Senator Lawson moved the following amendment:

Senate Amendment

On page 8, line 27, after the period,

insert: If an individual has completed the requirements in paragraph (2)(g), except the demonstration of general knowledge of mathematics, that person may continue employment as a teacher for the 3 years during which the temporary certificate is valid, if the teacher does not teach mathematics above the 4th-grade level and the teacher is enrolled in a state-approved program designed to improve mathematics skills. If the teacher has not completed the mathematics requirement after 3 school years, the school district may not continue to employ him or her in a position for which a temporary certificate is required.
