409.906, F.S.; providing that the agency may
restrict or prohibit the provision of services
by mobile providers; providing that Medicaid
will not provide reimbursement for dental
services provided in mobile dental units,
except for certain units; providing an
effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 409.906, Florida Statutes, is
amended to read:

409.906 Optional Medicaid services.--Subject to
specific appropriations, the agency may make payments for
services which are optional to the state under Title XIX of
the Social Security Act and are furnished by Medicaid
providers to recipients who are determined to be eligible on
the dates on which the services were provided. Any optional
service that is provided shall be provided only when medically
necessary and in accordance with state and federal law.

Optional services rendered by providers in mobile units to
Medicaid recipients may be restricted or prohibited by the
agency.Nothing in this section shall be construed to prevent
or limit the agency from adjusting fees, reimbursement rates,
lengths of stay, number of visits, or number of services, or
making any other adjustments necessary to comply with the
availability of moneys and any limitations or directions
provided for in the General Appropriations Act or chapter 216.
If necessary to safeguard the state's systems of providing

1 services to elderly and disabled persons and subject to the
2 notice and review provisions of s. 216.177, the Governor may
3 direct the Agency for Health Care Administration to amend the
4 Medicaid state plan to delete the optional Medicaid service
5 known as "Intermediate Care Facilities for the Developmentally
6 Disabled." Optional services may include:

7 (1) ADULT DENTURE SERVICES.--The agency may pay for
8 dentures, the procedures required to seat dentures, and the
9 repair and reline of dentures, provided by or under the
10 direction of a licensed dentist, for a recipient who is age 21
11 or older. However, Medicaid will not provide reimbursement for
12 dental services provided in a mobile dental unit, except for a
13 mobile dental unit:

15 compliance with the Medicaid County Health Department Clinic
16 Services program specifications as a County Health Department
17 provider.

21 Federally Qualified Health Center provider.

23 recipients, age 21 and over, at a nursing facility.

24 (2) ADULT HEALTH SCREENING SERVICES.--The agency may
25 pay for an annual routine physical examination, conducted by
26 or under the direction of a licensed physician, for a
27 recipient age 21 or older, without regard to medical
28 necessity, in order to detect and prevent disease, disability,
29 or other health condition or its progression.

30 (3) AMBULATORY SURGICAL CENTER SERVICES.--The agency
31 may pay for services provided to a recipient in an ambulatory

1 surgical center licensed under part I of chapter 395, by or
2 under the direction of a licensed physician or dentist.

3 (4) BIRTH CENTER SERVICES.--The agency may pay for
4 examinations and delivery, recovery, and newborn assessment,
5 and related services, provided in a licensed birth center
6 staffed with licensed physicians, certified nurse midwives,

8 recipient expected to experience a low-risk pregnancy and
9 delivery.

10 (5) CASE MANAGEMENT SERVICES.--The agency may pay for
11 primary care case management services rendered to a recipient
12 pursuant to a federally approved waiver, and targeted case
13 management services for specific groups of targeted
14 recipients, for which funding has been provided and which are
15 rendered pursuant to federal guidelines. The agency is
16 authorized to limit reimbursement for targeted case management
17 services in order to comply with any limitations or directions
18 provided for in the General Appropriations Act.

19 Notwithstanding s. 216.292, the Department of Children and
20 Family Services may transfer general funds to the Agency for
21 Health Care Administration to fund state match requirements

29 treatment of the teeth and associated structures of the oral
30 cavity, as well as treatment of disease, injury, or impairment
31 that may affect the oral or general health of the individual.

1 However, Medicaid will not provide reimbursement for dental
2 services provided in a mobile dental unit, except for a mobile
3 dental unit:

5 compliance with the Medicaid County Health Department Clinic
6 Services program specifications as a County Health Department
7 provider.

20 mental health or substance abuse provider licensed by the
21 agency and under contract with the agency or the Department of
22 Children and Family Services to provide such services. Those
23 services which are psychiatric in nature shall be rendered or
24 recommended by a psychiatrist, and those services which are
25 medical in nature shall be rendered or recommended by a
26 physician or psychiatrist. The agency must develop a provider
27 enrollment process for community mental health providers which
28 bases provider enrollment on an assessment of service need.
29 The provider enrollment process shall be designed to control
30 costs, prevent fraud and abuse, consider provider expertise
31 and capacity, and assess provider success in managing

1 utilization of care and measuring treatment outcomes.
2 Providers will be selected through a competitive procurement
3 or selective contracting process. In addition to other
4 community mental health providers, the agency shall consider
5 for enrollment mental health programs licensed under chapter
6 395 and group practices licensed under chapter 458, chapter
7 459, chapter 490, or chapter 491. The agency is also
8 authorized to continue operation of its behavioral health
9 utilization management program and may develop new services if
10 these actions are necessary to ensure savings from the
11 implementation of the utilization management system. The
12 agency shall coordinate the implementation of this enrollment
13 process with the Department of Children and Family Services
14 and the Department of Juvenile Justice. The agency is
15 authorized to utilize diagnostic criteria in setting
16 reimbursement rates, to preauthorize certain high-cost or

2 necessary.

3 (11) HEALTHY START SERVICES.--The agency may pay for a
4 continuum of risk-appropriate medical and psychosocial
5 services for the Healthy Start program in accordance with a
6 federal waiver. The agency may not implement the federal
7 waiver unless the waiver permits the state to limit enrollment
8 or the amount, duration, and scope of services to ensure that
9 expenditures will not exceed funds appropriated by the
10 Legislature or available from local sources. If the Health
11 Care Financing Administration does not approve a federal
12 waiver for Healthy Start services, the agency, in consultation
13 with the Department of Health and the Florida Association of
14 Healthy Start Coalitions, is authorized to establish a
15 Medicaid certified-match program for Healthy Start services.
16 Participation in the Healthy Start certified-match program
17 shall be voluntary, and reimbursement shall be limited to the
18 federal Medicaid share to Medicaid-enrolled Healthy Start
19 coalitions for services provided to Medicaid recipients. The

29 percent of the reimbursement that would be paid to a physician
30 who provided the same services.

31

7 medications that are prescribed for a recipient by a physician
8 or other licensed practitioner of the healing arts authorized
9 to prescribe medications and that are dispensed to the

13 agency may pay for all services provided to a recipient by a
14 registered nurse first assistant as described in s. 464.027.

31 and for the community-based child welfare project in Sarasota

1 and Manatee counties, as authorized under s. 409.1671. These
2 projects shall be established for the purpose of determining
3 the impact of targeted case management on the child welfare
4 program and the earnings from the child welfare program.
5 Results of the pilot projects shall be reported to the Child
6 Welfare Estimating Conference and the Social Services
7 Estimating Conference established under s. 216.136. The number
8 of projects may not be increased until requested by the
9 Department of Children and Family Services, recommended by the
10 Child Welfare Estimating Conference and the Social Services
11 Estimating Conference, and approved by the Legislature. The
12 covered group of individuals who are eligible to receive
13 targeted case management include children who are eligible for
