19 Section 6. For the purpose of incorporating the
20 amendments made by this act to section 782.04, Florida
21 Statutes, in references thereto, subsection (3) of section
22 947.146, Florida Statutes, is reenacted to read:

23 947.146 Control Release Authority.--

24 (3) Within 120 days prior to the date the state
25 correctional system is projected pursuant to s. 216.136 to
26 exceed 99 percent of total capacity, the authority shall
27 determine eligibility for and establish a control release date
28 for an appropriate number of parole ineligible inmates
29 committed to the department and incarcerated within the state
30 who have been determined by the authority to be eligible for
31 discretionary early release pursuant to this section. In

1 establishing control release dates, it is the intent of the

4 authority shall rely upon commitment data on the offender

7 consideration. The authority may use a method of objective
8 risk assessment in determining if an eligible inmate should be
9 released. Such assessment shall be a part of the department's
10 management information system. However, the authority shall
11 have sole responsibility for determining control release
12 eligibility, establishing a control release date, and
13 effectuating the release of a sufficient number of inmates to
14 maintain the inmate population between 99 percent and 100
