2 (b) A municipal governing authority that imposes the  
3 surcharge authorized by this subsection may use the proceeds  
4 of such surcharge for the following purposes only:

5 1. No less than 60 percent and no more than 80 percent  
6 of the surcharge proceeds shall be used by the governing  
7 authority to reduce its ad valorem tax millage rate or to  
8 reduce or eliminate non-ad valorem assessments.

9 2. A portion of the balance of the surcharge proceeds  
10 shall be used by the governing authority to increase its  
11 budget reserves; however, the governing authority shall not  
12 reduce the amount it allocates for budget reserves from other  
13 sources below the amount allocated for reserves in the fiscal  
14 year prior to the year in which the surcharge is initially  
15 imposed. When a 15-percent budget reserve is achieved, based  
16 on the average gross revenue for the most recent 3 prior

2 (I) It is owned by a county or municipality, subject  
3 to a determination of property tax immunity, and leased to,  
4 licensed to, or operated by a private, for-profit entity for  
5 the purpose of operating a business therefrom for a period of  
6 not less than 30 years.

7 (II) It has a projected cost for construction,  
8 reconstruction, renovation, expansion, or rehabilitation of  
9 the facility and acquisition and remediation of the qualifying  
10 site of not less than \$300 million, of which not less than \$50  
11 million, over the term of the lease, license, or operation,  
12 will be contributed by the private entity, which contribution  
13 may be in the form of payments in lieu of taxes, ground lease  
14 rent, license fees, rents, and other charges, including,  
15 without limitation, annual payments pledged to finance the  
16 construction of the facility.

17 (III) It has been proposed, in a report submitted to

19 facility will have an annual economic impact of not less than  
20 \$100 million over the term of the lease, license, or operation  
21 and will create not less than 1,500 jobs over the same period.

22 d. "Cost," with respect to the qualifying site and  
23 significant new facility, has the same meaning as provided in  
24 s. 190.003(7).

25 (d)1. Unless a municipality extends this subsection  
26 pursuant to subparagraphs 2. and 3., this subsection is  
27 repealed on June 30, 2006.

28 2. A referendum shall be held at an election within 90  
29 days after the effective date of this act with respect to a  
30 municipality that has previously imposed a surcharge pursuant  
31 to paragraph (a), or within 90 days after any municipality

Amendment No. \_\_\_\_ (for drafter's use only)

1 becomes eligible to impose a surcharge pursuant to paragraph  
2 (a), in any municipality imposing the surcharge authorized in  
3 this subsection. With respect to a municipality that has  
4 previously imposed a surcharge pursuant to paragraph (a), the  
5 subject of the referendum shall be the extension of the repeal  
6 date of the surcharge to June 30, 2046, and an extension of  
7 the uses of surcharge proceeds. A statement that includes a  
8 brief general description of the additional uses of the  
9 surcharge proceeds shall be placed on the ballot.

10 3. If a majority of the electors of the municipality  
11 voting on this question in the election approve the imposition  
12 of the surcharge or extension of the repeal date and if  
13 construction of a significant new facility is commenced by  
14 June 30, 2006, on a qualifying site, this subsection shall be

17 subparagraph, the funds generated by the surcharge shall be  
18 distributed as specified in paragraph (e).

19 (e) Effective January 1, 2005, 33 1/3 percent of the  
20 surcharge proceeds shall be remitted to the eligible county  
21 and expended as provided in paragraph (f). The remaining  
22 proceeds shall be retained by the municipal governing  
23 authority, which shall expend the proceeds pursuant to  
24 paragraph (h). However, beginning January 1, 2007, the payment  
25 to the eligible county shall not in any fiscal year be less  
26 than the amount remitted to an eligible county in the  
27 preceding fiscal year and, for the purpose of assuring the  
28 remittances, the proceeds received by the municipality in the  
29 last three months of each fiscal year shall be held and  
30 remitted on the last day of the fiscal year so that the  
31 eligible county will receive no less than the amount remitted

1 in the preceding fiscal year.

2 (f) An eligible county that receives proceeds from the  
3 surchage may utilize them to construct, reconstruct,  
4 renovate, expand, or rehabilitate, directly or indirectly  
5 through turnkey or other contractual arrangements, a  
6 significant new facility on a qualifying site in the manner  
7 provided in this paragraph.

8 1. An eligible county may use funds provided pursuant  
9 to this paragraph only for the public purpose of paying debt  
10 service on bonds or other obligations issued to finance the  
11 costs of acquisition, site preparation, infrastructure  
12 development, construction, reconstruction, renovation,  
13 expansion, or rehabilitation of the qualifying site and  
14 significant new facility to be located thereon, or for the  
15 costs of infrastructure and other improvements outside the  
16 boundaries of the qualifying site but which are necessary or  
17 helpful to the development or operation of the facility, or  
18 for reimbursement of such costs, and the costs incurred by it  
19 to remediate the qualifying site.

20 2. If in any fiscal year the funds provided pursuant  
21 to this paragraph exceed the amounts necessary in that fiscal  
22 year to pay the costs related to the significant new facility  
23 and the qualifying site pursuant to this subsection and to pay  
24 the debt service on bonds or other obligations issued to  
25 finance or refinance such costs, the excess funds shall be  
26 used to fund required reserves.

27 (g) An eligible county must take affirmative measures  
28 to ensure that procurement related to the planning, design,  
29 construction, building, maintenance, and operation of the  
30 significant new facility contracting is reflective of the  
31 racial and ethnic makeup of the community.

3 shall be distributed to a not-for-profit economic development  
4 trust in an eligible county, which shall use the funds for

17 generate the funds. Areas shall be defined consistent with  
18 Florida Statutes and local law.

19           1. A downtown/urban area shall be coterminous with any

11 Section 2. Section 376.84, Florida Statutes, is  
12 amended to read:

13 376.84 Brownfield redevelopment economic  
14 incentives.--It is the intent of the Legislature that  
15 brownfield redevelopment activities be viewed as opportunities  
16 to significantly improve the utilization, general condition,  
17 and appearance of these sites. Different standards than those  
18 in place for new development, as allowed under current state  
19 and local laws, should be used to the fullest extent to  
20 encourage the redevelopment of a brownfield. State and local  
21 governments are encouraged to offer redevelopment incentives  
22 for this purpose, as an ongoing public investment in  
23 infrastructure and services, to help eliminate the public  
24 health and environmental hazards, and to promote the creation  
25 of jobs in these areas. Such incentives may include  
26 financial, regulatory, and technical assistance to persons and  
27 businesses involved in the redevelopment of the brownfield  
28 pursuant to this act. The Legislature further recognizes that,  
29 in communities impacted by local government financial  
30 emergencies, local government resources are strained and  
31 incentives to encourage the development, use, redevelopment,
