On page 3, line 27, of the bill

insert:

Section 1. (1) Subsection (3) is added to section 766.301, Florida Statutes, to read:

766.301 Legislative findings and intent.--

(3) In order to maintain the actuarial soundness of the compensation scheme for birth-related neurological injuries as established in ss. 766.301-766.316, the Legislature hereby clarifies its original intent with respect to the distinction between the payment of actual expenses for medical necessities, which is authorized in s. 766.31(1)(a), and the award of up to \$125,000 for the parents or legal guardians of neurologically injured infants, which is authorized in s. 766.31(1)(b). It has always been the intent of the Legislature that the term "actual expenses," as used in s. 766.31(1)(a), means only out-of-pocket, monetary expenditures for the professionally rendered care of a

2 time spent by a parent or other family member in providing  
3 care to an eligible infant, and that s. 766.31(1)(b) has been  
4 and remains the exclusive source of funds for parents or legal  
5 guardians irrespective of the time, activities, and services  
6 they devote to the care and welfare of an eligible  
7 neurologically injured infant.

15 section 766.301, Florida Statutes, by this section is to  
16 clarify legislative intent with respect to the term "actual  
17 expenses" as used in paragraph (a) of subsection (1) of  
18 section 766.31, Florida Statutes, and the term "award" as used  
19 in paragraph (b) of subsection (1) of section 766.31, Florida  
20 Statutes.
