Section 1. Section 240.2099, Florida Statutes, is amended to read:

240.2099 Computer-assisted student advising system; plans.--The Board of Regents and State Board of Community Colleges shall develop plans for implementing a single, statewide computer-assisted student advising system, which must be an integral part of the process of advising, registering, and certifying students for graduation. Plans shall include timelines for the implementation of the system and shall be submitted to the Legislature by October 1, 1996. It is intended that an advising system be the primary advising and tracking tool for students enrolled in community colleges and universities and be accessible to students enrolled in each of the state universities, community colleges, and public

Amendment No. 3 (for drafter's use only)

1 secondary schools. The State University System and the  
2 community college system shall establish a committee to  
3 oversee the development and maintenance of the advising  
4 system. The system shall consist of a degree audit and an  
5 articulation component that includes the ~~following~~  
6 characteristics provided in subsections (1), (2), and (3):

7 (1) The system shall constitute an integral part of  
8 the process of advising students and assisting them in course  
9 selection. The system shall be accessible to students in the  
10 following ways:

11 (a) A student must be able to access the system, at  
12 any time, to identify course options that will meet the  
13 requirements of a selected path toward a degree.

14 (b) A status report from the system shall be generated  
15 and sent with each grade report to each student with a  
16 declared major.

17 (2) The system shall be an integral part of the  
18 registration process. As part of the process, the system  
19 shall:

20 (a) Provide reports that document each student's  
21 status toward completion of a degree.

22 (b) Verify that a student has completed requirements  
23 for graduation.

24 (3) The system must provide management information to  
25 decisionmakers, including information relating student  
26 enrollment patterns and course demands to plans for  
27 corresponding course offerings and information useful in  
28 planning the student registration process.

29 (4) In implementing the single, statewide,  
30 computer-assisted student advising system required under  
31 section 240.2099, Florida Statutes, the Board of Regents and

Amendment No. 3 (for drafter's use only)
