SPONSOR: Natural Resources Committee and Senator Brown-Waite  
SUBJECT: Environmental Control  
PREPARED BY: Senate Committee on Natural Resources  
DATE: May 4, 2001

---

### **I. Amendments Contained in Message:**

**House Amendment 1 — 102733** (body)

### **II. Summary of Amendments Contained in Message:**

**House Amendment 1** deletes the provision that provides that activities to remove detrital material are limited to a width of 100 feet or 50 percent of the width of the upland parcel, whichever is less. Therefore, the removal of detrital material could take place over the entire width of a lakefront property owner's land.
