30 the issuance of special obligation bonds of the District
31 payable solely from rates, rentals, fees, and charges provided

1 for herein for the purpose of paying the cost of purchasing or
2 otherwise acquiring, constructing, reconstructing, improving,
3 extending, enlarging, or equipping racing and recreational
4 facilities.

5 (b) The Board of County Commissioners is hereby
6 directed to provide by resolution, at one time or from time to
7 time, upon the request of the District Commission and with the
8 concurrence of the District Commission in all of the
9 provisions of any such resolution, including the provisions of
10 any trust agreement authorized thereby, and in all
11 determinations to be made by the County Commissioners under
12 this section, for the issuance of general obligation bonds of
13 the District in an aggregate principal amount not exceeding \$3
14 million payable from rates, rentals, fees, and charges
15 provided for hereunder and, to the extent necessary, ad
16 valorem taxes levied as hereinafter provided, for the purpose
17 of paying the cost of purchasing or otherwise acquiring,
18 constructing, reconstructing, improving, extending, enlarging,
19 or equipping racing and recreational facilities; provided,
20 however, that any such bonds shall have been approved by the
21 majority of the votes cast in an election in which a majority
22 of the freeholders who are qualified electors residing in the
23 District shall have participated. Any such election shall be
24 held and the result thereof determined and declared in the
25 manner provided by the election code of 1951 and chapter 189,
26 Florida Statutes, or any amendments thereof.

27 (c) The bonds of each issue authorized pursuant to this
28 act shall be dated, shall mature at such time or times not
29 exceeding 40 years from their date or dates, and shall bear
30 interest at such rate or rates not exceeding 6 percent per
31 annum, as may be determined by the District Commission or the

1 County Commissioners, as the case may be, authorizing the
 2 issuance of such bonds, hereinafter sometimes called the
 3 "Authorizing Body," and may be made redeemable before
 4 maturity, at the option of the Authorizing Body, at such price
 5 or prices and under such terms and conditions as may be fixed
 6 by the Authorizing Body prior to the issuance of the bonds.
 7 The principal of and the interest on such bonds may be made
 8 payable in any lawful medium. The Authorizing Body shall
 9 determine the form and the manner of execution of the bonds,
 10 including any interest coupons to be attached thereto, and
 11 shall fix the denomination or denominations of the bonds and
 12 the place or places of payment of principal and interest which
 13 may be at any bank or trust company within or without the
 14 state. In case any officer whose signature or a facsimile of
 15 whose signature shall appear on any bonds or coupons shall
 16 cease to be such officer before the delivery of such bonds,
 17 such signature or such facsimile shall nevertheless be valid
 18 and sufficient for all purposes the same as if he or she had
 19 remained in office until such delivery. Notwithstanding any of
 20 the other provisions of the act or any recitals in any bonds
 21 issued under the provisions of this act, all such bonds shall
 22 be deemed to be negotiable instruments under the laws of this
 23 state. The bonds may be issued in coupon or in registered
 24 form, or both, as the Authorizing Body may determine, and
 25 provision may be made for the registration of any coupon bonds
 26 as to principal alone and also as to both principal and
 27 interest, and for the reconversion into coupon bonds of any
 28 bonds registered as to both principal and interest. The
 29 issuance of such bonds shall not be subject to any limitations
 30 or conditions contained in any other law, and the Authorizing
 31 Body may sell such bonds in such manner, either at public or

1 at private sale, and for such price, as it may determine to be
 2 for the best interests of the District, but no such sale shall
 3 be made at a price so low as to require the payment of
 4 interest on the money received therefor at more than 6 percent
 5 per annum, computed with relation to the absolute maturity of
 6 the bonds in accordance with standard tables of bond values,
 7 excluding, however, from such computation the amount of any
 8 premium to be paid on redemption of any bonds prior to
 9 maturity. Prior to the preparation of definitive bonds,
 10 provision may be made for the issuance of interim receipts or
 11 temporary bonds, with or without coupons, exchangeable for
 12 definitive bonds when such bonds have been executed and are
 13 available for delivery. Provision may also be made for the
 14 replacement of any bonds which shall become mutilated or be
 15 destroyed or lost.

16
 17 Bonds may be issued under the provisions of this act without
 18 obtaining the consent of any other department, commission,
 19 board, bureau, or agency of the state, and without any other
 20 proceeding or the happening of any other condition or thing
 21 than those proceedings, conditions, or things which are
 22 specifically required by this act.

23
 24 The proceeds of such bonds shall be used solely for the
 25 purpose for which such bonds shall have been authorized, and
 26 shall be disbursed in such manner and under such restrictions,
 27 if any, as the Authorizing Body may provide in the authorizing
 28 resolution or in any trust agreement securing such bonds. If
 29 the proceeds of such bonds, by error of estimates or
 30 otherwise, shall be less than such cost, additional bonds may
 31 in like manner be issued, subject to the limitations contained

1 herein on the maximum amount of general obligation bonds which
2 may be issued, to provide the amount of such deficit, and,
3 unless otherwise provided in the authorizing resolution of
4 such trust agreement, shall be deemed to be of the same issue
5 and shall be entitled to payment from the same fund without
6 preference or priority of the bonds first issued for the same
7 purpose.

8
9 Any resolution or trust agreement providing for the issuance
10 of or securing bonds hereunder may also contain such
11 limitations upon the issuance of additional bonds as the
12 Authorizing Body may determine to be proper, and such
13 additional bonds shall be issued under such restrictions and
14 limitations as may be prescribed by such resolution or trust
15 agreement.

16
17 The maximum amount of general obligation bonds which may be
18 issued under this act may be increased by the Legislature by
19 subsequent legislation. Special obligation bonds of the
20 District payable solely from rates, rentals, fees, and charges
21 for the use of the racing and recreational facilities, issued
22 under the provisions of this act, shall not be deemed to
23 constitute a debt of the District or a pledge of the faith and
24 credit of the District, and a statement to that effect shall
25 be recited on the face of the bonds.

26 Section 9. Revenues.--The District Commission shall
27 fix rates, rentals, fees, and other charges for the use of the
28 racing and recreational facilities and may revise such rates,
29 rentals, fees, and charges from time to time. Such rates,
30 rentals, fees, and charges shall not be subject to supervision
31 or regulation by any department, commission, board, bureau, or

1 agency of the state, or of any political subdivision of the
 2 state. Such rates, rentals, fees, and charges shall be so
 3 fixed and revised as to provide the most revenue practicable
 4 from such facilities.

5 Section 10. Trust agreement; pledges and
 6 covenants.--Any resolution authorizing the issuance of bonds
 7 under the provisions of this act may provide for the execution
 8 of a trust agreement securing such bonds, and such resolution
 9 or trust agreement may contain such provisions for protecting
 10 and enforcing the rights and remedies of the bondholders as
 11 may be reasonable and proper and not in violation of law,
 12 including covenants setting forth the duties of the District
 13 Commission in relation to the acquisition, construction,
 14 reconstruction, improvement, extension, enlargement,
 15 equipment, maintenance, repair, operation, and insurance of
 16 any racing and recreational facilities and provisions for the
 17 custody, safeguarding, and application of all moneys, and for
 18 the employment of consulting engineers in connection with such
 19 acquisition, construction, reconstruction, improvement,
 20 extension, enlargement, equipment, maintenance, repair,
 21 operation, and insurance of any such racing and recreational
 22 facilities. Such resolution or trust agreement may set forth
 23 the rights and remedies of the bondholders and of the trustee,
 24 if any, and may restrict the individual right of action by
 25 bondholders as is customary in trust agreements or trust
 26 indentures. In addition to the foregoing, such resolution or
 27 trust agreement may contain such other provisions as may be
 28 deemed reasonable and proper for the security of the
 29 bondholders. Except as in this act otherwise provided, such
 30 resolution or trust agreement may provide for the payment of
 31 the proceeds of the sale of the bonds and the revenues of the

1 racing and recreational facilities to such officer, board, or
2 depository as may be designated for the custody thereof, and
3 for the method of disbursement thereof, with such safeguards
4 and restrictions as may be deemed desirable. All expenses
5 incurred in carrying out the provisions of such resolution or
6 trust agreement may be treated as a part of the cost of
7 operation.

8
9 Any pledge of revenues made by such resolution or trust
10 agreement shall be valid and binding from the time when the
11 pledge is made; the rates, rentals, fees, and charges and any
12 other revenues so pledged and thereafter received by the
13 District Commission shall immediately be subject to the lien
14 of such pledge without any physical delivery thereof or
15 further act; and the lien of any such pledge shall be valid
16 and binding as against all parties having claims of any kind
17 in tort, contract, or otherwise against the District,
18 irrespective of whether such parties have notice thereof.

19 Section 11. Levy of taxes.--The Board of County
20 Commissioners is hereby authorized and required to levy
21 annually a tax upon all taxable property within the District
22 sufficient to pay the principal of and the interest on all
23 general obligation bonds issued under the provisions of this
24 act as the same shall respectively become due and payable;
25 provided, however, that the amount of such annual tax levy may
26 be reduced in any year by so much of the amount of the
27 proceeds of rates, rentals, fees, and charges, if any, then on
28 deposit to the credit of a special fund for the payment of
29 such principal and interest as shall be certified to the Board
30 of County Commissioners by the District Commission as
31 available for the payment of such principal and interest

1 during the year from which such tax shall be levied, but any
 2 such proceeds on deposit to the credit of any reserve account
 3 in such special fund shall not be taken into account in
 4 determining the amount of such tax levy. The proceeds of such
 5 tax levy shall when collected be paid into such special fund
 6 and used for no other purpose than the payment of such
 7 principal and interest.

8 Section 12. Trust funds.--All moneys received pursuant
 9 to the authority of this act shall be deemed to be trust
