3 Any vacancies occurring during a term of service on the

5 same manner as the original appointment.

6 Nothing in this act shall be construed to prohibit
7 members of the Board of County Commissioners or the City
8 Council from serving as members of the Authority.

9 Notwithstanding the provisions of this act, any member
10 appointed to the Authority who is also a City Council member
11 or a member of the Board of County Commissioners while serving
12 on the Authority shall serve in a representative capacity
13 during his or her term of office as a member of the City

28 (d) The Authority shall adopt rules for the
29 transaction of its business and shall keep a record of its
30 transactions, findings, and determinations, which record shall
31 be a public record.

1 (e) The headquarters of the Authority shall be in the
2 County of Escambia and the Authority shall be furnished
3 suitable office accommodations in such place as may be jointly
4 designated by the City Council and the Board of County
5 Commissioners.

6 Section 4. Powers and duties of Authority.--The
7 general purposes of the Authority shall be to acquire,
8 construct, improve, operate, maintain, and manage a
9 governmental center complex consisting of lands and buildings
10 and related facilities thereon for the use and occupancy by
11 the City of Pensacola, the County of Escambia, their agencies
12 and departments, and other governmental agencies and
13 departments.

14 For the accomplishment of such purposes, the Authority
15 shall have the power and authority:

16 (a) To sue and be sued; to adopt a seal and alter the
17 same at pleasure; to have perpetual succession; to make and
18 execute contracts and other instruments necessary or
19 convenient to the exercise of the powers of the Authority; and
20 to make and from time to time amend and repeal bylaws not
21 inconsistent with this act, to carry into effect the powers
22 and purposes of the Authority.

23 (b) To make and from time to time amend and repeal
24 rules which shall be effective within the Complex, including,
25 but not limited to, rules designed and intended to promote
26 health, sanitation, and safety generally, the disposal of
27 sewage, garbage, and trash, and the regulation of traffic
28 within the area.

29 (c) To regulate the character of public and private
30 businesses that may be operated within the Complex.

31

1 (d) To operate and maintain and to provide for the
2 maintenance and operation of buildings, structures,
3 improvements, and parking lots and other facilities within the
4 Complex.

5 (e) To own and acquire property, real and personal,
6 and any interest therein and any right pertaining thereto by
7 purchase, lease, donation, gift, or transfer, and to acquire,
8 construct, reconstruct, improve, repair, maintain, or operate,
9 sell, convey, lease, and dispose of any such property or
10 facility; provided, however, that no lease shall be granted
11 for a term longer than 40 years.

12 (f) To enter into contracts with individuals,
13 corporations, the State of Florida, the United States, or any
14 agency or department thereof, and Escambia County and the City
15 of Pensacola or any agent or department of either.

16 (g) To construct, develop, improve, manage, and
17 operate and to contract for the development, improvement,
18 operation, management, maintenance, and operation of the
19 Complex and the facilities.

20 (h) In the event the Authority shall determine that
21 the interests of the Complex so require, to grant leases or
22 rent space to the United States, the State of Florida, or any
23 agency or department thereof, the County, the City, or any
24 corporation or person for such consideration as it deems
25 proper; provided, however, that the granting of any such lease
26 or the renting of any such space shall be subject to the
27 approval of the City Council and Board of County
28 Commissioners. Any such lease may be authorized by resolution
29 of the City Council if the City is to be a party, or by
30 resolution of the Board of County Commissioners if the County
31 is to be a party, without regard to any limitation or

1 requirement elsewhere in the laws of Florida. If any such
2 lease is by its terms so limited that all payments to be made
3 thereunder by the City or the County are to be paid from
4 sources other than ad valorem taxes, and if the remedies of
5 the Authority and its bondholders upon default by the City or
6 County do not include foreclosure on a mortgage or eviction
7 from any premises used or required for City or County
8 purposes, then such lease may be entered into for such period
9 of time not exceeding 40 years as the parties may agree upon
10 without the necessity of any election. However, if any
11 payments under any such lease are to be made from money
12 derived from ad valorem taxation, or if the Authority or any
13 of its bondholders shall have, as a remedy for default, the
14 right to foreclosure on a mortgage or to evict the City or the
15 County from any premises used or required for City or County
16 purposes, then any such lease entered into by the Authority
17 with the City for a period longer than 1 year shall first be
18 approved by a vote of the electors qualified to vote on ad
19 valorem tax bond issues at an election duly called and held by
20 the City in the manner provided for voting on ad valorem tax
21 bonds, in the Constitution and laws of the State of Florida
22 and any such lease entered into by the Authority with the
23 County for a period longer than 1 year shall first be approved
24 by a vote of the electors qualified to vote on ad valorem tax
25 bond issues at an election duly called and held by the County
26 in the manner provided for voting on ad valorem tax bonds in
27 the Constitution and laws of the state.

28 (i) To employ adequate personnel, including, but not
29 limited to, professional, technical, clerical, skilled, and
30 unskilled persons, for which funds are available, for the
31 operation of the Authority, the Complex, and the Facilities

1 thereon; provided, however, that civil service laws and rules
2 shall not be applicable to any such personnel.

3 (j) To accept advances, donations, and contributions
4 from public and private sources, and to enter into contracts
5 with respect thereto.

6 (k) To enter into contracts or leases with the
7 occupants of properties acquired by the Authority, for such
8 period or periods of time necessary until arrangements can be
9 made by such occupants to obtain and move to other premises
10 and vacate the properties so acquired by the Authority or
11 until it shall be necessary for the Authority to take
12 possession of such properties for the purposes for which they
13 were acquired, whichever first occurs.

14 Section 5. Cooperation with other units, boards,
15 agencies, and individuals.--Express authority and power is
16 hereby given the County, City, any drainage district, road or
17 bridge district, school district, or any other political
18 subdivision, board, or commission in the City or County to
19 make and enter into with the Authority, contracts and leases,
20 within the provisions and purposes of this act. The Authority
21 is hereby authorized to make agreements with and enter into
22 any and all contracts with any agency of the state subject to
23 the approval of the City Council and the Board of County
24 Commissioners.

25 The City of Pensacola and the County of Escambia are
26 hereby authorized to make appropriations to and advance funds
27 to the Authority for necessary operating and planning expenses
28 incurred or to be incurred prior to receipt by the Authority
29 of funds from financing or revenues. Annual budgets shall be
30 prepared by the Authority subject to approval by the City and
31 the County.

1 The City and the County are each hereby authorized to
2 establish by resolution a special fund and to pledge and
3 dedicate all money in said special fund, or such part thereof
4 as may be necessary, to the payment of rentals under any lease
5 between the Authority and said City or County. Said City or
6 County may pledge as security for rental payments under any
7 lease with the Authority all or any portion of any money it
8 may receive from sources other than ad valorem taxes to said
9 special fund and to the payments to be made therefrom, subject
10 only to obligations made by said City or County prior to the
11 execution of such lease; said sources may include the proceeds
12 of any excise taxes, utility revenues, or funds derived from
13 the state or Federal Government not restricted to other
14 purposes.

15 Section 6. Further powers of Authority.--There is
16 hereby granted to and vested in the Authority the power,
17 right, franchise, and authority:

18 (1) To take, exclusively occupy, use, and possess
19 rights-of-way for any projects, enterprises, or undertakings
20 of the Authority.

21 (2)(a) The Authority is hereby authorized and
22 empowered to exercise the power of eminent domain and may
23 condemn for the use of said Authority any and all lands,
24 easements, rights-of-way, riparian rights, property, and
25 property rights of every description required in carrying out
26 the objectives and purposes of this act.

27 (b) The proceedings for condemnation hereunder may be
28 instituted and conducted in the name of the Authority, and the
29 procedure shall be the same as is prescribed by law.

30 (3)(a) In order to carry out the objectives and
31 purposes of this act, which are hereby declared to be a public

1 purpose, the Authority is authorized to acquire, own,
2 construct, operate, maintain, improve, and extend public
3 buildings and facilities within the City and County which are
4 of the character hereinafter specifically mentioned. All
5 public buildings and facilities which the Authority is
6 authorized to own, construct, operate, and maintain must be
7 such as can ultimately be owned and operated by the City or
8 County or by an agency, department, board, bureau, or
9 commission of the City or County. All or any such buildings or
10 facilities may be of a revenue producing character in order
11 that the cost of the same or some part thereof, improvements
12 or extensions thereto may be paid from receipts therefrom
13 including rentals, leases, and sales to both public and
14 nonpublic agencies. The buildings or facilities which said
15 Authority is hereby authorized to acquire, construct, operate,
16 maintain, improve, and extend are public buildings, facilities
17 as defined in this act, and additions and improvements to
18 existing buildings and facilities for ultimate use in
19 connection with any governmental operation. Any property
20 acquired by the Authority under the provisions of this act may
21 ultimately be conveyed to the City or County free and clear of
22 all debt or other encumbrance.

23 (b) The Authority is hereby authorized to collect
24 reasonable rentals for the use of the public buildings,
25 facilities, or works constructed, acquired, or owned by it and
26 for the products and services of the same exclusively for the
27 purpose of paying the expenses of improving, repairing,
28 maintaining, and operating its facilities and properties and
29 paying the principal and interest on its obligations.

30 (4)(a) The Authority is hereby authorized and
31 empowered to issue its negotiable bonds, notes, or

1 certificates in its own name to effectuate all or any of the
2 purposes of this act and to pay any expenses incident thereto.
3 The form, denominations, rate of interest, amount, place of
4 payment, manner, place, and price of sale, date of retirement
5 and terms of redemption prior to maturity of said bonds,
6 notes, or certificates shall be fixed by said Authority. In no
7 case shall any such bonds, notes, or certificates mature later
8 than 40 years from date of issue, or bear interest at a rate
9 greater than 7 percent per annum or be sold at such price that
10 the net interest cost to the Authority shall exceed 7 percent
11 to the respective maturities thereof. The Authority may issue
12 and sell its bonds, notes, or certificates at either public or
13 private sale as it shall, in its discretion, determine.

14 (b) The bonds, notes, or certificates authorized under
15 this act shall be issued by resolution approved by at least
16 four of the members of the Authority; they shall be executed
17 and signed by its chair or vice chair and attested by its
18 secretary-treasurer or assistant secretary-treasurer, or such
19 other officer as may be designated by resolution of the
20 Authority, under the seal of said Authority and such execution
21 and attestation may be with an engraved, imprinted,
22 lithographed, or otherwise reproduced facsimile signature of
23 such chair or vice chair and secretary-treasurer, or assistant
24 secretary-treasurer, or such other officer as may be
25 designated by resolution of the Authority; provided, however,
26 that at least one signature required to be placed thereon
27 shall be manually subscribed. The bonds, notes, or
28 certificates shall recite that they are issued under authority
29 of this act. The said bonds, notes, or certificates of each
30 separate issue shall be consecutively numbered and shall be
31

1 recorded by the secretary-treasurer of the Authority in a book
2 to be kept for that purpose.

3 (c) In case any bond shall be mutilated, destroyed, or
4 improperly canceled, the Authority may issue a replacement
5 bond, which shall not be deemed an overissue, in accordance
6 with the Uniform Commercial Code, chapter 678, Florida
7 Statutes.

8 (d) As part of the security of any bonds the Authority
9 may covenant that some or all payments to be made to it under
10 any lease shall be paid directly to a trustee and applied by
11 said trustee as directed by the proceedings authorizing the
12 bonds. Such proceedings may further assign to the trustee any
13 or all rights of the Authority under any such lease or leases
14 and may authorize the trustee in its own name or in the name
15 of the Authority to bring such suit on any such lease or take
16 such other action as it deems advisable for the security of
17 the holders of the bonds.

18 (e) Bonds issued hereunder may be validated in
19 accordance with chapter 75, Florida Statutes. If bonds are
20 payable from amounts to be paid under leases by the City, the
21 County, or any person, firm, or corporation, public or
22 private, or the state, and if the complaint seeking the
23 validation of such bonds shall so request, the order and
24 service required by section 75.05, Florida Statutes, shall
25 show the name or names of the lessee or lessees, the duration
26 of the lease or leases, and that at the time and place fixed
27 for hearing on the validation of said bonds the court shall
28 also hear all questions of law and fact relating to the
29 validation of such lease or leases. Said order shall also
30 require all persons, in general terms and without naming them,
31 the lessees, and the state through its state attorney to

1 appear at said time and place and show why the complaint
2 should not be granted and each such lease validated. A copy of
3 the complaint and order shall be served on the lessee. If, in
4 the final judgment entered upon said hearing, the court
5 declares any such lease to be valid and binding, and if no
6 appeal is taken within the time prescribed, or if on appeal
7 such judgment is affirmed, then such lease shall be
8 conclusively deemed to be valid and binding upon the Authority
9 and upon the lessee and, if any such lessee be the City, the
10 County, or the State, upon all property owners, taxpayers,
11 citizens, and other persons in interest within the territorial
12 limits of such lessee.

13 (f) Whenever any bonds of the Authority shall have
14 been authorized under this act and validated, the Authority is
15 authorized to borrow money for the purposes for which such
16 bonds are to be issued in anticipation of the receipt of the
17 proceeds of the sale of such bonds and within the authorized
18 maximum amount of such bond issue. Any such loan shall mature
19 within 3 years after the date on which the issuance of such
20 bonds shall have been authorized. Bond anticipation notes
21 shall be issued for all moneys borrowed under the provisions
22 of this section, and such notes may be renewed from time to
23 time, but all such notes shall mature within the time above
24 limited for the maturity of the original loan, except that if
25 the bonds are offered for public sale at the maximum rate
26 specified in the validation petition and no bids are received,
27 said notes may be renewed for a period ending 6 months from
28 the date of said attempted public sale. Subsequent 6-month
29 renewals may be made after attempted public sales of the bonds
30 until the bonds are sold or other provisions made for payment
31 of the notes. Such notes shall be authorized by resolution of

1 the Authority and shall be in such denomination or
2 denominations, shall bear interest at such rate or rates not
3 exceeding the maximum rate permitted by the resolution
4 authorizing the issuance of the bonds, shall be in such form
5 and shall be executed in such manner, all as the Authority
6 shall prescribe. Such notes may be sold at either public or
7 private sale or, if such notes shall be renewal notes, they
8 may be exchanged for notes then outstanding on such terms as
9 the Authority shall determine. The Authority may, in its
10 discretion, retire any such notes by means of current rentals,
11 assessments, or other legally available revenues, in lieu of
12 retiring them by means of bonds; provided, however, that
13 before the retirement of such notes by any means other than
14 the issuance of bonds it shall amend or repeal the resolution
15 authorizing the issuance of the bonds in anticipation of the
16 proceeds of the sale of which such notes shall have been
17 issued so as to reduce the authorized amount of the bond issue
18 by the amount of the notes so retired.

19 (5) This act shall, without reference to any other act
20 of the Legislature, be full authority for the issuance and
21 disposition of the bonds, notes, or certificates herein
22 authorized, and all of same shall be investment securities
23 under the Uniform Commercial Code, chapter 678, Florida
24 Statutes. No financing, continuation, or other statements need
25 be filed to perfect or protect the rights and priorities of
26 the holders of such bonds, notes, or certificates. Said bonds,
27 notes, and certificates shall not be invalid for any
28 irregularity or defect in the proceedings for the issue and
29 sale thereof, and shall be incontestable in the hands of bona
30 fide purchasers or holders thereof for value; payment of said
31 bonds, notes, and certificates shall be secured by a pledge of

1 the revenues derived from all or any part of the facility or
2 facilities of the Authority, including rental payments
3 received by the Authority and any other revenues or funds
4 received by the Authority. The provisions of this act shall
5 constitute an irrevocable contract between the Authority and
6 the holders of any bonds, notes, or certificates issued under
7 this act. No bond or any other indebtedness created by the
8 Authority shall be construed as an obligation of the City, the
9 County, or the State, nor shall the City, the County, or the
10 State under any theory be bound therefor except as herein
11 provided. Said bonds shall be the obligations of the Authority
12 and shall be secured only by such revenues or other funds of
13 the Authority as shall be pledged as security for the payment
14 thereof.

15 (6) The Authority is hereby authorized and empowered
16 to pledge by resolution or contract the revenues arising from
17 the operation of any project or projects, facility or
18 facilities acquired, constructed, owned, operated, or
19 maintained by the Authority to the payment of the cost of
20 operation, maintenance, repair, improvement, extension and/or
21 enlargement of the project or projects, facility or facilities
22 from the operation of which such revenues are received and for
23 the payment of principal and interest on bonds issued in
24 connection with any such project or projects, facility or
25 facilities, and to combine for financing purposes any two or
26 more projects of facilities constructed or acquired by the
27 Authority under the provisions of this act. In any such case
28 the Authority may adopt separate budgets for the operation of
29 such project or projects, facility or facilities, and it shall
30 not be necessary to include such revenues and the expenditure
31 thereof in the general Authority budget except by reference

1 and for accounting purposes only. In every such case such
2 revenues shall be expended exclusively for the payment of the
3 costs of operation, maintenance, repair, improvement,
4 extension, and enlargement of the project or projects,
5 facility or facilities, from the operation of which such
6 revenues arise, for the performance of the Authority's
7 contracts in connection with such project or projects,
8 facility or facilities, and for the payment of principal and
9 interest requirements of any bonds issued in connection with
10 the project or projects, facility or facilities. Any surplus
11 of such funds remaining on hand at the end of any year shall
12 be carried forward and may be expended in the succeeding year
13 for the payment of the costs of operation and debt service of
14 any of the Authority's facilities or for the repair,
15 improvement, and/or extension thereof as the Authority may
16 determine, unless and to the extent that such surplus has been
17 pledged for the payment of principal and interest on bonds,
18 notes, or certificates issued pursuant to subsection (4) of
19 this Section.

20 Section 7. Issuance of bonds, notes, etc., of
21 Authority.--The Authority shall further have power and be
22 authorized, notwithstanding the provisions of any other laws
23 to the contrary, to issue its bonds, notes, or certificates as
24 provided in this act for the purpose of refunding any
25 outstanding bonds, notes, or certificates theretofore issued
26 for any project or projects, facility or facilities, or for
27 the combined purpose of refunding any outstanding bonds,
28 notes, or certificates, and the acquisition or construction of
29 any new improvement of any existing projects or project,
30 facility or facilities, or any combination of two or more
31 projects, facility, or facilities whether new projects or

1 existing projects, facility or facilities; provided, however,
2 that the outstanding bonds, notes, or certificates shall
3 mature or be callable prior to maturity not later than 10
4 years after the date of issuance of the new bonds, notes, or
5 certificates issued to refund such outstanding bonds, notes,
6 or certificates. Pending the payment of the principal of and
7 interest on any such outstanding bonds, notes, or certificates
8 which mature after the date of issuance of such new bonds,
9 notes, or certificates, a sufficient amount of the proceeds of
10 such new bonds, notes, or certificates shall be held
11 irrevocably in trust and used only for the payment of the
12 principal and interest of, and redemption premiums, if any, on
13 said outstanding bonds, notes, or certificates at or prior to
14 the maturity or first call date thereof. Such trust fund may
15 be invested and reinvested during such period in direct
16 obligations of the United States Government, or in obligations
17 the principal of and interest on which are unconditionally
18 guaranteed by the United States Government, or in bank
19 deposits evidenced by Bank Certificates of Deposit fully
20 secured by direct obligations of the United States Government
21 or obligations the principal and interest on which are
22 unconditionally guaranteed by the United States Government,
23 maturing not later than the dates upon which the moneys in
24 said fund will be needed for such purposes.

25 Section 8. Bonds or revenue certificates; legal
26 investments and security.--Notwithstanding any other
27 restrictions on investments contained in any law of this
28 state, the state and all public officers, municipal
29 corporations, political subdivisions and public bodies, all
30 banks, bankers, trust companies, savings banks, building and
31 loan associations, savings and loan associations, investment

1 companies, insurance companies, insurance associations, and
