22 Be It Enacted by the Legislature of the State of Florida:

23
24 Section 1. It is the intent of the Legislature that
25 the implementing and administering provisions of this act
26 apply to the General Appropriations Act for fiscal year
27 2001-2002.

28 Section 2. In order to implement Specific
29 Appropriation 171 of the 2001-2002 General Appropriations Act,
30 the funds provided for workforce development shall be
31 initially allocated to the school district or community

1 college as designated. If, for any reason, a program in whole
2 or in part is moved from a community college to a school
3 district or moved from a school district to a community
4 college, the Commissioner of Education or the Executive
5 Director of the Division of Community Colleges shall submit a
6 budget amendment pursuant to chapter 216, Florida Statutes, to
7 transfer the appropriate amount of the 2001-2002 appropriation
8 between the affected district and community college. The
9 amount transferred shall be as near as practicable to the
10 actual amount appropriated for the FTE funded for that
11 program. This section expires July 1, 2002.

12 Section 3. In order to implement Specific
13 Appropriation 118 of the 2001-2002 General Appropriations Act,
14 paragraph (k) of subsection (1) and subsection (8) of section
15 236.081, Florida Statutes, are amended to read:

16 236.081 Funds for operation of schools.--If the annual
17 allocation from the Florida Education Finance Program to each
18 district for operation of schools is not determined in the
19 annual appropriations act or the substantive bill implementing
20 the annual appropriations act, it shall be determined as
21 follows:

22 (1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR
23 OPERATION.--The following procedure shall be followed in
24 determining the annual allocation to each district for
25 operation:

26 (k) Calculation of additional full-time equivalent
27 membership based on international baccalaureate examination
28 scores of students.--A value of 0.24 full-time equivalent
29 student membership shall be calculated for each student
30 enrolled in an international baccalaureate course who receives
31 a score of 4 or higher on a subject examination. A value of

1 0.3 full-time equivalent student membership shall be
2 calculated for each student who receives an international
3 baccalaureate diploma. Such value shall be added to the total
4 full-time equivalent student membership in basic programs for
5 grades 9 through 12 in the subsequent fiscal year. ~~During the~~
6 ~~1997-1998, 1998-1999, and 1999-2000 school years of the pilot~~
7 ~~program authorized in s. 240.116, Students enrolled in the~~
8 Advanced International Certificate of Education Program shall
9 generate full-time equivalent student membership in a manner
10 that is equitable to the manner in which students enrolled in
11 the International Baccalaureate Program generate full-time
12 equivalent student membership. ~~During 1997-1998, a maximum of~~
13 ~~40 students in each participating school district is~~
14 ~~authorized to generate full-time equivalent student membership~~
15 ~~in the pilot program, and in 1998-1999 and 1999-2000 a maximum~~
16 ~~of 80 students per year in each participating school district~~
17 ~~is authorized to generate full-time equivalent student~~
18 ~~membership in the pilot program.~~

19 (8) QUALITY ASSURANCE GUARANTEE.--The Legislature may
20 annually in the General Appropriations Act determine a
21 percentage increase in funds per K-12 unweighted ~~weighted~~ FTE
22 as a minimum guarantee to each school district. The guarantee
23 shall be calculated from prior year base funding per
24 unweighted ~~weighted~~ FTE student which shall include the
25 adjusted FTE dollars as provided in subsection (9), quality
26 guarantee funds, and actual nonvoted discretionary local
27 effort from taxes. From the base funding per unweighted
28 ~~weighted~~ FTE, the increase shall be calculated for the current
29 year. The current year funds from which the guarantee shall be
30 determined shall include the adjusted FTE dollars as provided
31 in subsection (9) and potential nonvoted discretionary local

1 effort from taxes. A comparison of current year funds per
2 unweighted ~~weighted~~ FTE to prior year funds per unweighted
3 ~~weighted~~ FTE shall be computed. For those school districts
4 which have less than the legislatively assigned percentage
5 increase, funds shall be provided to guarantee the assigned
6 percentage increase in funds per unweighted ~~weighted~~ FTE
7 student. Should appropriated funds be less than the sum of
8 this calculated amount for all districts, the commissioner
9 shall prorate each district's allocation. This provision shall
10 be implemented to the extent specifically funded.

11 Section 4. The amendment of paragraph (k) of
12 subsection (1) and subsection (8) of section 236.081, Florida
13 Statutes, by this act shall expire on July 1, 2002, and the
14 text of those provisions shall revert to that in existence on
15 June 30, 2001, except that any amendments to such text enacted
16 other than by this act shall be preserved and continue to
17 operate to the extent that such amendments are not dependent
18 upon the portions of such text which expire pursuant to the
19 provisions of this act.

20 Section 5. In order to implement Specific
21 Appropriation 118 of the 2001-2002 General Appropriations Act,
22 subsection (6) of section 240.116, Florida Statutes, is
23 amended to read:

24 240.116 Articulated acceleration.--

25 (6) The International Baccalaureate Program shall be
26 the curriculum in which eligible secondary students are
27 enrolled in a program of studies offered through the
28 International Baccalaureate Program administered by the
29 International Baccalaureate Office. The State Board of
30 Education shall establish rules which specify the cutoff
31 scores and International Baccalaureate Examinations which will

1 be used to grant postsecondary credit at community colleges
2 and universities. Any such rules, which have the effect of
3 raising the required cutoff score or of changing the
4 International Baccalaureate Examinations which will be used to
5 grant postsecondary credit, shall only apply to students
6 taking International Baccalaureate Examinations after such
7 rules are adopted by the State Board of Education. Students
8 shall be awarded a maximum of 30 semester credit hours
9 pursuant to this subsection. The specific course for which a
10 student receives such credit shall be determined by the
11 community college or university that accepts the student for
12 admission. Students enrolled pursuant to this subsection
13 shall be exempt from the payment of any fees for
14 administration of the examinations. ~~During the 1997-1998,~~
15 ~~1998-1999, and 1999-2000 school years, the Department of~~
16 ~~Education shall assist up to three school districts in~~
17 ~~conducting a pilot of the Advanced International Certificate~~
18 ~~of Education Program administered by the University of~~
19 ~~Cambridge Local Examinations Syndicate. The department shall~~
20 ~~produce an evaluation report and recommendations regarding the~~
21 ~~comparability of the Advanced International Certificate of~~
22 ~~Education Program to the International Baccalaureate Program~~
23 ~~and submit the report to the President of the Senate and the~~
24 ~~Speaker of the House of Representatives on or before October~~
25 ~~1, 2000.~~

26 Section 6. The amendment of subsection (6) of section
27 240.116, Florida Statutes, by this act shall expire on July 1,
28 2002, and the text of that subsection shall revert to that in
29 existence on June 30, 2001, except that any amendments to such
30 text enacted other than by this act shall be preserved and
31 continue to operate to the extent that such amendments are not

1 dependent upon the portions of such text which expire pursuant
2 to the provisions of this act.

3 Section 7. In order to implement Specific
4 Appropriation 178 of the 2001-2002 General Appropriations Act,
5 subsection (7) of section 240.35, Florida Statutes, is amended
6 to read:

7 240.35 Student fees.--Unless otherwise provided, the
8 provisions of this section apply only to fees charged for
9 college credit instruction leading to an associate in arts
10 degree, an associate in applied science degree, or an
11 associate in science degree and noncollege credit
12 college-preparatory courses defined in s. 239.105.

13 (7) Each community college board of trustees shall
14 establish matriculation and tuition fees, which may vary no
15 more than 10 percent below and 15 percent above the combined
16 total of the fee schedule adopted by the State Board of
17 Community Colleges and the technology fee adopted by a board
18 of trustees, provided that any amount from 10 to 15 percent
19 above the fee schedule is used only to support safety and
20 security purposes. In order to assess an additional amount for
21 safety and security purposes, a community college board of
22 trustees must provide written justification to the State Board
23 of Community Colleges based on criteria approved by the local
24 board of trustees, including but not limited to criteria such
25 as local crime data and information, and strategies for the
26 implementation of local safety plans. For 1999-2000, each
27 community college is authorized to increase the sum of the
28 matriculation fee and technology fee by not more than 5
29 percent of the sum of the matriculation and local safety and
30 security fees in 1998-1999. However, no fee in 1999-2000 shall
31 exceed the prescribed statutory limit. Should a college decide

1 to increase the matriculation fee, the funds raised by
2 increasing the matriculation fee must be expended solely for
3 additional safety and security purposes and shall not supplant
4 funding expended in the 1998-1999 budget for safety and
5 security purposes.

6 Section 8. The amendment of subsection (7) of section
7 240.35, Florida Statutes, by this act shall expire on July 1,
8 2002, and the text of that subsection shall revert to that in
9 existence on June 30, 2001, except that any amendments to such
10 text enacted other than by this act shall be preserved and
11 continue to operate to the extent that such amendments are not
12 dependent upon the portions of such text which expire pursuant
13 to the provisions of this act.

14 Section 9. In order to implement Specific
15 Appropriation 93 of the 2001-2002 General Appropriations Act,
16 paragraph (e) of subsection (3) of section 240.209, Florida
17 Statutes, is amended to read:

18 240.209 Board of Regents; powers and duties.--

19 (3) The board shall:

20 (e) Establish student fees.

21 1. By no later than December 1 of each year, the board
22 shall raise the systemwide standard for resident undergraduate
23 matriculation and financial aid fees for the subsequent fall
24 term, up to but no more than 25 percent of the prior year's
25 cost of undergraduate programs. In implementing this
26 paragraph, fees charged for graduate, medical, veterinary, and
27 dental programs may be increased by the Board of Regents in
28 the same percentage as the increase in fees for resident
29 undergraduates. However, in the absence of legislative action
30 to the contrary in an appropriations act, the board may not
31 approve annual fee increases for resident students in excess

1 of 10 percent. The sum of nonresident student matriculation
2 and tuition fees must be sufficient to defray the full cost of
3 undergraduate education. Graduate, medical, veterinary, and
4 dental fees charged to nonresidents may be increased by the
5 board in the same percentage as the increase in fees for
6 nonresident undergraduates. However, in implementing this
7 policy and in the absence of legislative action to the
8 contrary in an appropriations act, annual fee increases for
9 nonresident students may not exceed 25 percent. In the absence
10 of legislative action to the contrary in the General
11 Appropriations Act, the fees shall go into effect for the
12 following fall term.

13 2. When the appropriations act requires a new fee
14 schedule, the board shall establish a systemwide standard fee
15 schedule required to produce the total fee revenue established
16 in the appropriations act based on the product of the assigned
17 enrollment and the fee schedule. The board may approve the
18 expenditure of any fee revenues resulting from the product of
19 the fee schedule adopted pursuant to this section and the
20 assigned enrollment.

21 3. Upon provision of authority in a General
22 Appropriations Act to spend revenue raised pursuant to this
23 section, the board shall approve a university request to
24 implement a matriculation and out-of-state tuition fee
25 schedule which is calculated to generate revenue which varies
26 no more than 10 percent from the standard fee revenues
27 authorized through an appropriations act. In implementing an
28 alternative fee schedule, the increase in cost to a student
29 taking 15 hours in one term shall be limited to 5 percent.
30 Matriculation and out-of-state tuition fee revenues generated
31 as a result of this provision are to be expended for

1 implementing a plan for achieving accountability goals adopted
2 pursuant to s. 240.214 and for implementing a Board of
3 Regents-approved plan to contain student costs by reducing the
4 time necessary for graduation without reducing the quality of
5 instruction. The plans shall be recommended by a
6 universitywide committee, at least one-half of whom are
7 students appointed by the student body president. A
8 chairperson, appointed jointly by the university president and
9 the student body president, shall vote only in the case of a
10 tie.

11 4. The board may implement individual university plans
12 for a differential out-of-state tuition fee for universities
13 that have a service area that borders another state.

14 5. The board is authorized to collect for financial
15 aid purposes an amount not to exceed 5 percent of the student
16 tuition and matriculation fee per credit hour. The revenues
17 from fees are to remain at each campus and replace existing
18 financial aid fees. Such funds shall be disbursed to students
19 as quickly as possible. The board shall specify specific
20 limits on the percent of the fees collected in a fiscal year
21 which may be carried forward unexpended to the following
22 fiscal year. A minimum of 75 ~~50~~ percent of funds from the
23 student financial aid fee for new financial aid awards shall
24 be used to provide financial aid based on absolute need. A
25 student who has received an award prior to July 1, 1984, shall
26 have his or her eligibility assessed on the same criteria that
27 was used at the time of his or her original award. The Board
28 of Regents shall develop criteria for making financial aid
29 awards. Each university shall report annually to the
30 Department of Education on the revenue collected pursuant to
31 this subparagraph, the amount carried forward, the criteria

1 used to make awards, the amount and number of awards for each
2 criterion, and a delineation of the distribution of such
3 awards. The report shall include an assessment by category of
4 the financial need of every student who receives an award,
5 regardless of the purpose for which the award is received.
6 Awards which are based on financial need shall be distributed
7 in accordance with a nationally recognized system of need
8 analysis approved by the Board of Regents. An award for
9 academic merit shall require a minimum overall grade point
10 average of 3.0 on a 4.0 scale or the equivalent for both
11 initial receipt of the award and renewal of the award.

12 6. The board may recommend to the Legislature an
13 appropriate systemwide standard matriculation and tuition fee
14 schedule.

15 7. The Education and General Student and Other Fees
16 Trust Fund is hereby created, to be administered by the
17 Department of Education. Funds shall be credited to the trust
18 fund from student fee collections and other miscellaneous fees
19 and receipts. The purpose of the trust fund is to support the
20 instruction and research missions of the State University
21 System. Notwithstanding the provisions of s. 216.301, and
22 pursuant to s. 216.351, any balance in the trust fund at the
23 end of any fiscal year shall remain in the trust fund and
24 shall be available for carrying out the purposes of the trust
25 fund.

26 8. The board is further authorized to establish the
27 following fees:

28 a. A nonrefundable application fee in an amount not to
29 exceed \$30.

30 b. An admissions deposit fee for the University of
31 Florida College of Dentistry in an amount not to exceed \$200.

4 card. The maximum amount charged for a replacement card may
5 not exceed \$15.

6 e. Registration fees for audit and zero-hours
7 registration; a service charge, which may not exceed \$15, for
8 the payment of tuition in installments; and a
9 late-registration fee in an amount not less than \$50 nor more
10 than \$100 to be imposed on students who fail to initiate
11 registration during the regular registration period.

12 f. A late-payment fee in an amount not less than \$50
13 nor more than \$100 to be imposed on students who fail to pay
14 or fail to make appropriate arrangements to pay (by means of
15 installment payment, deferment, or third-party billing)
16 tuition by the deadline set by each university. Each
17 university may adopt specific procedures or policies for
18 waiving the late-payment fee for minor underpayments.

19 g. A fee for miscellaneous health-related charges for
20 services provided at cost by the university health center
21 which are not covered by the health fee set under s.
22 240.235(1).

23 h. Materials and supplies fees to offset the cost of
24 materials or supplies that are consumed in the course of the
25 student's instructional activities, excluding the cost of
26 equipment replacement, repairs, and maintenance.

28 charges for services provided by the university at the request
29 of the student.

7 damaged and lost library materials, overdue reserve library

23 to exceed \$10 per item.

24 Section 10. The amendment of paragraph 240.209(3)(e),
25 Florida Statutes, by this act shall expire July 1, 2002, and
26 the text of that paragraph shall revert to that in existence
27 on June 30, 2001, except that any amendments to such text
28 exacted other than by this act shall be preserved and continue
29 to operate to the extent that such amendments are not
30 dependent upon the portions of such text which expire pursuant
31 to the provisions of this act. The Division of Statutory

1 Revision of the Office of Legislative Services shall include

7 subsection (11) of section 240.35, Florida Statutes, is
8 amended to read:

9 240.35 Student fees.--Unless otherwise provided, the

13 associate in science degree and noncollege credit
14 college-preparatory courses defined in s. 239.105.

15 (11)(a) Each community college is authorized to
16 establish a separate fee for financial aid purposes in an
17 additional amount up to, but not to exceed, 5 percent of the
18 total student tuition or matriculation fees collected. Each
19 community college may collect up to an additional 2 percent if
20 the amount generated by the total financial aid fee is less
21 than \$250,000. If the amount generated is less than \$250,000,
22 a community college that charges tuition and matriculation
23 fees at least equal to the average fees established by rule
24 may transfer from the general current fund to the scholarship
25 fund an amount equal to the difference between \$250,000 and
26 the amount generated by the total financial aid fee
27 assessment. No other transfer from the general current fund to
28 the loan, endowment, or scholarship fund, by whatever name
29 known, is authorized.

30 (b) All funds collected under this program shall be
31 placed in the loan and endowment fund or scholarship fund of

1 the college, by whatever name known. Such funds shall be
2 disbursed to students as quickly as possible. An amount not
3 greater than 40 percent of the fees collected in a fiscal year
4 may be carried forward unexpended to the following fiscal
5 year. However, funds collected prior to July 1, 1989, and
6 placed in an endowment fund may not be considered part of the
7 balance of funds carried forward unexpended to the following
8 fiscal year.

9 (c) Up to 25 percent or \$300,000, whichever is
10 greater, of the financial aid fees collected may be used to
11 assist students who demonstrate academic merit; who
12 participate in athletics, public service, cultural arts, and
13 other extracurricular programs as determined by the
14 institution; or who are identified as members of a targeted
15 gender or ethnic minority population. The financial aid fee
16 revenues allocated for athletic scholarships and fee
17 exemptions provided pursuant to subsection (17) for athletes
18 shall be distributed equitably as required by s.
19 228.2001(3)(d). A minimum of 75 ~~50~~ percent of the balance of
20 these funds for new awards shall be used to provide financial
21 aid based on absolute need, and the remainder of the funds
22 shall be used for academic merit purposes and other purposes
23 approved by the district boards of trustees. Such other
24 purposes shall include the payment of child care fees for
25 students with financial need. The State Board of Community
26 Colleges shall develop criteria for making financial aid
27 awards. Each college shall report annually to the Department
28 of Education on the revenue collected pursuant to this
29 paragraph, the amount carried forward, the criteria used to
30 make awards, the amount and number of awards for each
31 criterion, and a delineation of the distribution of such

1 awards. The report shall include an assessment by category of
2 the financial need of every student who receives an award,
3 regardless of the purpose for which the award is received.

4 Awards which are based on financial need shall be distributed
5 in accordance with a nationally recognized system of need
6 analysis approved by the State Board of Community Colleges. An
7 award for academic merit shall require a minimum overall grade
8 point average of 3.0 on a 4.0 scale or the equivalent for both
9 initial receipt of the award and renewal of the award.

10 (d) These funds may not be used for direct or indirect
11 administrative purposes or salaries.

12 Section 12. The amendment of subsection 240.35(11),
13 Florida Statutes, by this act shall expire July 1, 2002, and
14 the text of that subsection shall revert to that in existence
15 on June 30, 2001, except that any amendments to such text
16 exacted other than by this act shall be preserved and continue
17 to operate to the extent that such amendments are not
18 dependent upon the portions of such text which expire pursuant
19 to the provisions of this act. The Division of Statutory
20 Revision of the Office of Legislative Services shall include
21 in an appropriate reviser's bill any amendments to such
22 subsection which are necessary to give effect to the
23 legislative intent expressed in this section.

26 paragraph (a) of subsection (1) of section 236.081, Florida
27 Statutes, is amended to read:

28 236.081 Funds for operation of schools.--If the annual

10 the fiscal year, a program membership survey of each school
11 shall be made by each district by aggregating the full-time
12 equivalent student membership of each program by school and by
13 district. The department shall establish the number and
14 interval of membership calculations, except that for basic and
15 special programs such calculations shall not exceed nine for
16 any fiscal year. The district's full-time equivalent
17 membership shall be computed and currently maintained in
18 accordance with regulations of the commissioner. Beginning
19 with the 1999-2000 school year, each school district shall
20 also document the daily attendance of each student in
21 membership by school and by district. An average daily
22 attendance factor shall be computed by dividing the total
23 daily attendance of all students by the total number of
24 students in membership and then by the number of days in the
25 regular school year. Beginning with the 2002-2003 ~~2001-2002~~
26 school year, the district's full-time equivalent membership
27 shall be adjusted by multiplying by the average daily
28 attendance factor.

13 provision or application, and to this end the provisions of
14 this act are declared severable.

15 Section 57. This act shall take effect July 1, 2001;
