after the period insert:

16

If a charter school or public school teacher has completed the requirements in s. 231.17(2)(g), except the demonstration of general knowledge of mathematics, that person may continue employment as a teacher for the 3 years during which the temporary certificate is valid, if the teacher does not teach mathematics above the 4th-grade level and the teacher is enrolled in a state-approved program designed to improve mathematics skills. If the teacher has not completed the mathematics requirement after 3 school years, the school district may not continue to employ him or her in a position for which a temporary certificate is required.
