The Committee on Governmental Oversight and Productivity
recommended the following amendment:

Senate Amendment

On page 100, lines 3-7, delete those lines

and insert:

(2) The county audit report shall be a single document that includes an audit of the county as a whole, and, for each county agency, other than a board of county commissioners, an audit of its financial accounts and records, including reports on compliance and internal control, management letters, and such other information as required by rules adopted by the Auditor General. In addition to the requirements of this subsection, if a board of county commissioners elects to have a separate audit of its financial accounts and records in the manner required by rules adopted by the Auditor General for other county agencies, it shall be included in the county audit report.
