Representative(s) Ball offered the following:

**Amendment to Amendment (093141) (with title amendment)**

On page 1, line 17 through page 4, line 20,  
remove from the amendment: all of said lines

and insert in lieu thereof:

Section 1. Subsection (14) is added to section  
403.707, Florida Statutes, to read:

403.707 Permits.--

(14) Before or on the same day of filing with the  
department of an application for a permit to construct or  
substantially modify a solid waste management facility, the  
applicant shall notify the local government having  
jurisdiction over the facility of the filing of the  
application. The applicant also shall publish notice of the  
filing of the application in a newspaper of general  
circulation in the area where the facility will be located.  
Notice shall be given and published in accordance with  
applicable department rules. The department shall not issue  
the requested permit until the applicant has provided the

1 department with proof that the notices required by this  
2 subsection have been given. Issuance of a permit does not  
3 relieve an applicant from compliance with local zoning or land  
4 use ordinances, or with any other law, rule, or ordinance.

5 Section 2. Section 403.71851, Florida Statutes, is  
6 amended to read:

7 403.71851 Electronics recycling ~~Lead-containing~~  
8 ~~materials~~ grants.--The Department of Environmental Protection  
9 is authorized to use funds from the Solid Waste Management  
10 Trust Fund as grants to Florida-based businesses with 5 or  
11 more years' experience in electronics recycling that recycle  
12 electronics such as commercial telephone switching equipment,  
13 computers, televisions,~~lead-acid batteries and other~~  
14 ~~lead-containing materials, including products such as~~  
15 ~~televisions and computer monitors, and other products that~~  
16 utilize lead-containing cathode ray tubes. This ~~incentive~~  
17 funding shall ~~may~~ be used for demonstration projects with one  
18 or more counties for countywide comprehensive electronics  
19 recycling. As used in this section, "comprehensive electronics  
20 recycling" means recycling that provides service to the  
21 private sector, nonprofit organizations, governmental  
22 agencies, and the residential sector. This funding may also be  
23 used for grants to counties to develop methods to collect and  
24 transport electronics to be recycled, provided such methods  
25 are comprehensive in nature ~~research and development in~~  
26 ~~methods to recover and recycle lead from the environment; for~~  
27 ~~innovative technologies and equipment to process and recycle~~  
28 ~~lead-containing materials; and for establishing an~~  
29 ~~infrastructure to collect and transport lead-containing~~  
30 ~~material to Florida-based recycling businesses.~~

31 Section 3. The Department of Environmental Protection

561-162AX-05

Bill No. CS/HB 9

Amendment No. \_\_\_\_ (for drafter's use only)

1 shall conduct a comprehensive review of the waste reduction  
2 and recycling goals set out in part IV of chapter 403, Florida  
3 Statutes, and other legislative requirements in view of  
4 reduced available funding for these purposes. The review shall  
5 include, but is not limited to, the appropriateness of  
6 maintaining, extending, or revising the goals; the  
7 effectiveness of current programs for meeting the goals; the  
8 role of Keep Florida Beautiful, Inc.; the need to continue  
9 those programs; alternative techniques for improving those  
10 programs; alternative strategies for meeting the needs of the  
11 programs; and any other issues related to resource recovery  
12 and management. The department shall consult with persons  
13 knowledgeable about recycling and waste reduction, including,  
14 but not limited to, representatives of local government, the  
15 private recycling industry, and the private waste management  
16 industry. The department shall issue its report,  
17 recommendations, and proposed legislative changes to the  
18 Governor, the President of the Senate, and the Speaker of the  
19 House of Representatives by October 31, 2001.

20 Section 4. This act shall take effect July 1, 2001.
