

By Senator Mitchell

4-899-01

1                                   A bill to be entitled  
2           An act creating the Technology Enterprise  
3           Operating Trust Fund; carrying forward current  
4           balances and continuing current sources and  
5           uses thereof; providing a contingent effective  
6           date.

7  
8           WHEREAS, the Legislature recognizes the need for  
9           strategic investment in information technology to deliver  
10          services to the public, and

11          WHEREAS, the Legislature recognizes information and  
12          information technology as a strategic asset of the state which  
13          should be managed as a valuable state resource, and

14          WHEREAS, the Legislature wishes to deploy information  
15          technology in a cost-effective and efficient manner, and

16          WHEREAS, the Legislature has found a public policy for  
17          establishing one operating trust fund for information  
18          technology operations, NOW, THEREFORE,

19  
20          Be It Enacted by the Legislature of the State of Florida:

21  
22                  Section 1. The Technology Enterprise Operating Trust  
23          Fund is created in the State Technology Office in the  
24          Department of Management Services pursuant to section 19(f),  
25          Article III of the State Constitution.

26                  Section 2. All current balances of the Communications  
27          Working Capital Trust Fund and the Working Capital Trust Fund  
28          in the Department of Management Services, and all current  
29          sources and uses of the trust fund, are transferred to the  
30          Technology Enterprise Operating Trust Fund (72 2621).
