The Council for Healthy Communities offered the following:

Amendment

On page 63, between lines 23 and 24 of the bill

insert:

(3) The agency shall every 15 months conduct at least one unannounced inspection to determine compliance by the licensee with statutes, and with rules promulgated under the provisions of those statutes, governing minimum standards of construction, quality and adequacy of care, and rights of residents. This survey shall be conducted every 6 months, for the next two year period, if the facility has been cited for a Class I deficiency, or two or more Class II deficiencies arising from separate surveys or investigations within a 60 day period, or has had three or more substantiated complaints within a six month period, each resulting in at least one Class I or II deficiency. In addition to any other fees or fines in this part, the agency shall assess a survey fee for each facility that is subject to the 6-month survey cycle. The additional survey fee for the two-year period shall be \$6,000,

Amendment No. ____ (for drafter's use only)

1 one-half to be paid at the completion of each survey. The
2 agency may adjust this fee by the consumer price index based
3 on the 12 months immediately preceding the increase to cover
4 the cost of the additional surveys.The agency shall verify
5 through subsequent inspection that any deficiency identified
6 during the annual inspection is corrected. However, the
7 agency may verify the correction of a class III or class IV
8 deficiency unrelated to resident rights or resident care
9 without reinspecting the facility if adequate written
10 documentation has been received from the facility as required,
11 which provides assurance that the deficiency has been
12 corrected. The giving or causing to be given of advance
13 notice of such unannounced inspections by an employee of the
14 agency to any unauthorized person shall constitute cause for
15 suspension of not fewer than 5 working days according to the
16 provisions of chapter 110.

17 (4) The agency shall conduct unannounced onsite
18 facility reviews following written verification of licensee
19 noncompliance in instances in which a long-term care ombudsman
20 council, pursuant to ss. 400.0071 and 400.0075, has received a
21 complaint and has documented deficiencies in resident care or
22 in the physical plant of the facility that threaten the
23 health, safety, or security of residents, or when the agency
24 documents through inspection that conditions in a facility
25 present a direct or indirect threat to the health, safety, or
26 security of residents. However, the agency shall conduct ~~four~~
27 ~~or more~~ unannounced onsite reviews every 3 months ~~within a~~
28 ~~12-month period~~ of each facility while the facility ~~which~~ has
29 a conditional license ~~licensure status~~. Deficiencies related
30 to physical plant do not require followup reviews after the
31 agency has determined that correction of the deficiency has
