 ~~have a direct or immediate relationship to the health, safety,~~  
2 ~~or security of the nursing home facility residents, other than~~  
3 ~~class I deficiencies.~~ A class II deficiency is subject to a  
4 civil penalty of \$2,500 for an isolated deficiency, \$5,000 for  
5 a patterned deficiency, and \$7,500 for a widespread in an  
6 amount not less than \$1,000 and not exceeding \$10,000 for each  
7 and every deficiency. The fine amount shall be doubled for  
8 each deficiency if the facility was previously cited for one  
9 or more class I or class II deficiencies during the last  
10 annual inspection or any inspection or complaint investigation  
11 since the last annual inspection. A fine shall be levied  
12 notwithstanding the correction of the deficiency. ~~A citation~~  
13 ~~for a class II deficiency shall specify the time within which~~  
14 ~~the deficiency is required to be corrected. If a class II~~  
15 ~~deficiency is corrected within the time specified, no civil~~  
16 ~~penalty shall be imposed, unless it is a repeated offense.~~

17 (c) A class III deficiency is a deficiency that  
18 deficiencies are those which the agency determines will result  
19 in no more than minimal physical, mental, or psychosocial  
20 discomfort to the resident or has the potential to compromise  
21 the resident's ability to maintain or reach his or her highest  
22 practical physical, mental, or psychosocial well-being, as  
23 defined by an accurate and comprehensive resident assessment,  
24 plan of care, and provision of services to have an indirect or  
25 potential relationship to the health, safety, or security of  
26 the nursing home facility residents, other than class I or  
27 class II deficiencies. A class III deficiency is ~~shall be~~  
28 subject to a civil penalty of \$1,000 for an isolated  
29 deficiency, \$2,000 for a patterned deficiency, and \$3,000 for  
30 a widespread not less than \$500 and not exceeding \$2,500 for  
31 each and every deficiency. The fine amount shall be doubled

1 for each deficiency if the facility was previously cited for  
2 one or more class I or class II deficiencies during the last  
3 annual inspection or any inspection or complaint investigation  
4 since the last annual inspection.A citation for a class III  
5 deficiency must ~~shall~~ specify the time within which the  
6 deficiency is required to be corrected. If a class III  
7 deficiency is corrected within the time specified, no civil  
8 penalty shall be imposed, ~~unless it is a repeated offense.~~

9 (d) A class IV deficiency is a deficiency that the  
10 agency determines has the potential for causing no more than a  
11 minor negative impact on the resident. If the class IV  
12 deficiency is isolated, no plan of correction is required.

13 Section 31. Subsection (5) of section 400.235, Florida  
14 Statutes, is amended to read:

15 400.235 Nursing home quality and licensure status;  
16 Gold Seal Program.--

17 (5) Facilities must meet the following additional  
18 criteria for recognition as a Gold Seal Program facility:

19 (a) Had no class I or class II deficiencies within the  
20 30 months preceding application for the program.

21 (b) Evidence financial soundness and stability  
22 according to standards adopted by the agency in administrative  
23 rule.

24 (c) Participate consistently in the required consumer  
25 satisfaction process as prescribed by the agency, and  
26 demonstrate that information is elicited from residents,  
27 family members, and guardians about satisfaction with the  
28 nursing facility, its environment, the services and care  
29 provided, the staff's skills and interactions with residents,  
30 attention to resident's needs, and the facility's efforts to  
31

1 act on information gathered from the consumer satisfaction  
2 measures.

3 (d) Evidence the involvement of families and members  
4 of the community in the facility on a regular basis.

5 (e) Have a stable workforce, as described in s.  
6 400.141, as evidenced by a relatively low rate of turnover  
7 among certified nursing assistants and licensed nurses within  
8 the 30 months preceding application for the Gold Seal Program,  
9 and demonstrate a continuing effort to maintain a stable  
10 workforce and to reduce turnover of licensed nurses and  
11 certified nursing assistants.

12 (f) Evidence an outstanding record regarding the  
13 number and types of substantiated complaints reported to the  
14 State Long-Term Care Ombudsman Council within the 30 months  
15 preceding application for the program.

16 (g) Provide targeted inservice training provided to  
17 meet training needs identified by internal or external quality  
18 assurance efforts.

19

20 A facility assigned a conditional licensure status may not  
21 qualify for consideration for the Gold Seal Program until  
22 after it has operated for 30 months with no class I or class  
23 II deficiencies and has completed a regularly scheduled  
24 relicensure survey.

25 Section 32. Section 400.275, Florida Statutes, is  
26 created to read:

27 400.275 Agency duties.--

28 (1) The agency shall ensure that each newly hired  
29 nursing home surveyor, as a part of basic training, is  
30 assigned full-time to a licensed nursing home for at least 2  
31 days within a 7-day period to observe facility operations

1 outside of the survey process before the surveyor begins  
2 survey responsibilities. Such observations may not be the sole  
3 basis of a deficiency citation against the facility. The  
4 agency may not assign an individual to be a member of a survey  
5 team for purposes of a survey, evaluation, or consultation  
6 visit at a nursing home facility in which the surveyor was an  
7 employee within the preceding 5 years.

8 (2) The agency shall semiannually provide for joint  
9 training of nursing home surveyors and staff of facilities  
10 licensed under this part on at least one of the 10 federal  
11 citations that were most frequently issued against nursing  
12 facilities in this state during the previous calendar year.

13 (3) Each member of a nursing home survey team who is a  
14 health professional licensed under part I of chapter 464, part  
15 X of chapter 468, or chapter 491, shall earn not less than 50  
16 percent of required continuing education credits in geriatric  
17 care. Each member of a nursing home survey team who is a  
18 health professional licensed under chapter 465 shall earn not  
19 less than 30 percent of required continuing education credits  
20 in geriatric care.

21 (4) The agency must ensure that when a deficiency is  
22 related to substandard quality of care, a physician with  
23 geriatric experience licensed under chapter 458 or chapter 459  
24 or a registered nurse with geriatric experience licensed under  
25 chapter 464 participates in the agency's informal  
26 dispute-resolution process.

27 Section 33. Subsections (3) and (4) of section  
28 400.407, Florida Statutes, are amended to read:

29 400.407 License required; fee, display.--

30 (3) Any license granted by the agency must state the  
31 maximum resident capacity of the facility, the type of care

1 for which the license is granted, the date the license is  
2 issued, the expiration date of the license, and any other  
3 information deemed necessary by the agency. Licenses shall be  
4 issued for one or more of the following categories of care:  
5 standard, extended congregate care, limited nursing services,  
6 or limited mental health.

7 (a) A standard license shall be issued to facilities  
8 providing one or more of the personal services identified in  
9 s. 400.402. Such facilities may also employ or contract with a  
10 person licensed under part I of chapter 464 to administer  
11 medications and perform other tasks as specified in s.  
12 400.4255.

13 (b) An extended congregate care license shall be  
14 issued to facilities providing, directly or through contract,  
15 services beyond those authorized in paragraph (a), including  
16 acts performed pursuant to part I of chapter 464 by persons  
17 licensed thereunder, and supportive services defined by rule  
18 to persons who otherwise would be disqualified from continued  
19 residence in a facility licensed under this part.

20 1. In order for extended congregate care services to  
21 be provided in a facility licensed under this part, the agency  
22 must first determine that all requirements established in law  
23 and rule are met and must specifically designate, on the  
24 facility's license, that such services may be provided and  
25 whether the designation applies to all or part of a facility.  
26 Such designation may be made at the time of initial licensure  
27 or ~~biennial~~ relicensure, or upon request in writing by a  
28 licensee under this part. Notification of approval or denial  
29 of such request shall be made within 90 days after receipt of  
30 such request and all necessary documentation. Existing  
31 facilities qualifying to provide extended congregate care

1 services must have maintained a standard license and may not  
2 have been subject to administrative sanctions during the  
3 previous 2 years, or since initial licensure if the facility  
4 has been licensed for less than 2 years, for any of the  
5 following reasons:

- 6 a. A class I or class II violation;
- 7 b. Three or more repeat or recurring class III  
8 violations of identical or similar resident care standards as  
9 specified in rule from which a pattern of noncompliance is  
10 found by the agency;
- 11 c. Three or more class III violations that were not  
12 corrected in accordance with the corrective action plan  
13 approved by the agency;
- 14 d. Violation of resident care standards resulting in a  
15 requirement to employ the services of a consultant pharmacist  
16 or consultant dietitian;
- 17 e. Denial, suspension, or revocation of a license for  
18 another facility under this part in which the applicant for an  
19 extended congregate care license has at least 25 percent  
20 ownership interest; or
- 21 f. Imposition of a moratorium on admissions or  
22 initiation of injunctive proceedings.

23 2. Facilities that are licensed to provide extended  
24 congregate care services shall maintain a written progress  
25 report on each person who receives such services, which report  
26 describes the type, amount, duration, scope, and outcome of  
27 services that are rendered and the general status of the  
28 resident's health. A registered nurse, or appropriate  
29 designee, representing the agency shall visit such facilities  
30 at least quarterly ~~two times a year~~ to monitor residents who  
31 are receiving extended congregate care services and to

1 determine if the facility is in compliance with this part and  
2 with rules that relate to extended congregate care. One of  
3 these visits may be in conjunction with the regular ~~biennial~~  
4 survey. The monitoring visits may be provided through  
5 contractual arrangements with appropriate community agencies.  
6 A registered nurse shall serve as part of the team that  
7 ~~biennially~~ inspects such facility. The agency may waive one of  
8 the required yearly monitoring visits for a facility that has  
9 been licensed for at least 24 months to provide extended  
10 congregate care services, if, during the ~~biennial~~ inspection,  
11 the registered nurse determines that extended congregate care  
12 services are being provided appropriately, and if the facility  
13 has no class I or class II violations and no uncorrected class  
14 III violations. Before such decision is made, the agency shall  
15 consult with the long-term care ombudsman council for the area  
16 in which the facility is located to determine if any  
17 complaints have been made and substantiated about the quality  
18 of services or care. The agency may not waive one of the  
19 required yearly monitoring visits if complaints have been made  
20 and substantiated.

21 3. Facilities that are licensed to provide extended  
22 congregate care services shall:

23 a. Demonstrate the capability to meet unanticipated  
24 resident service needs.

25 b. Offer a physical environment that promotes a  
26 homelike setting, provides for resident privacy, promotes  
27 resident independence, and allows sufficient congregate space  
28 as defined by rule.

29 c. Have sufficient staff available, taking into  
30 account the physical plant and firesafety features of the  
31

1 building, to assist with the evacuation of residents in an  
2 emergency, as necessary.

3 d. Adopt and follow policies and procedures that  
4 maximize resident independence, dignity, choice, and  
5 decisionmaking to permit residents to age in place to the  
6 extent possible, so that moves due to changes in functional  
7 status are minimized or avoided.

8 e. Allow residents or, if applicable, a resident's  
9 representative, designee, surrogate, guardian, or attorney in  
10 fact to make a variety of personal choices, participate in  
11 developing service plans, and share responsibility in  
12 decisionmaking.

13 f. Implement the concept of managed risk.

14 g. Provide, either directly or through contract, the  
15 services of a person licensed pursuant to part I of chapter  
16 464.

17 h. In addition to the training mandated in s. 400.452,  
18 provide specialized training as defined by rule for facility  
19 staff.

20 4. Facilities licensed to provide extended congregate  
21 care services are exempt from the criteria for continued  
22 residency as set forth in rules adopted under s. 400.441.  
23 Facilities so licensed shall adopt their own requirements  
24 within guidelines for continued residency set forth by the  
25 department in rule. However, such facilities may not serve  
26 residents who require 24-hour nursing supervision. Facilities  
27 licensed to provide extended congregate care services shall  
28 provide each resident with a written copy of facility policies  
29 governing admission and retention.

30 5. The primary purpose of extended congregate care  
31 services is to allow residents, as they become more impaired,

1 the option of remaining in a familiar setting from which they  
2 would otherwise be disqualified for continued residency. A  
3 facility licensed to provide extended congregate care services  
4 may also admit an individual who exceeds the admission  
5 criteria for a facility with a standard license, if the  
6 individual is determined appropriate for admission to the  
7 extended congregate care facility.

8           6. Before admission of an individual to a facility  
9 licensed to provide extended congregate care services, the  
10 individual must undergo a medical examination as provided in  
11 s. 400.426(4) and the facility must develop a preliminary  
12 service plan for the individual.

13           7. When a facility can no longer provide or arrange  
14 for services in accordance with the resident's service plan  
15 and needs and the facility's policy, the facility shall make  
16 arrangements for relocating the person in accordance with s.  
17 400.428(1)(k).

18           8. Failure to provide extended congregate care  
19 services may result in denial of extended congregate care  
20 license renewal.

21           9. No later than January 1 of each year, the  
22 department, in consultation with the agency, shall prepare and  
23 submit to the Governor, the President of the Senate, the  
24 Speaker of the House of Representatives, and the chairs of  
25 appropriate legislative committees, a report on the status of,  
26 and recommendations related to, extended congregate care  
27 services. The status report must include, but need not be  
28 limited to, the following information:

29           a. A description of the facilities licensed to provide  
30 such services, including total number of beds licensed under  
31 this part.

1           b. The number and characteristics of residents  
2 receiving such services.

3           c. The types of services rendered that could not be  
4 provided through a standard license.

5           d. An analysis of deficiencies cited during licensure  
6 ~~biennial~~ inspections.

7           e. The number of residents who required extended  
8 congregate care services at admission and the source of  
9 admission.

10          f. Recommendations for statutory or regulatory  
11 changes.

12          g. The availability of extended congregate care to  
13 state clients residing in facilities licensed under this part  
14 and in need of additional services, and recommendations for  
15 appropriations to subsidize extended congregate care services  
16 for such persons.

17          h. Such other information as the department considers  
18 appropriate.

19          (c) A limited nursing services license shall be issued  
20 to a facility that provides services beyond those authorized  
21 in paragraph (a) and as specified in this paragraph.

22           1. In order for limited nursing services to be  
23 provided in a facility licensed under this part, the agency  
24 must first determine that all requirements established in law  
25 and rule are met and must specifically designate, on the  
26 facility's license, that such services may be provided. Such  
27 designation may be made at the time of initial licensure or  
28 ~~biennial~~ relicensure, or upon request in writing by a licensee  
29 under this part. Notification of approval or denial of such  
30 request shall be made within 90 days after receipt of such  
31 request and all necessary documentation. Existing facilities

1 qualifying to provide limited nursing services shall have  
2 maintained a standard license and may not have been subject to  
3 administrative sanctions that affect the health, safety, and  
4 welfare of residents for the previous 2 years or since initial  
5 licensure if the facility has been licensed for less than 2  
6 years.

7           2. Facilities that are licensed to provide limited  
8 nursing services shall maintain a written progress report on  
9 each person who receives such nursing services, which report  
10 describes the type, amount, duration, scope, and outcome of  
11 services that are rendered and the general status of the  
12 resident's health. A registered nurse representing the agency  
13 shall visit such facilities at least twice ~~once~~ a year to  
14 monitor residents who are receiving limited nursing services  
15 and to determine if the facility is in compliance with  
16 applicable provisions of this part and with related rules. The  
17 monitoring visits may be provided through contractual  
18 arrangements with appropriate community agencies. A  
19 registered nurse shall also serve as part of the team that  
20 ~~biennially~~ inspects such facility.

21           3. A person who receives limited nursing services  
22 under this part must meet the admission criteria established  
23 by the agency for assisted living facilities. When a resident  
24 no longer meets the admission criteria for a facility licensed  
25 under this part, arrangements for relocating the person shall  
26 be made in accordance with s. 400.428(1)(k), unless the  
27 facility is licensed to provide extended congregate care  
28 services.

29           (4)(a) The biennial license fee required of a facility  
30 is \$300 ~~\$240~~ per license, with an additional fee of \$50 ~~\$30~~  
31 per resident based on the total licensed resident capacity of

1 the facility, except that no additional fee will be assessed  
2 for beds designated for recipients of optional state  
3 supplementation payments provided for in s. 409.212. The total  
4 fee may not exceed \$10,000, no part of which shall be returned  
5 to the facility. The agency shall adjust the per bed license  
6 fee and the total licensure fee annually by not more than the  
7 change in the consumer price index based on the 12 months  
8 immediately preceding the increase.

9 (b) In addition to the total fee assessed under  
10 paragraph (a), the agency shall require facilities that are  
11 licensed to provide extended congregate care services under  
12 this part to pay an additional fee per licensed facility. The  
13 amount of the biennial fee shall be \$400 per license, with an  
14 additional fee of \$10 per resident based on the total licensed  
15 resident capacity of the facility.No part of this fee which  
16 shall be returned to the facility. The agency may adjust the  
17 per-bed license fee and the annual license fee once each year  
18 by not more than the average rate of inflation for the 12  
19 months immediately preceding the increase.

20 (c) In addition to the total fee assessed under  
21 paragraph (a), the agency shall require facilities that are  
22 licensed to provide limited nursing services under this part  
23 to pay an additional fee per licensed facility. The amount of  
24 the biennial fee shall be ~~\$250~~~~\$200~~ per license, with an  
25 additional fee of \$10 per resident based on the total licensed  
26 resident capacity of the facility. ~~The total biennial fee may~~  
27 ~~not exceed \$2,000.~~No part of this fee which shall be returned  
28 to the facility. The agency may adjust the per-bed license  
29 fee and the~~\$200~~ biennial license fee ~~and the maximum total~~  
30 ~~license fee~~ once each year by not more than the average rate

31

1 of inflation for the 12 months immediately preceding the  
2 increase.

3 Section 34. Paragraph (n) is added to subsection (1)  
4 of section 400.414, Florida Statutes, and subsection (8) is  
5 added to that section, to read:

6 400.414 Denial, revocation, or suspension of license;  
7 imposition of administrative fine; grounds.--

8 (1) The agency may deny, revoke, or suspend any  
9 license issued under this part, or impose an administrative  
10 fine in the manner provided in chapter 120, for any of the  
11 following actions by an assisted living facility, any person  
12 subject to level 2 background screening under s. 400.4174, or  
13 any facility employee:

14 (n) Any act constituting a ground upon which  
15 application for a license may be denied.

16  
17 Administrative proceedings challenging agency action under  
18 this subsection shall be reviewed on the basis of the facts  
19 and conditions that resulted in the agency action.

20 (8) The agency may issue a temporary license pending  
21 final disposition of a proceeding involving the suspension or  
22 revocation of an assisted living facility license.

23 Section 35. Section 400.419, Florida Statutes, is  
24 amended to read:

25 400.419 Violations; administrative fines.--

26 (1) Each violation of this part and adopted rules  
27 shall be classified according to the nature of the violation  
28 and the gravity of its probable effect on facility residents.  
29 The agency shall indicate the classification on the written  
30 notice of the violation as follows:

31

1 (a) Class "I" violations are those conditions or  
2 occurrences related to the operation and maintenance of a  
3 facility or to the personal care of residents which the agency  
4 determines present an imminent danger to the residents or  
5 guests of the facility or a substantial probability that death  
6 or serious physical or emotional harm would result therefrom.  
7 The condition or practice constituting a class I violation  
8 shall be abated or eliminated within 24 hours, unless a fixed  
9 period, as determined by the agency, is required for  
10 correction. A class I violation is subject to an  
11 administrative fine in an amount not less than \$5,000~~\$1,000~~  
12 and not exceeding \$10,000 for each violation. A fine may be  
13 levied notwithstanding the correction of the violation.

14 (b) Class "II" violations are those conditions or  
15 occurrences related to the operation and maintenance of a  
16 facility or to the personal care of residents which the agency  
17 determines directly threaten the physical or emotional health,  
18 safety, or security of the facility residents, other than  
19 class I violations. A class II violation is subject to an  
20 administrative fine in an amount not less than \$1,000~~\$500~~ and  
21 not exceeding \$5,000 for each violation. A citation for a  
22 class II violation must ~~shall~~ specify the time within which  
23 the violation is required to be corrected. ~~If a class II~~  
24 ~~violation is corrected within the time specified, no fine may~~  
25 ~~be imposed, unless it is a repeated offense.~~

26 (c) Class "III" violations are those conditions or  
27 occurrences related to the operation and maintenance of a  
28 facility or to the personal care of residents which the agency  
29 determines indirectly or potentially threaten the physical or  
30 emotional health, safety, or security of facility residents,  
31 other than class I or class II violations. A class III

1 violation is subject to an administrative fine of not less  
2 than ~~\$500~~\$100 and not exceeding \$1,000 for each violation. A  
3 citation for a class III violation must ~~shall~~ specify the time  
4 within which the violation is required to be corrected. If a  
5 class III violation is corrected within the time specified, no  
6 fine may be imposed, unless it is a repeated offense.

7 (d) Class "IV" violations are those conditions or  
8 occurrences related to the operation and maintenance of a  
9 building or to required reports, forms, or documents that do  
10 not have the potential of negatively affecting residents.  
11 These violations are of a type that the agency determines do  
12 not threaten the health, safety, or security of residents of  
13 the facility. A facility that does not correct a class IV  
14 violation within the time specified in the agency-approved  
15 corrective action plan is subject to an administrative fine of  
16 not less than ~~\$100~~\$50 nor more than \$200 for each violation.  
17 Any class IV violation that is corrected during the time an  
18 agency survey is being conducted will be identified as an  
19 agency finding and not as a violation.

20 ~~(2) The agency may set and levy a fine not to exceed~~  
21 ~~\$1,000 for each violation which cannot be classified according~~  
22 ~~to subsection (1). Such fines in the aggregate may not exceed~~  
23 ~~\$10,000 per survey.~~

24 ~~(2)~~(3) In determining if a penalty is to be imposed  
25 and in fixing the amount of the fine, the agency shall  
26 consider the following factors:

27 (a) The gravity of the violation, including the  
28 probability that death or serious physical or emotional harm  
29 to a resident will result or has resulted, the severity of the  
30 action or potential harm, and the extent to which the  
31 provisions of the applicable laws or rules were violated.

1 (b) Actions taken by the owner or administrator to  
2 correct violations.

3 (c) Any previous violations.

4 (d) The financial benefit to the facility of  
5 committing or continuing the violation.

6 (e) The licensed capacity of the facility.

7 (3)~~(4)~~ Each day of continuing violation after the date  
8 fixed for termination of the violation, as ordered by the  
9 agency, constitutes an additional, separate, and distinct  
10 violation.

11 (4)~~(5)~~ Any action taken to correct a violation shall  
12 be documented in writing by the owner or administrator of the  
13 facility and verified through followup visits by agency  
14 personnel. The agency may impose a fine and, in the case of an  
15 owner-operated facility, revoke or deny a facility's license  
16 when a facility administrator fraudulently misrepresents  
17 action taken to correct a violation.

18 (5)~~(6)~~ For fines that are upheld following  
19 administrative or judicial review, the violator shall pay the  
20 fine, plus interest at the rate as specified in s. 55.03, for  
21 each day beyond the date set by the agency for payment of the  
22 fine.

23 (6)~~(7)~~ Any unlicensed facility that continues to  
24 operate after agency notification is subject to a \$1,000 fine  
25 per day. ~~Each day beyond 5 working days after agency~~  
26 ~~notification constitutes a separate violation, and the~~  
27 ~~facility is subject to a fine of \$500 per day.~~

28 (7)~~(8)~~ Any licensed facility whose owner or  
29 administrator concurrently operates an unlicensed facility  
30 shall be subject to an administrative fine of \$5,000 per day.  
31 ~~Each day that the unlicensed facility continues to operate~~

1 ~~beyond 5 working days after agency notification constitutes a~~  
2 ~~separate violation, and the licensed facility shall be subject~~  
3 ~~to a fine of \$500 per day retroactive to the date of agency~~  
4 ~~notification.~~

5 (8)~~(9)~~ Any facility whose owner fails to apply for a  
6 change-of-ownership license in accordance with s. 400.412 and  
7 operates the facility under the new ownership is subject to a  
8 fine of not to exceed \$5,000.

9 (9)~~(10)~~ In addition to any administrative fines  
10 imposed, the agency may assess a survey fee, equal to the  
11 lesser of one half of the facility's biennial license and bed  
12 fee or \$500, to cover the cost of conducting initial complaint  
13 investigations that result in the finding of a violation that  
14 was the subject of the complaint or monitoring visits  
15 conducted under s. 400.428(3)(c) to verify the correction of  
16 the violations.

17 (10)~~(11)~~ The agency, as an alternative to or in  
18 conjunction with an administrative action against a facility  
19 for violations of this part and adopted rules, shall make a  
20 reasonable attempt to discuss each violation and recommended  
21 corrective action with the owner or administrator of the  
22 facility, prior to written notification. The agency, instead  
23 of fixing a period within which the facility shall enter into  
24 compliance with standards, may request a plan of corrective  
25 action from the facility which demonstrates a good faith  
26 effort to remedy each violation by a specific date, subject to  
27 the approval of the agency.

28 (11)~~(12)~~ Administrative fines paid by any facility  
29 under this section shall be deposited into the Health Care  
30 Trust Fund and expended as provided in s. 400.418.

31

1           ~~(12)(13)~~ The agency shall develop and disseminate an  
2 annual list of all facilities sanctioned or fined \$5,000 or  
3 more for violations of state standards, the number and class  
4 of violations involved, the penalties imposed, and the current  
5 status of cases. The list shall be disseminated, at no charge,  
6 to the Department of Elderly Affairs, the Department of  
7 Health, the Department of Children and Family Services, the  
8 area agencies on aging, the Florida Statewide Advocacy  
9 Council, and the state and local ombudsman councils. The  
10 Department of Children and Family Services shall disseminate  
11 the list to service providers under contract to the department  
12 who are responsible for referring persons to a facility for  
13 residency. The agency may charge a fee commensurate with the  
14 cost of printing and postage to other interested parties  
15 requesting a copy of this list.

16           Section 36. Section 400.423, Florida Statutes, is  
17 created to read:

18           400.423 Internal risk management and quality assurance  
19 program; adverse incidents and reporting requirements.--

20           (1) Every facility licensed under this part may, as  
21 part of its administrative functions, voluntarily establish a  
22 risk management and quality assurance program, the purpose of  
23 which is to assess resident care practices, facility incident  
24 reports, deficiencies cited by the agency, adverse incident  
25 reports, and resident grievances and develop plans of action  
26 to correct and respond quickly to identify quality  
27 differences.

28           (2) Every facility licensed under this part is  
29 required to maintain adverse incident reports. For purposes of  
30 this section, the term, "adverse incident" means:  
31

1           (a) An event over which facility personnel could  
2 exercise control rather than as a result of the resident's  
3 condition and results in:

4           1. Death;

5           2. Brain or spinal damage;

6           3. Permanent disfigurement;

7           4. Fracture or dislocation of bones or joints;

8           5. Any condition that required medical attention to  
9 which the resident has not given his or her consent, including  
10 failure to honor advanced directives;

11           6. Any condition that requires the transfer of the  
12 resident from the facility to a unit providing more acute care  
13 due to the incident rather than the resident's condition  
14 before the incident.

15           (b) Abuse, neglect, or exploitation as defined in s.  
16 415.102;

17           (c) Events reported to law enforcement; or

18           (d) Elopement.

19           (3) Licensed facilities shall provide within 1  
20 business day after the occurrence of an adverse incident, by  
21 electronic mail, facsimile, or United States mail, a  
22 preliminary report to the agency on all adverse incidents  
23 specified under this section. The report must include  
24 information regarding the identity of the affected resident,  
25 the type of adverse incident, and the status of the facility's  
26 investigation of the incident.

27           (4) Licensed facilities shall provide within 15 days,  
28 by electronic mail, facsimile, or United States mail, a full  
29 report to the agency on all adverse incidents specified in  
30 this section. The report must include the results of the  
31 facility's investigation into the adverse incident.

1           (5) Each facility shall report monthly to the agency  
2 any liability claim filed against it. The report must include  
3 the name of the resident, the dates of the incident leading to  
4 the claim, if applicable, and the type of injury or violation  
5 of rights alleged to have occurred. This report is not  
6 discoverable in any civil or administrative action, except in  
7 such actions brought by the agency to enforce the provisions  
8 of this part.

9           (6) The agency shall annually submit to the  
10 Legislature a report on assisted living facility adverse  
11 incident reports. The report must include the following  
12 information arranged by county:

13           (a) A total number of adverse incidents;

14           (b) A listing, by category, of the type of adverse  
15 incidents occurring within each category and the type of staff  
16 involved;

17           (c) A listing, by category, of the types of injuries,  
18 if any, and the number of injuries occurring within each  
19 category;

20           (d) Types of liability claims filed based on an  
21 adverse incident report or reportable injury; and

22           (e) Disciplinary action taken against staff,  
23 categorized by the type of staff involved.

24           (7) The information reported to the agency pursuant to  
25 subsection (3) which relates to persons licensed under chapter  
26 458, chapter 459, chapter 461, chapter 464, or chapter 465  
27 shall be reviewed by the agency. The agency shall determine  
28 whether any of the incidents potentially involved conduct by a  
29 health care professional who is subject to disciplinary  
30 action, in which case the provisions of s. 456.073 apply. The  
31 agency may investigate, as it deems appropriate, any such

1 incident and prescribe measures that must or may be taken in  
2 response to the incident. The agency shall review each  
3 incident and determine whether it potentially involved conduct  
4 by a health care professional who is subject to disciplinary  
5 action, in which case the provisions of s. 456.073 apply.

6 (8) If the agency, through its receipt of the adverse  
7 incident reports prescribed in this part or through any  
8 investigation, has reasonable belief that conduct by a staff  
9 member or employee of a licensed facility is grounds for  
10 disciplinary action by the appropriate board, the agency shall  
11 report this fact to such regulatory board.

12 (9) The adverse incident reports and preliminary  
13 adverse incident reports required under this section are  
14 confidential as provided by law and are not discoverable or  
15 admissible in any civil or administrative action, except in  
16 disciplinary proceedings by the agency or appropriate  
17 regulatory board.

18 (10) The Department of Elderly Affairs may adopt rules  
19 necessary to administer this section.

20 Section 37. Present subsections (7), (8), (9), (10),  
21 and (11) of section 400.426, Florida Statutes, are  
22 redesignated as subsections (8), (9), (10), (11), and (12),  
23 respectively, and a new subsection (7) is added to that  
24 section, to read:

25 400.426 Appropriateness of placements; examinations of  
26 residents.--

27 (7) The facility must notify a licensed physician when  
28 a resident exhibits signs of dementia or cognitive impairment  
29 or has a change of condition in order to rule out the presence  
30 of an underlying physiological condition that may be  
31 contributing to such dementia or impairment. The notification

1 must occur within 30 days after the acknowledgement of such  
2 signs by facility staff. If an underlying condition is  
3 determined to exist, the facility shall arrange, with the  
4 appropriate health care provider, the necessary care and  
5 services to treat the condition.

6 Section 38. Paragraph (k) of subsection (1) of section  
7 400.428, Florida Statutes, is amended to read:

8 400.428 Resident bill of rights.--

9 (1) No resident of a facility shall be deprived of any  
10 civil or legal rights, benefits, or privileges guaranteed by  
11 law, the Constitution of the State of Florida, or the  
12 Constitution of the United States as a resident of a facility.  
13 Every resident of a facility shall have the right to:

14 (k) At least 45 ~~30~~ days' notice of relocation or  
15 termination of residency from the facility unless, for medical  
16 reasons, the resident is certified by a physician to require  
17 an emergency relocation to a facility providing a more skilled  
18 level of care or the resident engages in a pattern of conduct  
19 that is harmful or offensive to other residents. In the case  
20 of a resident who has been adjudicated mentally incapacitated,  
21 the guardian shall be given at least 45 ~~30~~ days' notice of a  
22 nonemergency relocation or residency termination. Reasons for  
23 relocation shall be set forth in writing. In order for a  
24 facility to terminate the residency of an individual without  
25 notice as provided herein, the facility shall show good cause  
26 in a court of competent jurisdiction.

27 Section 39. Effective May 15, 2001, and applying to  
28 causes of action accruing on or after that date, section  
29 400.429, Florida Statutes, is amended to read:

30 400.429 Civil actions to enforce rights.--

31

1           (1) Any person or resident whose rights as specified  
2 in this part are violated shall have a cause of action ~~against~~  
3 ~~any facility owner, administrator, or staff responsible for~~  
4 ~~the violation.~~ The action may be brought by the resident or  
5 his or her guardian, or by a person or organization acting on  
6 behalf of a resident with the consent of the resident or his  
7 or her guardian, or by the personal representative of the  
8 estate of a deceased resident regardless of the cause of death  
9 ~~when the cause of death resulted from a violation of the~~  
10 ~~decedent's rights, to enforce such rights.~~ If the action  
11 alleges a claim for the resident's rights or for negligence  
12 that caused the death of the resident, the claimant shall be  
13 required to elect either survival damages pursuant to s.  
14 46.021 or wrongful death damages pursuant to s. 768.21. If the  
15 action alleges a claim for the resident's rights or for  
16 negligence that did not cause the death of the resident, the  
17 personal representative of the estate may recover damages for  
18 the negligence that caused injury to the resident.The action  
19 may be brought in any court of competent jurisdiction to  
20 enforce such rights and to recover actual damages, and  
21 punitive damages for violation of the rights of a resident or  
22 negligence ~~when malicious, wanton, or willful disregard of the~~  
23 ~~rights of others can be shown.~~ Any resident who prevails in  
24 seeking injunctive relief or a claim for an administrative  
25 remedy is entitled to recover the costs of the action and a  
26 reasonable attorney's fee assessed against the defendant not  
27 to exceed \$25,000. Fees shall be awarded solely for the  
28 injunctive or administrative relief and not for any claim or  
29 action for damages whether such claim or action is brought  
30 together with a request for an injunction or administrative  
31 relief or as a separate action, except as provided under s.

1 768.79 or the Florida Rules of Civil Procedure. Sections  
2 400.429-400.4303 provide the exclusive remedy for a cause of  
3 action for recovery of damages for the personal injury or  
4 death of a resident arising out of negligence or a violation  
5 of rights specified in s. 400.428. This section does not  
6 preclude theories of recovery not arising out of negligence or  
7 s. 400.428 which are available to a resident or to the agency.  
8 The provisions of chapter 766 do not apply to any cause of  
9 action brought under ss. 400.429-400.4303.~~Any plaintiff who~~  
10 ~~prevails in any such action may be entitled to recover~~  
11 ~~reasonable attorney's fees, costs of the action, and damages,~~  
12 ~~unless the court finds that the plaintiff has acted in bad~~  
13 ~~faith, with malicious purpose, and that there was a complete~~  
14 ~~absence of a justiciable issue of either law or fact. A~~  
15 ~~prevailing defendant may be entitled to recover reasonable~~  
16 ~~attorney's fees pursuant to s. 57.105. The remedies provided~~  
17 ~~in this section are in addition to and cumulative with other~~  
18 ~~legal and administrative remedies available to a resident or~~  
19 ~~to the agency.~~

20 (2) In any claim brought pursuant to this part  
21 alleging a violation of resident's rights or negligence  
22 causing injury to or the death of a resident, the claimant  
23 shall have the burden of proving, by a preponderance of the  
24 evidence, that:

- 25 (a) The defendant owed a duty to the resident;  
26 (b) The defendant breached the duty to the resident;  
27 (c) The breach of the duty is a legal cause of loss,  
28 injury, death, or damage to the resident; and  
29 (d) The resident sustained loss, injury, death, or  
30 damage as a result of the breach.

31

1 Nothing in this part shall be interpreted to create strict  
2 liability. A violation of the rights set forth in s. 400.428  
3 or in any other standard or guidelines specified in this part  
4 or in any applicable administrative standard or guidelines of  
5 this state or a federal regulatory agency shall be evidence of  
6 negligence but shall not be considered negligence per se.

7 (3) In any claim brought pursuant to s. 400.429, a  
8 licensee, person, or entity shall have a duty to exercise  
9 reasonable care. Reasonable care is that degree of care which  
10 a reasonably careful licensee, person, or entity would use  
11 under like circumstances.

12 (4) In any claim for resident's rights violation or  
13 negligence by a nurse licensed under part I of chapter 464,  
14 such nurse shall have the duty to exercise care consistent  
15 with the prevailing professional standard of care for a nurse.  
16 The prevailing professional standard of care for a nurse shall  
17 be that level of care, skill, and treatment which, in light of  
18 all relevant surrounding circumstances is recognized as  
19 acceptable and appropriate by reasonably prudent similar  
20 nurses.~~To recover attorney's fees under this section, the~~  
21 ~~following conditions precedent must be met:~~

22 ~~(a) Within 120 days after the filing of a responsive~~  
23 ~~pleading or defensive motion to a complaint brought under this~~  
24 ~~section and before trial, the parties or their designated~~  
25 ~~representatives shall meet in mediation to discuss the issues~~  
26 ~~of liability and damages in accordance with this paragraph for~~  
27 ~~the purpose of an early resolution of the matter.~~

28 ~~1. Within 60 days after the filing of the responsive~~  
29 ~~pleading or defensive motion, the parties shall:~~

30 ~~a. Agree on a mediator. If the parties cannot agree on~~  
31 ~~a mediator, the defendant shall immediately notify the court,~~

1 ~~which shall appoint a mediator within 10 days after such~~  
2 ~~notice.~~

3 ~~b. Set a date for mediation.~~

4 ~~c. Prepare an order for the court that identifies the~~  
5 ~~mediator, the scheduled date of the mediation, and other terms~~  
6 ~~of the mediation. Absent any disagreement between the parties,~~  
7 ~~the court may issue the order for the mediation submitted by~~  
8 ~~the parties without a hearing.~~

9 ~~2. The mediation must be concluded within 120 days~~  
10 ~~after the filing of a responsive pleading or defensive motion.~~  
11 ~~The date may be extended only by agreement of all parties~~  
12 ~~subject to mediation under this subsection.~~

13 ~~3. The mediation shall be conducted in the following~~  
14 ~~manner:~~

15 ~~a. Each party shall ensure that all persons necessary~~  
16 ~~for complete settlement authority are present at the~~  
17 ~~mediation.~~

18 ~~b. Each party shall mediate in good faith.~~

19 ~~4. All aspects of the mediation which are not~~  
20 ~~specifically established by this subsection must be conducted~~  
21 ~~according to the rules of practice and procedure adopted by~~  
22 ~~the Supreme Court of this state.~~

23 ~~(b) If the parties do not settle the case pursuant to~~  
24 ~~mediation, the last offer of the defendant made at mediation~~  
25 ~~shall be recorded by the mediator in a written report that~~  
26 ~~states the amount of the offer, the date the offer was made in~~  
27 ~~writing, and the date the offer was rejected. If the matter~~  
28 ~~subsequently proceeds to trial under this section and the~~  
29 ~~plaintiff prevails but is awarded an amount in damages,~~  
30 ~~exclusive of attorney's fees, which is equal to or less than~~  
31

1 ~~the last offer made by the defendant at mediation, the~~  
2 ~~plaintiff is not entitled to recover any attorney's fees.~~

3 ~~(c) This subsection applies only to claims for~~  
4 ~~liability and damages and does not apply to actions for~~  
5 ~~injunctive relief.~~

6 ~~(d) This subsection applies to all causes of action~~  
7 ~~that accrue on or after October 1, 1999.~~

8 ~~(5)(3)~~ Discovery of financial information for the  
9 purpose of determining the value of punitive damages may not  
10 be had unless the plaintiff shows the court by proffer or  
11 evidence in the record that a reasonable basis exists to  
12 support a claim for punitive damages.

13 ~~(6)(4)~~ In addition to any other standards for punitive  
14 damages, any award of punitive damages must be reasonable in  
15 light of the actual harm suffered by the resident and the  
16 egregiousness of the conduct that caused the actual harm to  
17 the resident.

18 (7) The resident or the resident's legal  
19 representative shall serve a copy of any complaint alleging in  
20 whole or in part a violation of any rights specified in this  
21 part to the Agency for Health Care Administration at the time  
22 of filing the initial complaint with the clerk of the court  
23 for the county in which the action is pursued. The requirement  
24 of providing a copy of the complaint to the agency does not  
25 impair the resident's legal rights or ability to seek relief  
26 for his or her claim.

27 Section 40. Effective May 15, 2001, and applying to  
28 causes of action accruing on or after that date, section  
29 400.4293, Florida Statutes, is created to read:

30  
31

1           400.4293 Presuit notice; investigation; notification  
2 of violation of residents' rights or alleged negligence;  
3 claims evaluation procedure; informal discovery; review.--

4           (1) As used in this section, the term:

5           (a) "Claim for residents' rights violation or  
6 negligence" means a negligence claim alleging injury to or the  
7 death of a resident arising out of an asserted violation of  
8 the rights of a resident under s. 400.428 or an asserted  
9 deviation from the applicable standard of care.

10           (b) "Insurer" means any self-insurer authorized under  
11 s. 627.357, liability insurance carrier, joint underwriting  
12 association, or uninsured prospective defendant.

13           (2) Prior to filing a claim for a violation of a  
14 resident's rights or a claim for negligence, a claimant  
15 alleging injury to or the death of a resident shall notify  
16 each prospective defendant by certified mail, return receipt  
17 requested, of an asserted violation of a resident's rights  
18 provided in s. 400.428 or deviation from the standard of care.  
19 Such notification shall include an identification of the  
20 rights the prospective defendant has violated and the  
21 negligence alleged to have caused the incident or incidents  
22 and a brief description of the injuries sustained by the  
23 resident which are reasonably identifiable at the time of  
24 notice. The notice shall contain a certificate of counsel that  
25 counsel's reasonable investigation gave rise to a good-faith  
26 belief that grounds exist for an action against each  
27 prospective defendant.

28           (3)(a) No suit may be filed for a period of 75 days  
29 after notice is mailed to any prospective defendant. During  
30 the 75-day period, the prospective defendants or their  
31 insurers shall conduct an evaluation of the claim to determine

1 the liability of each defendant and to evaluate the damages of  
2 the claimants. Each defendant or insurer of the defendant  
3 shall have a procedure for the prompt evaluation of claims  
4 during the 75-day period. The procedure shall include one or  
5 more of the following:

6 1. Internal review by a duly qualified facility risk  
7 manager or claims adjuster;

8 2. Internal review by counsel for each prospective  
9 defendant;

10 3. A quality assurance committee authorized under any  
11 applicable state or federal statutes or regulations; or

12 4. Any other similar procedure that fairly and  
13 promptly evaluates the claims.

14

15 Each defendant or insurer of the defendant shall evaluate the  
16 claim in good faith.

17 (b) At or before the end of the 75 days, the defendant  
18 or insurer of the defendant shall provide the claimant with a  
19 written response:

20 1. Rejecting the claim; or

21 2. Making a settlement offer.

22 (c) The response shall be delivered to the claimant if  
23 not represented by counsel or to the claimant's attorney, by  
24 certified mail, return receipt requested. Failure of the  
25 prospective defendant or insurer of the defendant to reply to  
26 the notice within 75 days after receipt shall be deemed a  
27 rejection of the claim for purposes of this section.

28 (4) The notification of a violation of a resident's  
29 rights or alleged negligence shall be served within the  
30 applicable statute of limitations period; however, during the  
31 75-day period, the statute of limitations is tolled as to all

1 prospective defendants. Upon stipulation by the parties, the  
2 75-day period may be extended and the statute of limitations  
3 is tolled during any such extension. Upon receiving written  
4 notice by certified mail, return receipt requested, of  
5 termination of negotiations in an extended period, the  
6 claimant shall have 60 days or the remainder of the period of  
7 the statute of limitations, whichever is greater, within which  
8 to file suit.

9 (5) No statement, discussion, written document,  
10 report, or other work product generated by presuit claims  
11 evaluation procedures under this section is discoverable or  
12 admissible in any civil action for any purpose by the opposing  
13 party. All participants, including, but not limited to,  
14 physicians, investigators, witnesses, and employees or  
15 associates of the defendant, are immune from civil liability  
16 arising from participation in the presuit claims evaluation  
17 procedure. Any licensed physician or registered nurse may be  
18 retained by either party to provide an opinion regarding the  
19 reasonable basis of the claim. The presuit opinions of the  
20 expert are not discoverable or admissible in any civil action  
21 for any purpose by the opposing party.

22 (6) Upon receipt by a prospective defendant of a  
23 notice of claim, the parties shall make discoverable  
24 information available without formal discovery as provided in  
25 subsection (7).

26 (7) Informal discovery may be used by a party to  
27 obtain unsworn statements and the production of documents or  
28 things, as follows:

29 (a) Unsworn statements.--Any party may require other  
30 parties to appear for the taking of an unsworn statement. Such  
31 statements may be used only for the purpose of claims

1 evaluation and are not discoverable or admissible in any civil  
2 action for any purpose by any party. A party seeking to take  
3 the unsworn statement of any party must give reasonable notice  
4 in writing to all parties. The notice must state the time and  
5 place for taking the statement and the name and address of the  
6 party to be examined. Unless otherwise impractical, the  
7 examination of any party must be done at the same time by all  
8 other parties. Any party may be represented by counsel at the  
9 taking of an unsworn statement. An unsworn statement may be  
10 recorded electronically, stenographically, or on videotape.  
11 The taking of unsworn statements is subject to the provisions  
12 of the Florida Rules of Civil Procedure and may be terminated  
13 for abuses.

14 (b) Documents or things.--Any party may request  
15 discovery of relevant documents or things. The documents or  
16 things must be produced, at the expense of the requesting  
17 party, within 20 days after the date of receipt of the  
18 request. A party is required to produce relevant and  
19 discoverable documents or things within that party's  
20 possession or control, if in good faith it can reasonably be  
21 done within the timeframe of the claims evaluation process.

22 (8) Each request for and notice concerning informal  
23 discovery pursuant to this section must be in writing, and a  
24 copy thereof must be sent to all parties. Such a request or  
25 notice must bear a certificate of service identifying the name  
26 and address of the person to whom the request or notice is  
27 served, the date of the request or notice, and the manner of  
28 service thereof.

29 (9) If a prospective defendant makes a written  
30 settlement offer, the claimant shall have 15 days from the  
31 date of receipt to accept the offer. An offer shall be deemed

1 rejected unless accepted by delivery of a written notice of  
2 acceptance.

3 (10) To the extent not inconsistent with this part,  
4 the provisions of the Florida Mediation Code, Florida Rules of  
5 Civil Procedure, shall be applicable to such proceedings.

6 (11) Within 30 days after the claimant's receipt of  
7 defendant's response to the claim, the parties or their  
8 designated representatives shall meet in mediation to discuss  
9 the issues of liability and damages in accordance with the  
10 mediation rules of practice and procedures adopted by the  
11 Supreme Court. Upon stipulation of the parties, this 30-day  
12 period may be extended and the statute of limitations is  
13 tolled during the mediation and any such extension. At the  
14 conclusion of mediation the claimant shall have 60 days or the  
15 remainder of the period of the statute of limitations,  
16 whichever is greater, within which to file suit.

17 Section 41. Effective May 15, 2001, and applying to  
18 causes of action accruing on or after that date, section  
19 400.4294, Florida Statutes, is created to read:

20 400.4294 Availability of facility records for  
21 investigation of resident's rights violations and defenses;  
22 penalty.--

23 (1) Failure to provide complete copies of a resident's  
24 records, including, but not limited to, all medical records  
25 and the resident's chart, within the control or possession of  
26 the facility within 10 days, in accordance with the provisions  
27 of s. 400.145, shall constitute evidence of failure of that  
28 party to comply with good-faith discovery requirements and  
29 shall waive the good-faith certificate and presuit notice  
30 requirements under this part by the requesting party.

31

1           (2) No facility shall be held liable for any civil  
2 damages as a result of complying with this section.

3           Section 42. Effective May 15, 2001, and applying to  
4 causes of action accruing on or after that date, section  
5 400.4295, Florida Statutes, is created to read:

6           400.4295 Certain provisions not applicable to actions  
7 under this part.--An action under this part for a violation of  
8 rights or negligence recognized herein is not a claim for  
9 medical malpractice, and the provisions of s. 768.21(8) do not  
10 apply to a claim alleging death of the resident.

11           Section 43. Effective May 15, 2001, section 400.4296,  
12 Florida Statutes, is created to read:

13           400.4296 Statute of limitations.--

14           (1) Any action for damages brought under this part  
15 shall be commenced within 2 years from the time the incident  
16 giving rise to the action occurred or within 2 years from the  
17 time the incident is discovered, or should have been  
18 discovered with the exercise of due diligence; however, in no  
19 event shall the action be commenced later than 4 years from  
20 the date of the incident or occurrence out of which the cause  
21 of action accrued.

22           (2) In those actions covered by this subsection in  
23 which it can be shown that fraudulent concealment or  
24 intentional misrepresentation of fact prevented the discovery  
25 of the injury, the period of limitations is extended forward 2  
26 years from the time that the injury is discovered with the  
27 exercise of due diligence, but in no event not more than 6  
28 years from the date the incident giving rise to the injury  
29 occurred.

30           (3) This section shall apply to causes of action that  
31 have accrued prior to the effective date of this section;

1 however, any such cause of action that would not have been  
2 barred under prior law may be brought within the time allowed  
3 by prior law or within 2 years after the effective date of  
4 this section, whichever is earlier, and will be barred  
5 thereafter. In actions where it can be shown that fraudulent  
6 concealment or intentional misrepresentation of fact prevented  
7 the discovery of the injury, the period of limitations is  
8 extended forward 2 years from the time that the injury is  
9 discovered with the exercise of due diligence, but in no event  
10 more than 4 years from the effective date of this section.

11 Section 44. Section 400.4297, Florida Statutes, is  
12 created to read:

13 400.4297 Punitive damages; pleading; burden of  
14 proof.--

15 (1) In any action for damages brought under this part,  
16 no claim for punitive damages shall be permitted unless there  
17 is a reasonable showing by evidence in the record or proffered  
18 by the claimant which would provide a reasonable basis for  
19 recovery of such damages. The claimant may move to amend her  
20 or his complaint to assert a claim for punitive damages as  
21 allowed by the rules of civil procedure. The rules of civil  
22 procedure shall be liberally construed so as to allow the  
23 claimant discovery of evidence which appears reasonably  
24 calculated to lead to admissible evidence on the issue of  
25 punitive damages. No discovery of financial worth shall  
26 proceed until after the pleading concerning punitive damages  
27 is permitted.

28 (2) A defendant may be held liable for punitive  
29 damages only if the trier of fact, based on clear and  
30 convincing evidence, finds that the defendant was personally  
31

1 guilty of intentional misconduct or gross negligence. As used  
2 in this section, the term:

3 (a) "Intentional misconduct" means that the defendant  
4 had actual knowledge of the wrongfulness of the conduct and  
5 the high probability that injury or damage to the claimant  
6 would result and, despite that knowledge, intentionally  
7 pursued that course of conduct, resulting in injury or damage.

8 (b) "Gross negligence" means that the defendant's  
9 conduct was so reckless or wanting in care that it constituted  
10 a conscious disregard or indifference to the life, safety, or  
11 rights of persons exposed to such conduct.

12 (3) In the case of an employer, principal,  
13 corporation, or other legal entity, punitive damages may be  
14 imposed for the conduct of an employee or agent only if the  
15 conduct of the employee or agent meets the criteria specified  
16 in subsection (2) and:

17 (a) The employer, principal, corporation, or other  
18 legal entity actively and knowingly participated in such  
19 conduct;

20 (b) The officers, directors, or managers of the  
21 employer, principal, corporation, or other legal entity  
22 condoned, ratified, or consented to such conduct; or

23 (c) The employer, principal, corporation, or other  
24 legal entity engaged in conduct that constituted gross  
25 negligence and that contributed to the loss, damages, or  
26 injury suffered by the claimant.

27 (4) The plaintiff must establish at trial, by clear  
28 and convincing evidence, its entitlement to an award of  
29 punitive damages. The "greater weight of the evidence" burden  
30 of proof applies to a determination of the amount of damages.

31

1           (5) This section is remedial in nature and shall take  
2 effect upon becoming a law.

3           Section 45. Section 400.4298, Florida Statutes, is  
4 created to read:

5           400.4298 Punitive damages; limitation.--

6           (1)(a) Except as provided in paragraphs (b) and (c),  
7 an award of punitive damages may not exceed the greater of:

8           1. Three times the amount of compensatory damages  
9 awarded to each claimant entitled thereto, consistent with the  
10 remaining provisions of this section; or

11           2. The sum of \$1 million.

12           (b) Where the fact finder determines that the wrongful  
13 conduct proven under this section was motivated primarily by  
14 unreasonable financial gain and determines that the  
15 unreasonably dangerous nature of the conduct, together with  
16 the high likelihood of injury resulting from the conduct, was  
17 actually known by the managing agent, director, officer, or  
18 other person responsible for making policy decisions on behalf  
19 of the defendant, it may award an amount of punitive damages  
20 not to exceed the greater of:

21           1. Four times the amount of compensatory damages  
22 awarded to each claimant entitled thereto, consistent with the  
23 remaining provisions of this section; or

24           2. The sum of \$4 million.

25           (c) Where the fact finder determines that at the time  
26 of injury the defendant had a specific intent to harm the  
27 claimant and determines that the defendant's conduct did in  
28 fact harm the claimant, there shall be no cap on punitive  
29 damages.

30           (d) This subsection is not intended to prohibit an  
31 appropriate court from exercising its jurisdiction under s.

1 768.74 in determining the reasonableness of an award of  
2 punitive damages that is less than three times the amount of  
3 compensatory damages.

4 (e) In any case in which the findings of fact support  
5 an award of punitive damages pursuant to paragraph (b) or  
6 paragraph (c), the clerk of the court shall refer the case to  
7 the appropriate law enforcement agencies, to the state  
8 attorney in the circuit where the long-term care facility that  
9 is the subject of the underlying civil cause of action is  
10 located, and, for multijurisdictional facility owners, to the  
11 Office of the Statewide Prosecutor; and such agencies, state  
12 attorney, or Office of the Statewide Prosecutor shall initiate  
13 a criminal investigation into the conduct giving rise to the  
14 award of punitive damages. All findings by the trier of fact  
15 which support an award of punitive damages under this  
16 paragraph shall be admissible as evidence in any subsequent  
17 civil or criminal proceeding relating to the acts giving rise  
18 to the award of punitive damages under this paragraph.

19 (2) The claimant's attorney's fees, if payable from  
20 the judgment, are, to the extent that the fees are based on  
21 the punitive damages, calculated based on the final judgment  
22 for punitive damages. This subsection does not limit the  
23 payment of attorney's fees based upon an award of damages  
24 other than punitive damages.

25 (3) The jury may neither be instructed nor informed as  
26 to the provisions of this section.

27 (4) Notwithstanding any other law to the contrary, the  
28 amount of punitive damages awarded pursuant to this section  
29 shall be equally divided between the claimant and the Quality  
30 of Long-Term Care Facility Improvement Trust Fund, in  
31 accordance with the following provisions:

1           (a) The clerk of the court shall transmit a copy of  
2 the jury verdict to the State Treasurer by certified mail. In  
3 the final judgment the court shall order the percentages of  
4 the award, payable as provided herein.

5           (b) A settlement agreement entered into between the  
6 original parties to the action after a verdict has been  
7 returned must provide a proportionate share payable to the  
8 Quality of Long-Term Care Facility Improvement Trust Fund  
9 specified herein. For purposes of this paragraph, a  
10 proportionate share is a 50-percent share of that percentage  
11 of the settlement amount which the punitive damages portion of  
12 the verdict bore to the total of the compensatory and punitive  
13 damages in the verdict.

14           (c) The Department of Banking and Finance shall  
15 collect or cause to be collected all payments due the state  
16 under this section. Such payments are made to the Comptroller  
17 and deposited in the appropriate fund specified in this  
18 subsection.

19           (d) If the full amount of punitive damages awarded  
20 cannot be collected, the claimant and the other recipient  
21 designated pursuant to this subsection are each entitled to a  
22 proportionate share of the punitive damages collected.

23           (5) This section is remedial in nature and shall take  
24 effect upon becoming a law.

25           Section 46. Section 400.434, Florida Statutes, is  
26 amended to read:

27           400.434 Right of entry and inspection.--Any duly  
28 designated officer or employee of the department, the  
29 Department of Children and Family Services, the agency, the  
30 state or local fire marshal, or a member of the state or local  
31 long-term care ombudsman council shall have the right to enter

1 unannounced upon and into the premises of any facility  
2 licensed pursuant to this part in order to determine the state  
3 of compliance with the provisions of this part and of rules or  
4 standards in force pursuant thereto. The right of entry and  
5 inspection shall also extend to any premises which the agency  
6 has reason to believe is being operated or maintained as a  
7 facility without a license; but no such entry or inspection of  
8 any premises may be made without the permission of the owner  
9 or person in charge thereof, unless a warrant is first  
10 obtained from the circuit court authorizing such entry. The  
11 warrant requirement shall extend only to a facility which the  
12 agency has reason to believe is being operated or maintained  
13 as a facility without a license. Any application for a  
14 license or renewal thereof made pursuant to this part shall  
15 constitute permission for, and complete acquiescence in, any  
16 entry or inspection of the premises for which the license is  
17 sought, in order to facilitate verification of the information  
18 submitted on or in connection with the application; to  
19 discover, investigate, and determine the existence of abuse or  
20 neglect; or to elicit, receive, respond to, and resolve  
21 complaints. Any current valid license shall constitute  
22 unconditional permission for, and complete acquiescence in,  
23 any entry or inspection of the premises by authorized  
24 personnel. The agency shall retain the right of entry and  
25 inspection of facilities that have had a license revoked or  
26 suspended within the previous 24 months, to ensure that the  
27 facility is not operating unlawfully. However, before entering  
28 the facility, a statement of probable cause must be filed with  
29 the director of the agency, who must approve or disapprove the  
30 action within 48 hours. Probable cause shall include, but is  
31 not limited to, evidence that the facility holds itself out to

1 the public as a provider of personal care services or the  
2 receipt of a complaint by the long-term care ombudsman council  
3 about the facility. Data collected by the state or local  
4 long-term care ombudsman councils or the state or local  
5 advocacy councils may be used by the agency in investigations  
6 involving violations of regulatory standards.

7 Section 47. Paragraph (h) of subsection (1) and  
8 subsection (4) of section 400.441, Florida Statutes, are  
9 amended to read:

10 400.441 Rules establishing standards.--

11 (1) It is the intent of the Legislature that rules  
12 published and enforced pursuant to this section shall include  
13 criteria by which a reasonable and consistent quality of  
14 resident care and quality of life may be ensured and the  
15 results of such resident care may be demonstrated. Such rules  
16 shall also ensure a safe and sanitary environment that is  
17 residential and noninstitutional in design or nature. It is  
18 further intended that reasonable efforts be made to  
19 accommodate the needs and preferences of residents to enhance  
20 the quality of life in a facility. In order to provide safe  
21 and sanitary facilities and the highest quality of resident  
22 care accommodating the needs and preferences of residents, the  
23 department, in consultation with the agency, the Department of  
24 Children and Family Services, and the Department of Health,  
25 shall adopt rules, policies, and procedures to administer this  
26 part, which must include reasonable and fair minimum standards  
27 in relation to:

28 (h) The care and maintenance of residents, which must  
29 include, but is not limited to:

- 30 1. The supervision of residents;
- 31 2. The provision of personal services;

1           3. The provision of, or arrangement for, social and  
2 leisure activities;

3           4. The arrangement for appointments and transportation  
4 to appropriate medical, dental, nursing, or mental health  
5 services, as needed by residents;

6           5. The management of medication;

7           6. The nutritional needs of residents; ~~and~~

8           7. Resident records; ~~and-~~

9           8. Internal risk management and quality assurance.

10           (4) The agency may use an abbreviated biennial  
11 standard licensure inspection that ~~which~~ consists of a review  
12 of key quality-of-care standards in lieu of a full inspection  
13 in facilities which have a good record of past performance.  
14 However, a full inspection shall be conducted in facilities  
15 which have had a history of class I or class II violations,  
16 uncorrected class III violations, confirmed ombudsman council  
17 complaints, or confirmed licensure complaints, within the  
18 previous licensure period immediately preceding the inspection  
19 or when a potentially serious problem is identified during the  
20 abbreviated inspection. The agency, in consultation with the  
21 department, shall develop the key quality-of-care standards  
22 with input from the State Long-Term Care Ombudsman Council and  
23 representatives of provider groups for incorporation into its  
24 rules. ~~Beginning on or before March 1, 1991,~~The department,  
25 in consultation with the agency, shall report annually to the  
26 Legislature concerning its implementation of this subsection.  
27 The report shall include, at a minimum, the key  
28 quality-of-care standards which have been developed; the  
29 number of facilities identified as being eligible for the  
30 abbreviated inspection; the number of facilities which have  
31 received the abbreviated inspection and, of those, the number

1 that were converted to full inspection; the number and type of  
2 subsequent complaints received by the agency or department on  
3 facilities which have had abbreviated inspections; any  
4 recommendations for modification to this subsection; any plans  
5 by the agency to modify its implementation of this subsection;  
6 and any other information which the department believes should  
7 be reported.

8 Section 48. Section 400.449, Florida Statutes, is  
9 created to read:

10 400.449 Resident records; penalties for alteration.--

11 (1) Any person who fraudulently alters, defaces, or  
12 falsifies any medical or other record of an assisted living  
13 facility, or causes or procures any such offense to be  
14 committed, commits a misdemeanor of the second degree,  
15 punishable as provided in s. 775.082 or s. 775.083.

16 (2) A conviction under subsection (1) is also grounds  
17 for restriction, suspension, or termination of license  
18 privileges.

19 Section 49. Paragraph (b) of subsection (2) of section  
20 409.908, Florida Statutes, is amended and subsection (22) is  
21 added to that section, to read:

22 409.908 Reimbursement of Medicaid providers.--Subject  
23 to specific appropriations, the agency shall reimburse  
24 Medicaid providers, in accordance with state and federal law,  
25 according to methodologies set forth in the rules of the  
26 agency and in policy manuals and handbooks incorporated by  
27 reference therein. These methodologies may include fee  
28 schedules, reimbursement methods based on cost reporting,  
29 negotiated fees, competitive bidding pursuant to s. 287.057,  
30 and other mechanisms the agency considers efficient and  
31 effective for purchasing services or goods on behalf of

1 recipients. Payment for Medicaid compensable services made on  
2 behalf of Medicaid eligible persons is subject to the  
3 availability of moneys and any limitations or directions  
4 provided for in the General Appropriations Act or chapter 216.  
5 Further, nothing in this section shall be construed to prevent  
6 or limit the agency from adjusting fees, reimbursement rates,  
7 lengths of stay, number of visits, or number of services, or  
8 making any other adjustments necessary to comply with the  
9 availability of moneys and any limitations or directions  
10 provided for in the General Appropriations Act, provided the  
11 adjustment is consistent with legislative intent.

12 (2)

13 (b) Subject to any limitations or directions provided  
14 for in the General Appropriations Act, the agency shall  
15 establish and implement a Florida Title XIX Long-Term Care  
16 Reimbursement Plan (Medicaid) for nursing home care in order  
17 to provide care and services in conformance with the  
18 applicable state and federal laws, rules, regulations, and  
19 quality and safety standards and to ensure that individuals  
20 eligible for medical assistance have reasonable geographic  
21 access to such care.

22 1. Changes of ownership or of licensed operator do not  
23 qualify for increases in reimbursement rates associated with  
24 the change of ownership or of licensed operator. The agency  
25 shall amend the Title XIX Long Term Care Reimbursement Plan to  
26 provide that the initial nursing home reimbursement rates, for  
27 the operating, patient care, and MAR components, associated  
28 with related and unrelated party changes of ownership or  
29 licensed operator filed on or after September 1, 2001, are  
30 equivalent to the previous owner's reimbursement rate.

31

1           2. The agency shall amend the long-term care  
2 reimbursement plan and cost reporting system to create direct  
3 care and indirect care subcomponents of the patient care  
4 component of the per diem rate. These two subcomponents  
5 together shall equal the patient care component of the per  
6 diem rate. Separate cost-based ceilings shall be calculated  
7 for each patient care subcomponent. The direct care  
8 subcomponent of the per diem rate shall be limited by the  
9 cost-based class ceiling and the indirect care subcomponent  
10 shall be limited by the lower of the cost-based class ceiling,  
11 by the target rate class ceiling or by the individual provider  
12 target. The agency shall adjust the patient care component  
13 effective January 1, 2002. The cost to adjust the direct care  
14 subcomponent shall be net of the total funds previously  
15 allocated for the case mix add-on. The agency shall make the  
16 required changes to the nursing home cost reporting forms to  
17 implement this requirement effective January 1, 2002.

18           3. The direct care subcomponent shall include salaries  
19 and benefits of direct care staff providing nursing services  
20 including registered nurses, licensed practical nurses, and  
21 certified nursing assistants who deliver care directly to  
22 residents in the nursing home facility. This excludes nursing  
23 administration, MDS, and care plan coordinators, staff  
24 development, and staffing coordinator.

25           4. All other patient care costs shall be included in  
26 the indirect care cost subcomponent of the patient care per  
27 diem rate. There shall be no costs directly or indirectly  
28 allocated to the direct care subcomponent from a home office  
29 or management company.

30           5. On July 1 of each year, the agency shall report to  
31 the Legislature direct and indirect care costs, including

1 average direct and indirect care costs per resident per  
2 facility and direct care and indirect care salaries and  
3 benefits per category of staff member per facility.

4 6. Under the plan, interim rate adjustments shall not  
5 be granted to reflect increases in the cost of general or  
6 professional liability insurance for nursing homes unless the  
7 following criteria are met: have at least a 65 percent  
8 Medicaid utilization in the most recent cost report submitted  
9 to the agency, and the increase in general or professional  
10 liability costs to the facility for the most recent policy  
11 period affects the total Medicaid per diem by at least 5  
12 percent. This rate adjustment shall not result in the per diem  
13 exceeding the class ceiling. This provision shall ~~apply only~~  
14 ~~to fiscal year 2000-2001 and shall be implemented to the~~  
15 ~~extent existing appropriations are available. The agency shall~~  
16 ~~report to the Governor, the Speaker of the House of~~  
17 ~~Representatives, and the President of the Senate by December~~  
18 ~~31, 2000, on the cost of liability insurance for Florida~~  
19 ~~nursing homes for fiscal years 1999 and 2000 and the extent to~~  
20 ~~which these costs are not being compensated by the Medicaid~~  
21 ~~program. Medicaid-participating nursing homes shall be~~  
22 ~~required to report to the agency information necessary to~~  
23 ~~compile this report. Effective no earlier than the~~  
24 ~~rate-setting period beginning April 1, 1999, the agency shall~~  
25 ~~establish a case-mix reimbursement methodology for the rate of~~  
26 ~~payment for long-term care services for nursing home~~  
27 ~~residents. The agency shall compute a per diem rate for~~  
28 ~~Medicaid residents, adjusted for case mix, which is based on a~~  
29 ~~resident classification system that accounts for the relative~~  
30 ~~resource utilization by different types of residents and which~~  
31 ~~is based on level-of-care data and other appropriate data. The~~

1 ~~case-mix methodology developed by the agency shall take into~~  
2 ~~account the medical, behavioral, and cognitive deficits of~~  
3 ~~residents. In developing the reimbursement methodology, the~~  
4 ~~agency shall evaluate and modify other aspects of the~~  
5 ~~reimbursement plan as necessary to improve the overall~~  
6 ~~effectiveness of the plan with respect to the costs of patient~~  
7 ~~care, operating costs, and property costs. In the event~~  
8 ~~adequate data are not available, the agency is authorized to~~  
9 ~~adjust the patient's care component or the per diem rate to~~  
10 ~~more adequately cover the cost of services provided in the~~  
11 ~~patient's care component. The agency shall work with the~~  
12 ~~Department of Elderly Affairs, the Florida Health Care~~  
13 ~~Association, and the Florida Association of Homes for the~~  
14 ~~Aging in developing the methodology.~~

15

16 It is the intent of the Legislature that the reimbursement  
17 plan achieve the goal of providing access to health care for  
18 nursing home residents who require large amounts of care while  
19 encouraging diversion services as an alternative to nursing  
20 home care for residents who can be served within the  
21 community. The agency shall base the establishment of any  
22 maximum rate of payment, whether overall or component, on the  
23 available moneys as provided for in the General Appropriations  
24 Act. The agency may base the maximum rate of payment on the  
25 results of scientifically valid analysis and conclusions  
26 derived from objective statistical data pertinent to the  
27 particular maximum rate of payment.

28 (22) The agency shall request and implement Medicaid  
29 waivers from the federal Health Care Financing Administration  
30 to advance and treat a portion of the Medicaid nursing home  
31 per diem as capital for creating and operating a

1 risk-retention group for self-insurance purposes, consistent  
2 with federal and state laws and rules.

3 Section 50. Section 464.203, Florida Statutes, is  
4 amended to read:

5 464.203 Certified nursing assistants; certification  
6 requirement.--

7 (1) The board shall issue a certificate to practice as  
8 a certified nursing assistant to any person who demonstrates a

10 the required Level I or Level II screening pursuant to s.  
11 400.215 and meets one of the following requirements:

13 program and achieved a minimum score, established by rule of  
14 the board, on the nursing assistant competency examination,

17 by personnel approved by the department.

18 (b) Has achieved a minimum score, established by rule  
19 of the board, on the nursing assistant competency examination,

- 23 1. Has a high school diploma, or its equivalent; or  
24 2. Is at least 18 years of age.

30 Enterprise Florida Jobs and Education Partnership Grant and

1 the nursing assistant competency examination, which consists

3 approved by the board and administered at a site and by  
4 personnel approved by the department.

5 (2) If an applicant fails to pass the nursing  
6 assistant competency examination in three attempts, the  
7 applicant is not eligible for reexamination unless the  
8 applicant completes an approved training program.

9 (3) An oral examination shall be administered as a  
10 substitute for the written portion of the examination upon  
11 request. The oral examination shall be administered at a site  
12 and by personnel approved by the department.

13 (4) The board shall adopt rules to provide for the  
14 initial certification of certified nursing assistants.

15 (5) Certification as a nursing assistant, in  
16 accordance with this part, continues in effect until such time  
17 as the nursing assistant allows a period of 24 consecutive  
18 months to pass during which period the nursing assistant fails  
19 to perform any nursing-related services for monetary  
20 compensation. When a nursing assistant fails to perform any  
21 nursing-related services for monetary compensation for a  
22 period of 24 consecutive months, the nursing assistant must  
23 complete a new training and competency evaluation program or a  
24 new competency evaluation program.

25 ~~(6)(5)~~ A certified nursing assistant shall maintain a  
26 current address with the board in accordance with s. 456.035.

27 (7) A certified nursing assistant shall complete 18  
28 hours of inservice training during each calendar year. The

30 maintaining documentation demonstrating compliance with these  
31 provisions. The Council on Certified Nursing Assistants, in

1 accordance with s. 464.0285(2)(b), shall propose rules to  
2 implement this subsection.

3 Section 51. Subsection (2) of section 397.405, Florida  
4 Statutes, is amended to read:

5 397.405 Exemptions from licensure.--The following are  
6 exempt from the licensing provisions of this chapter:

7 (2) A nursing home facility as defined in s. 400.021  
8 ~~s. 400.021(12)~~.

9  
10 The exemptions from licensure in this section do not apply to  
11 any facility or entity which receives an appropriation, grant,  
12 or contract from the state to operate as a service provider as  
13 defined in this chapter or to any substance abuse program  
14 regulated pursuant to s. 397.406. No provision of this  
15 chapter shall be construed to limit the practice of a  
16 physician licensed under chapter 458 or chapter 459, a  
17 psychologist licensed under chapter 490, or a psychotherapist  
18 licensed under chapter 491, providing outpatient or inpatient  
19 substance abuse treatment to a voluntary patient, so long as  
20 the physician, psychologist, or psychotherapist does not  
21 represent to the public that he or she is a licensed service  
22 provider under this act. Failure to comply with any  
23 requirement necessary to maintain an exempt status under this  
24 section is a misdemeanor of the first degree, punishable as  
25 provided in s. 775.082 or s. 775.083.

26 Section 52. Notwithstanding the establishment of need  
27 as provided for in chapter 408, Florida Statutes, no  
28 certificate of need for additional community nursing home beds  
29 shall be approved by the agency until July 1, 2006. The  
30 Legislature finds that the continued growth in the Medicaid  
31 budget for nursing home care has constrained the ability of

1 the state to meet the needs of its elderly residents through  
2 the use of less restrictive and less institutional methods of  
3 long-term care. It is therefore the intent of the Legislature  
4 to limit the increase in Medicaid nursing home expenditures in  
5 order to provide funds to invest in long-term care that is  
6 community-based and provides supportive services in a manner  
7 that is both more cost-effective and more in keeping with the  
8 wishes of the elderly residents of this state. This moratorium  
9 on certificates of need shall not apply to sheltered nursing  
10 home beds in a continuing care retirement community certified  
11 by the Department of Insurance pursuant to chapter 651,  
12 Florida Statutes.

13           Section 53. Subsections (3) and (8) of section  
14 400.0255, Florida Statutes, as amended by section 138 of  
15 chapter 2000-349, section 3 of chapter 2000-350, and section  
16 58 of chapter 2000-367, Laws of Florida, are reenacted to  
17 read:

18           400.0255 Resident transfer or discharge; requirements  
19 and procedures; hearings.--

20           (3) When a discharge or transfer is initiated by the  
21 nursing home, the nursing home administrator employed by the  
22 nursing home that is discharging or transferring the resident,  
23 or an individual employed by the nursing home who is  
24 designated by the nursing home administrator to act on behalf  
25 of the administration, must sign the notice of discharge or  
26 transfer. Any notice indicating a medical reason for transfer  
27 or discharge must either be signed by the resident's attending  
28 physician or the medical director of the facility, or include  
29 an attached written order for the discharge or transfer. The  
30 notice or the order must be signed by the resident's

31

1 physician, medical director, treating physician, nurse  
2 practitioner, or physician assistant.

3 (8) The notice required by subsection (7) must be in  
4 writing and must contain all information required by state and  
5 federal law, rules, or regulations applicable to Medicaid or  
6 Medicare cases. The agency shall develop a standard document  
7 to be used by all facilities licensed under this part for  
8 purposes of notifying residents of a discharge or transfer.  
9 Such document must include a means for a resident to request  
10 the local long-term care ombudsman council to review the  
11 notice and request information about or assistance with  
12 initiating a fair hearing with the department's Office of  
13 Appeals Hearings. In addition to any other pertinent  
14 information included, the form shall specify the reason  
15 allowed under federal or state law that the resident is being  
16 discharged or transferred, with an explanation to support this  
17 action. Further, the form shall state the effective date of  
18 the discharge or transfer and the location to which the  
19 resident is being discharged or transferred. The form shall  
20 clearly describe the resident's appeal rights and the  
21 procedures for filing an appeal, including the right to  
22 request the local ombudsman council to review the notice of  
23 discharge or transfer. A copy of the notice must be placed in  
24 the resident's clinical record, and a copy must be transmitted  
25 to the resident's legal guardian or representative and to the  
26 local ombudsman council within 5 business days after signature  
27 by the resident or resident designee.

28 Section 54. Subsection (5) of section 400.23, Florida  
29 Statutes, as amended by section 6 of chapter 2000-350, Laws of  
30 Florida, is reenacted to read:

31

1           400.23 Rules; evaluation and deficiencies; licensure  
2 status.--

3           (5) The agency, in collaboration with the Division of  
4 Children's Medical Services of the Department of Health, must,  
5 no later than December 31, 1993, adopt rules for minimum  
6 standards of care for persons under 21 years of age who reside  
7 in nursing home facilities. The rules must include a  
8 methodology for reviewing a nursing home facility under ss.  
9 408.031-408.045 which serves only persons under 21 years of  
10 age. A facility may be exempt from these standards for  
11 specific persons between 18 and 21 years of age, if the  
12 person's physician agrees that minimum standards of care based  
13 on age are not necessary.

14           Section 55. Subsection (2) of section 400.191, Florida  
15 Statutes, as amended by section 5 of chapter 2000-350, Laws of  
16 Florida, and subsection (6) of that section, as created by  
17 section 5 of chapter 2000-350, Laws of Florida, are reenacted  
18 to read:

20 reports and records.--
