Representative(s) Simmons offered the following:

Amendment (with title amendment)

On page 4, line 7,

insert:

Section 1. The Florida Department of Transportation and the Florida Transportation Commission to make a study impacting budgeting and funding of critical elements of the State Budget.--

(1) The Florida Department of Transportation and the Florida Transportation Commission shall study and make recommendations on how Florida will create a statewide strategic plan for all modes of transportation for the next 20 years. The study shall include recommendations on how to meet projected funding needs, including the use of toll roads, areas of the state which will need additional transportation development, the effect of local metropolitan planning organization plans on the state as a whole, the streamlining of cooperation between local, state, and federal agencies or organizations, and any other transportation issues deemed
