The Committee on State Administration offered the following:

Amendment (with title amendment)

On page 1, line 29 through page 2, line 15,
remove from the bill: all of said lines

and insert in lieu thereof: s. 24(a), Art. I of the State Constitution. Technical information means system trunking format data, mobile data terminal information, coded radio identification information, information pertaining to internal system structuring (agency/fleet/subfleet structure and identification data), system keys, encryption codes used to facilitate secure communications, and control channel data format information.

Section 2. The Legislature finds that it is a public necessity that technical information pertaining to trunking radio communications systems and mobile data communications systems used by state, county, and municipal government agencies be made exempt from public disclosure. The Legislature further finds that disclosure of such technical information involves risks that communications carried on such
