19	(d) "Financially feasible" means that a capital
20	improvements program will be financed for each year of the
21	planning period, without a financial deficit, based on
22	projected revenues from existing and committed revenue sources
23	so that the adopted level-of-service standard will be achieved
24	and maintained in the planning period. Revenue sources may
25	include, but are not limited to, ad valorem taxes, state
26	revenue distributions, proceeds from the sale of bonds, sales
27	tax proceeds, or other general tax sources. Local option
28	revenue sources requiring approval by a referendum of the
29	electors shall be deemed an existing or committed revenue
30	source only after approval in the required referendum. The
