The Committee on Natural Resources recommended the following amendment:

Senate Amendment (with title amendment)

Delete everything after the enacting clause

and insert:

Section 1. Subsection (14) is added to section 403.707, Florida Statutes, to read:

403.707 Permits.--

(14) Before or on the same day of filing with the department of an application for a permit to construct or substantially modify a solid waste management facility, the applicant shall notify the local government having jurisdiction over the facility of the filing of the application. The applicant also shall publish notice of the filing of the application in a newspaper of general circulation in the area where the facility will be located. Notice shall be given and published in accordance with applicable department rules. The department shall not issue the requested permit until the applicant has provided the

1 department with proof that the notices required by this
2 subsection have been given. Issuance of a permit does not
3 relieve an applicant from compliance with local zoning or land
4 use ordinances, or with any other law, rules, or ordinances.

5 Section 2. Section 403.71851, Florida Statutes, is
6 amended to read:

7 403.71851 Electronic recycling ~~Lead-containing~~
8 ~~materials~~ grants.--The Department of Environmental Protection
9 is authorized to use funds from the Solid Waste Management
10 Trust Fund as grants to Florida-based businesses with 5 or
11 more years' experience in electronics recycling that recycle
12 electronics such as commercial telephone switching equipment,
13 computers, televisions,~~lead-acid batteries and other~~
14 ~~lead-containing materials, including products such as~~
15 ~~televisions and computer monitors and other products~~ that
16 utilize lead-containing cathode ray tubes. This ~~incentive~~
17 funding shall ~~may~~ be used for demonstration projects with one
18 or more counties for countywide comprehensive electronics
19 recycling where that term means recycling that provides
20 service to the private sector, nonprofit organizations,
21 governmental agencies and the residential sector. This funding
22 may also be used for grants to counties to develop methods to
23 collect and transport electronics to be recycled provided such
24 methods are comprehensive in nature ~~research and development~~
25 ~~in methods to recover and recycle lead from the environment;~~
26 ~~for innovative technologies and equipment to process and~~
27 ~~recycle lead-containing materials; and for establishing an~~
28 ~~infrastructure to collect and transport lead-containing~~
29 ~~material to Florida-based recycling businesses.~~

30 Section 3. The Department of Environmental Protection
31 shall conduct a comprehensive review of the waste reduction

Bill No. SB 834

Amendment No. 1 Barcode 653234

1 and recycling goals set out in this section and other
2 legislative requirements in view of reduced available funding
3 for these purposes. The review shall include, but is not
4 limited to, the appropriateness of maintaining, extending, or
5 revising the goals; the effectiveness of current programs for
6 meeting the goals; the role of Keep Florida Beautiful, Inc.;
7 the need to continue those programs; alternative techniques
8 for improving those programs; and alternative strategies for
9 meeting the needs of the programs. The department shall
10 consult with persons knowledgeable about recycling and waste
11 reduction, including, but not limited to, representatives of
12 local government, the private recycling industry, and private
13 waste management industry. The department shall issue its
14 report and recommendations to the Governor, the President of
15 the Senate, and the Speaker of the House of Representatives by
16 September 30, 2001.

17 Section 4. This act shall take effect October 1, 2001.
