Senator Holzendorf moved the following amendment to amendment (025544):

Senate Amendment (with title amendment)

On page 61, between lines 14 and 15,

insert:

Section 24. The board of governors of the joint underwriting plan authorized under section 627.311(4), Florida Statutes, shall conduct a study of the exemptions granted to the construction industry under chapter 440, Florida Statutes. The study must contain an examination of the ramifications of such exemptions on the construction industry and on the entire Florida workers' compensation system, including the potential impact of requiring all persons actively engaged in the construction industry who elect to be excluded from the definition of "employee" as provided in section 440.02, Florida Statutes, to obtain a minimum premium or an "if any" workers' compensation insurance policy. The study must also examine the cost and availability of such insurance coverage and make recommendations regarding insurance coverage for
