13 Be It Enacted by the Legislature of the State of Florida:

14
15 Section 1. Partnership for Quality Medical and Dental
16 Education pilot project.--For the purpose of increasing the
17 participation of underrepresented groups, such as economically
18 disadvantaged youth and minority students, in the fields of
19 medical and dental education, a partnership pilot project is
20 hereby created between the undergraduate science programs at
21 Florida Agricultural and Mechanical University and the
22 graduate medical and dental programs at the University of
23 Florida and the University of South Florida. The project shall
24 provide the following for Florida Agricultural and Mechanical
25 University students participating in the pilot project:

26 (1) Florida Agricultural and Mechanical University
27 will be responsible for providing students enrolled in the
28 first 2 years of the program with education in the basic
29 sciences that corresponds with those courses required of
30 students enrolled in the medical and dental programs at the
31 University of Florida and the University of South Florida.
