Amendment No. ____ (for drafter's use only)

101.5608 Voting by electronic or electromechanical 1 2 method; procedures. --3 (2) When an electronic or electromechanical voting 4 system utilizes a ballot card or paper ballot, the following 5 procedures shall be followed: (b) Any voter who spoils his or her ballot or makes an б 7 error may return the ballot to the election official and 8 secure another ballot, except that in no case shall a voter be furnished more than three ballots. If the vote tabulation 9 10 device has rejected a ballot, the ballot shall be considered spoiled and a new ballot shall be provided to the voter. The 11 12 election official, without examining the original ballot, 13 shall state the possible reasons for the rejection and direct 14 the voter to the instruction model provided at the precinct 15 pursuant to s. 101.5611.A spoiled ballot shall be preserved, without examination, in an envelope provided for that purpose. 16 17 The stub shall be removed from the ballot and placed in an envelope. 18 Section 18. Effective July 1, 2001, section 101.5612, 19 Florida Statutes, is amended to read: 20 101.5612 Testing of tabulating equipment.--21 22 (1) All electronic or electromechanical voting systems shall be thoroughly tested at the conclusion of maintenance 23 24 and programming. Tests shall be sufficient to determine that 25 the voting system is properly programmed, the election is correctly defined on the voting system, and all of the voting 26 27 system input, output, and communication devices are working 28 properly. 29 (2) (1) On any day not more than 10 days prior to the 30 election day, the supervisor of elections shall have the 31 automatic tabulating equipment publicly tested to ascertain 2 File original & 9 copies

that the equipment will correctly count the votes cast for all 1 2 offices and on all measures. Public notice of the time and 3 place of the test shall be given at least 48 hours prior 4 thereto by publication once in one or more newspapers of general circulation in the county or, if there is no newspaper 5 of general circulation in the county, by posting such notice б 7 in at least four conspicuous places in the county. The supervisor or the municipal elections official may, at the 8 time of qualifying, give written notice of the time and 9 10 location of such public the preelection test to each candidate qualifying with that office and obtain a signed receipt that 11 12 such notice has been given. The Department of State shall give written notice to each statewide candidate at the time of 13 qualifying, or immediately at the end of qualifying, that the 14 15 voting equipment will be tested and advise each such candidate to contact the county supervisor of elections as to the time 16 17 and location of the public preelection test pretest. The supervisor or the municipal elections official shall, at least 18 15 days prior to an election, send written notice by certified 19 mail to the county party chair of each political party and to 20 all candidates for other than statewide office whose names 21 appear on the ballot in the county and who did not receive 22 written notification from the supervisor or municipal 23 24 elections official at the time of qualifying, stating the time 25 and location of the public preelection test of the automatic tabulating equipment. The canvassing board shall convene, and 26 27 each member of the canvassing board shall certify to the accuracy of the test. For the test, the canvassing board may 28 29 designate one member to represent it. The test shall be open 30 to representatives of the political parties, the press, and 31 the public. Each political party may designate one person

with expertise in the computer field who shall be allowed in 1 2 the central counting room when all tests are being conducted 3 and when the official votes are being counted. Such designee 4 shall not interfere with the normal operation of the 5 canvassing board. (3) For electronic or electromechanical voting systems 6 7 configured to tabulate absentee ballots at a central or regional site, the public testing shall be conducted by 8 processing a preaudited group of ballots so produced as to 9 10 record a predetermined number of valid votes for each candidate and on each measure and to include one or more 11 12 ballots for each office which have activated voting positions 13 in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such 14 15 votes. If any error is detected, the cause therefor shall be corrected and an errorless count shall be made before the 16 17 automatic tabulating equipment is approved. The test shall be 18 repeated and errorless results achieved immediately before the start of the official count of the ballots and again after the 19 completion of the official count. The programs and ballots 20 used for testing shall be sealed and retained under the 21 22 custody of the county canvassing board. (4)(a)1. For electronic or electromechanical voting 23 24 systems configured to include electronic or electromechanical 25 tabulation devices which are distributed to the precincts, all or a sample of the devices to be used in the election shall be 26 27 publicly tested. If a sample is to be tested, the sample shall consist of a random selection of at least 5 percent or 28 29 10 of the devices, whichever is greater. The test shall be 30 conducted by processing a group of ballots, causing the device to output results for the ballots processed, and comparing the 31 4

output of results to the results expected for the ballots 1 2 processed. The group of ballots shall be produced so as to 3 record a predetermined number of valid votes for each 4 candidate and on each measure and to include for each office one or more ballots which have activated voting positions in 5 excess of the number allowed by law in order to test the б 7 ability of the tabulating device to reject such votes. 8 2. If any tested tabulating device is found to have an error in tabulation, it shall be deemed unsatisfactory. For 9 10 each device deemed unsatisfactory, the canvassing board shall take steps to determine the cause of the error, shall attempt 11 12 to identify and test other devices that could reasonably be expected to have the same error, and shall test a number of 13 additional devices sufficient to determine that all devices 14 15 are satisfactory. Upon deeming any device unsatisfactory, the canvassing board may require all devices to be tested or may 16 17 declare that all devices are unsatisfactory. 3. If the operation or output of any tested tabulation 18 device, such as spelling or the order of candidates on a 19 report, is in error, such problem shall be reported to the 20 canvassing board. The canvassing board shall then determine 21 22 if the reported problem warrants its deeming the device 23 unsatisfactory. 24 (b) At the completion of testing under this 25 subsection, the canvassing board or its representative, the representatives of the political parties, and the candidates 26 27 or their representatives who attended the test shall witness the resetting of each device that passed to a preelection 28 29 state of readiness and the sealing of each device that passed 30 in such a manner as to secure its state of readiness until the 31 opening of the polls.

Bill No. <u>CS/HB 1921</u>

Amendment No. ____ (for drafter's use only)

1	
1	(c) The canvassing board or its representative shall
2	execute a written statement setting forth the tabulation
3	devices tested, the results of the testing, the protective
4	counter numbers, if applicable, of each tabulation device, the
5	number of the seal securing each tabulation device at the
6	conclusion of testing, any problems reported to the board as a
7	result of the testing, and whether each machine tested is
8	satisfactory or unsatisfactory.
9	(d) Any tabulating device deemed unsatisfactory shall
10	be reprogrammed, repaired, or replaced and shall be made
11	available for retesting. Such device must be determined by
12	the canvassing board or its representative to be satisfactory
13	before it may be used in any election. The canvassing board
14	or its representative shall announce at the close of the first
15	testing the date, place, and time that any unsatisfactory
16	device will be retested or may, at the option of the board,
17	notify by telephone each person who was present at the first
18	testing as to the date, place, and time that the retesting
19	will occur.
20	(e) Records must be kept of all preelection testing of
21	electronic or electromechanical tabulation devices used in any
22	election. Such records are to be present and available for
23	inspection and reference during public preelection testing by
24	any person in attendance during such testing. The need of the
25	canvassing board for access to such records during the testing
26	shall take precedence over the need of other attendees to
27	access such records so that the work of the canvassing board
28	will not be delayed or hindered. Records of testing must
29	include, for each device, the name of each person who tested
30	the device and the date, place, time, and results of each
31	test. Records of testing shall be retained as part of the
	б

official records of the election in which any device was used. 1 2 (2) The test shall be conducted by processing a 3 preaudited group of ballots so produced as to record a 4 predetermined number of valid votes for each candidate and on 5 each measure and shall include for each office one or more ballots which have votes in excess of the number allowed by б 7 law in order to test the ability of the automatic tabulating 8 equipment to reject such votes. If any error is detected, the cause therefor shall be ascertained and corrected and an 9 10 errorless count shall be made before the automatic tabulating 11 equipment is approved. The test shall be repeated immediately 12 before the start of the official count of the ballots in the 13 same manner as set forth above. After the completion of the 14 count, the test shall be repeated. The programs and ballots 15 used shall be sealed and retained under the custody of the 16 county canvassing board. 17 Section 19. Subsections (1), (2), (3), and (7) of 18 section 101.5614, Florida Statutes, are amended to read: 101.5614 Canvass of returns.--19 20 (1) (1) (a) In precincts in which an electronic or electromechanical voting system is used, as soon as the polls 21 22 are closed, the election board shall secure the voting devices against further voting. The election board shall thereafter 23 24 open the ballot box in the presence of members of the public 25 desiring to witness the proceedings and count the number of voted ballots, unused ballots, and spoiled ballots to 26 27 ascertain whether such number corresponds with the number of ballots issued by the supervisor. If there is a difference, 28 29 this fact shall be reported in writing to the county 30 canvassing board with the reasons therefor if known. The total 31 number of voted ballots shall be entered on the forms

1 provided. The proceedings of the election board at the 2 precinct after the polls have closed shall be open to the 3 public; however, no person except a member of the election 4 board shall touch any ballot or ballot container or interfere 5 with or obstruct the orderly count of the ballots.

(b) In lieu of opening the ballot box at the precinct,
the supervisor may direct the election board to keep the
ballot box sealed and deliver it to a central or regional
counting location. In this case, the election board shall
count the stubs removed from the ballots to determine the
number of voted ballots.

12 (2)(a) If the ballots are to be tallied at a central 13 location or at no more than three regional locations, the 14 election board shall place all ballots that have been cast and 15 the unused, void, and defective ballots in the container or containers provided for this purpose, which shall be sealed 16 17 and delivered forthwith to the central or regional counting location or other designated location by two inspectors who 18 shall not, whenever possible, be of the same political party. 19 The election board shall certify that the ballots were placed 20 in such container or containers and each container was sealed 21 22 in its presence and under its supervision, and it shall 23 further certify to the number of ballots of each type placed 24 in the container or containers. 25 (2)(b) If ballots are to be counted at the precincts, such ballots shall be counted pursuant to rules adopted by The 26 27 Department of State, which rules shall, in accordance with s. 101.015, adopt rules that provide safeguards which conform as 28 nearly as practicable to the safeguards provided in the 29 30 procedures for the counting of votes at a precinct and at a 31 central or regional location.

8

Amendment No. ____ (for drafter's use only)

(3)(a) All proceedings at the central or regional 1 2 counting location or other designated location shall be under 3 the direction of the county canvassing board and shall be open 4 to the public, but no person except a person employed and 5 authorized for the purpose shall touch any ballot or ballot container, any item of automatic tabulating equipment, or any б 7 return prior to its release. If the ballots are tabulated at 8 regional locations, one member of the canvassing board or a person designated by the board to represent it shall be 9 10 present at each location during the testing of the counting 11 equipment and the tabulation of the ballots. 12 (3)(b) The results of If ballots are tabulated at

precinct regional locations, the results of such election may be transmitted via dedicated teleprocessing lines to the main computer system for the purpose of compilation of complete returns. The security guidelines for transmission of returns by dedicated teleprocessing lines shall conform to rules adopted by the Department of State pursuant to s. 101.015.

19 (7) Absentee ballots may be counted by automatic 20 tabulating equipment if they have been punched or marked in a 21 manner which will enable them to be properly counted by such 22 equipment.

23 Section 20. Section 101.58, Florida Statutes, is 24 amended to read:

101.58 Supervising and observing registration and election processes.--The Department of State may, at any time it deems fit, +upon the petition of 5 percent of the registered electors+or upon the petition of any candidate, county executive committee chair, state committeeman or committeewoman, or state executive committee chair, appoint one or more deputies whose duties shall be to observe and

more than one board has been appointed, the second board 1 2 shall, upon the closing of the polls, come on duty and count 3 the votes cast. In such case, the first board shall turn over 4 to the second board all closed ballot boxes, registration books, and other records of the election at the time the 5 boards change. The second board shall continue counting until б 7 the count is complete or until 7 a.m. the next morning, and, if the count is not completed at that time, the first board 8 that conducted the election shall again report for duty and 9 10 complete the count. The second board shall turn over to the first board all ballots counted, all ballots not counted, and 11 12 all registration books and other records and shall advise the 13 first board as to what has transpired in tabulating the results of the election. 14

15 (7) For any precinct using voting machines, there 16 shall be one election board appointed, plus an additional 17 inspector for each machine in excess of one; however, the 18 supervisor of elections may appoint a greater number of 19 additional inspectors than required by this subsection.

20 (7) (7) (8) The supervisor of elections shall conduct training for inspectors, clerks, and deputy sheriffs prior to 21 each first primary, general, and special election for the 22 purpose of instructing such persons in their duties and 23 24 responsibilities as election officials. A certificate may be issued by the supervisor of elections to each person 25 completing such training. No person shall serve as an 26 27 inspector, clerk, or deputy sheriff for an election unless such person has completed the training as required. A person 28 who has attended previous training conducted within 2 years of 29 30 the election may be appointed by the supervisor to fill a vacancy on election day. If no person with prior training is 31

available to fill such vacancy, the supervisor of elections 1 2 may fill such vacancy in accordance with the provisions of 3 subsection(8)(9) from among persons who have not received 4 the training required by this section. 5 (8) (9) In the case of absence or refusal to act on the 6 part of any inspector or clerk at any precinct on the day of 7 an election, the supervisor shall appoint a replacement who 8 meets the qualifications prescribed in subsection (2). The inspector or clerk so appointed shall be a member of the same 9 10 political party as the clerk or inspector whom he or she 11 replaces. 12 Section 25. Subsection (2) of section 102.021, Florida Statutes, is amended to read: 13 14 102.021 Compensation of inspectors, clerks, and deputy 15 sheriffs.--16 Inspectors and clerks of election and deputy (2) 17 sheriffs serving at the precincts may receive compensation and travel expenses, as provided in s. 112.061, for attending the 18 poll worker training required by s. 102.012(8). 19 Section 26. Subsections (3) and (4) of section 20 102.141, Florida Statutes, are amended to read: 21 102.141 County canvassing board; duties .--22 (3) The canvass, except the canvass of absentee 23 24 electors' returns, shall be made from the returns and 25 certificates of the inspectors as signed and filed by them with the county court judge and supervisor, respectively, and 26 27 the county canvassing board shall not change the number of votes cast for a candidate, nominee, constitutional amendment, 28 or other measure submitted to the electorate of the county, 29 30 respectively, in any polling place, as shown by the returns. 31 All returns shall be made to the board on or before noon of 16

Amendment No. ____ (for drafter's use only)

the day following any primary, general, special, or other 1 2 election. If the returns from any precinct are missing, if 3 there are any omissions on the returns from any precinct, or 4 if there is an obvious error on any such returns, the 5 canvassing board shall order a recount of the returns from such precinct. Before canvassing such returns, the canvassing б 7 board shall examine the counters on the machines or the tabulation of the ballots cast in such precinct and determine 8 whether the returns correctly reflect the votes cast. 9 Ιf 10 there is a discrepancy between the returns and the counters of the machines or the tabulation of the ballots cast, the 11 12 counters of such machines or the tabulation of the ballots 13 cast shall be presumed correct and such votes shall be canvassed accordingly. 14

15 (4) If the returns for any office reflect that a 16 candidate was defeated or eliminated by one-half of a percent 17 or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not 18 retained by one-half of a percent or less of the votes cast on 19 the question of retention, or that a measure appearing on the 20 ballot was approved or rejected by one-half of a percent or 21 less of the votes cast on such measure, the board responsible 22 for certifying the results of the vote on such race or measure 23 24 shall order a recount of the votes cast with respect to such office or measure. A recount need not be ordered with respect 25 to the returns for any office, however, if the candidate or 26 27 candidates defeated or eliminated from contention for such office by one-half of a percent or less of the votes cast for 28 such office request in writing that a recount not be made. 29 30 Each canvassing board responsible for conducting a recount shall examine the counters on the machines or the tabulation 31

Amendment No. ____ (for drafter's use only)

Department of State shall provide a report to the Governor, 1 the President of the Senate, and the Speaker of the House of 2 3 Representatives by November 15, 2001, detailing the progress 4 that each county required by this act to upgrade a voting system has made toward the implementation of such system. This 5 section shall take effect July 1, 2001. б 7 Section 34. (1) There is appropriated from the 8 General Revenue Fund to the Division of Elections, Department of State, for fiscal year 2001-2002, the amount of \$29,895,000 9 10 to carry out the provisions of this act. The Division shall 11 provide to the supervisor of elections office in each county 12 required to acquire a new voting system by this act, funds to 13 implement the provisions of this act. Each county shall receive \$7500 per precinct, based on the number of precincts 14 15 in the county certified by the Department of State for the 2000 general election. It is the intent of the Legislature to 16 17 fully fund the acquisition of the voting systems, including 18 voting systems for additional precincts created because of reapportionment. To that end, the Division of Elections, 19 Department of State, shall monitor the acquisition of voting 20 systems by the counties, and if the amount appropriated proves 21 insufficient to fully fund the acquisition, the Division shall 22 recommend a supplemental appropriation in an amount sufficient 23 24 to fully fund such acquisition. There is appropriated from the General Revenue 25 (2) Fund to the Division of Elections, Department of State, for 26 27 fiscal year 2002-2003, the amount of \$14,212,500, to carry out the provisions of this subsection. The Division shall 28 29 distribute to each county that already had a voting system in compliance with the requirements of this act on the date it 30 became a law, the amount of \$7500 per precinct, based on the 31 22
