A bill to be entitled
An act relating to technology development;
expressing the legislative intent to foster the
economic development of high-technology
industries, including the
information-technology sector; providing an
effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. It is the intent of the Legislature to
foster the economic development of high-technology industries
in the state, including, but not limited to, the
information-technology sector, in order to create employment
and other economic opportunities for residents of the state.

Section 2. This act shall take effect upon becoming a
law.

SENATE SUMMARY

Expresses legislative intent to foster the economic
development of high-technology industries.
