7 recite that they are payable only from the special assessments

20 or to a trustee for such bondholders, the assessment liens  
21 provided for herein, unless such certificates of indebtedness  
22 or assessment liens have been theretofore pledged for any  
23 bonds or other obligations authorized hereunder. In the event  
24 of the creation of such special fund and the issuance of such  
25 assessment bonds or other obligations, the proceeds of such  
26 certificates of indebtedness or assessment liens deposited  
27 therein shall be used only for the payment of the assessment  
28 bonds or other obligations issued. The Board of Supervisors is  
29 hereby authorized to covenant with the holders of such  
30 assessment bonds or other obligations that it will diligently  
31 and faithfully enforce and collect all the special assessments

1 and interest and penalties thereon for which such certificates  
2 of indebtedness or assessment liens have been deposited in or  
3 assigned to such fund, and to foreclose such assessment liens  
4 so assigned to such special fund or represented by the  
5 certificates of indebtedness deposited in said special fund,  
6 after such assessment liens have become delinquent and deposit  
7 the proceeds derived from such foreclosure, including interest  
8 and penalties, in such special fund, and to further make any  
9 other necessary covenants deemed necessary or advisable in  
10 order to properly secure the holders of such assessment bonds  
11 or other obligations.

13 under the provisions of this Act, except certificates of  
14 indebtedness issued against separate parcels of land as  
15 provided in this section, shall be and constitute and have all  
16 the qualities and incidents of negotiable instruments under

21 banks, savings banks, insurance companies, executors,  
22 administrators, trustees, and all other fiduciaries, and shall  
23 also be and constitute securities eligible as collateral  
24 security for all state, county, municipal, or other public  
25 funds.

27 into agreements for the delivery of any revenue bonds or  
28 assessment bonds at one time or from time to time as full or  
29 partial payment for the services of any engineer or work done  
30 by any contractor who may have been retained or hired or been  
31 awarded a contract for the construction of all or any part of

1 a water system; provided, however, that any such bonds so  
2 delivered for payment of such services or work performed shall  
3 have been authorized and issued in the manner provided in this  
4 Act and shall otherwise conform to the provisions hereof.

5 (6) Any contract entered into by the District shall be  
6 deemed to have been made for the benefit of any holders of  
7 bonds issued pursuant to this Act to the extent necessary, and  
8 the terms of any such contract shall be enforceable by such  
9 bondholders in any appropriate legal proceeding. Any such  
10 contract if made with another public body or municipality  
11 shall be enforceable without the requirement of formal  
12 consideration.

20 including, but not limited to, recreational facilities, water  
21 management and control facilities, and water and sewer

23 district facility or system; and to provide for reasonable  
24 penalties against any user or property for any such rates,  
25 fees, rentals, or other charges that are delinquent.

26 (2) No such rates, fees, rentals, or other charges for  
27 any of the facilities or services of the District shall be  
28 fixed until after a public hearing at which all the users of  
29 the proposed facility or services or owners, tenants, or  
30 occupants served or to be served thereby and all other  
31 interested persons shall have an opportunity to be heard

1 concerning the proposed rates, fees, rentals, or other  
2 charges. Notice of such public hearing setting forth the  
3 proposed schedule or schedules of rates, fees, rentals, and  
4 other charges shall have been published in a newspaper in the  
5 county and of general circulation in the District at least  
6 once and at least 10 days prior to such public hearing. The  
7 hearing may be adjourned from time to time. After such  
8 hearing, such schedule or schedules, either as initially  
9 proposed or as modified or amended, may be finally adopted. A  
10 copy of the schedule or schedules of such rates, fees,  
11 rentals, or charges as finally adopted shall be kept on file  
12 in an office designated by the Board and shall be open at all  
13 reasonable times to public inspection. The rates, fees,  
14 rentals, or charges so fixed for any class of users or  
15 property served shall be extended to cover any additional  
16 users or properties thereafter served which shall fall in the  
17 same class, without the necessity of any notice or hearing.

18 (3) Such rates, fees, rentals, and charges shall be  
19 just and equitable and uniform for users of the same class,  
20 and when appropriate may be based or computed either upon the  
21 amount of service furnished, upon the number or average number  
22 of persons residing or working in or otherwise occupying the  
23 premises served, or upon any other factor affecting the use of  
24 the facilities furnished, or upon any combination of the  
25 foregoing factors, as may be determined by the Board on an  
26 equitable basis.

27 (4) The rates, fees, rentals, or other charges  
28 prescribed shall be such as will produce revenues, together  
29 with any other assessments, taxes, revenues, or funds  
30 available or pledged for such purpose, at least sufficient to  
31

1 provide for the items hereinafter listed, but not necessarily  
2 in the order stated:

3 (a) To provide for all expenses of operation and  
4 maintenance of such facility or service;

5 (b) To pay when due all bonds and interest thereon for  
6 the payment of which such revenues are, or shall have been,  
7 pledged or encumbered, including reserves for such purpose;  
8 and

9 (c) To provide for any other funds which may be  
10 required under the resolution or resolutions authorizing the  
11 issuance of bonds pursuant to this Act.

12 (5) The Board shall have the power to enter into  
13 contracts for the use of the projects of the District and with  
14 respect to the services and facilities furnished or to be  
15 furnished by the District.

16 Section 10. Recovery of delinquent charges.--In the  
17 event that any rates, fees, rentals, charges, or delinquent  
18 penalties shall not be paid as and when due and shall be in  
19 default for 60 days or more, the unpaid balance thereof and  
20 all interest accrued thereon, together with reasonable  
21 attorney's fees and costs, may be recovered by the District in  
22 a civil action.

23 Section 11. Discontinuance of service.--In the event  
24 the fees, rentals, or other charges for any of the facilities  
25 or services of the District are not paid when due, the Board  
26 shall have the power, under such reasonable rules and  
27 regulations as the Board may adopt, to discontinue services  
28 until such fees, rentals, or other charges, including  
29 interest, penalties, and charges for the shutting off and  
30 discontinuance and the restoration of services, are fully  
31 paid; and, for such purposes the Board may enter on any lands,

1 waters, or premises of any person, firm, corporation, or body,  
2 public or private, within the District limits. Such delinquent  
3 fees, rentals, or other charges, together with interest,  
4 penalties, and charges for the discontinuance and the  
5 restoration of such services and facilities and reasonable  
6 attorney's fees and other expenses, may be recovered by the  
7 District, which may also enforce payment of such delinquent  
8 fees, rentals, or other charges by any other lawful method of  
9 enforcement.

10 Section 12. Enforcement and penalties.--The Board or  
11 any aggrieved person may have recourse to such remedies in law  
12 and at equity as may be necessary to ensure compliance with  
13 the provisions of this Act, including injunctive relief to  
14 enjoin or restrain any person violating the provisions of the  
15 Act or any bylaws, resolutions, regulations, rules, codes, or  
16 orders adopted under this Act. In case any building or  
17 structure is erected, constructed, reconstructed, altered,  
18 repaired, converted, or maintained, or any building,  
19 structure, land, or water is used, in violation of this Act or  
20 of any code, order, resolution, or other regulation made under  
21 authority conferred by the Act or under law, the Board or any  
22 citizen residing in the District may institute any appropriate  
23 action or proceeding to prevent such unlawful erection,  
24 construction, reconstruction, alteration, repair, conversion,  
25 maintenance, or use; to restrain, correct, or avoid such  
26 violation; to prevent the occupancy of such building,  
27 structure, land, or water; and to prevent any illegal act,  
28 conduct, business, or use in or about such premises, land, or  
29 water.

30 Section 13. Suits against the district.--Any suit or  
31 action brought or maintained against the District for damage

1 arising out of tort, including, without limitation, any claim  
2 arising upon account of an act causing an injury or loss of  
3 property, personal injury, or death, shall be subject to the  
4 limitations provided in section 768.28, Florida Statutes.

5 Section 14. Exemption of District property from  
6 execution.--All District properties shall be exempt from levy  
7 and sale by virtue of an execution and no execution or other  
8 judicial process shall issue against such property, nor shall  
9 any judgment against the District be a charge or lien against  
10 its property or revenues, providing that nothing herein  
11 contained shall apply to or limit the rights of bond holders  
12 to pursue any remedy for the enforcement of any lien or pledge  
13 given by the District in connection with any of the bonds or  
14 obligations of the District.

15 Section 15. Dissolution, merger, or abolishment.--The  
16 dissolution, merger, abolishment, or any other proceedings  
17 relative to the special independent district created by this  
18 Act shall be governed exclusively by chapter 189, Florida  
19 Statutes.

20 Section 4. In case any one or more of the sections or  
21 provisions of this act or the application of such sections or  
22 provisions to any situations, circumstances, or person shall  
23 for any reason be held to be unconstitutional, such  
24 unconstitutionality shall not affect other sections or  
25 provisions as to any other situation, circumstance, or person,  
26 and it is intended that this law shall be construed and  
27 applied as if such section or provision had not been included  
28 herein for any unconstitutional application.

29 Section 5. This act shall take precedence over any  
30 conflicting law to the extent of such conflict.
