The Committee on Appropriations recommended the following amendment:

Senate Amendment

On page 3, line 28, through
page 4, line 3, delete those lines

and insert:

(c) A 30-day supply of all HIV/AIDS-related medications that the inmate is taking prior to release under Department of Corrections protocols and United States Department of Health and Human Services treatment guidelines.

(6) By March 1, 2002, the department shall report to the Legislature regarding the implementation of this program. At a minimum, the report must include: the total number of inmates tested, the number of inmates testing positive for HIV, the number of inmates receiving special transitional assistance, and the number of inmates receiving medication in accordance with Department of Corrections protocols and United States Department of Health and Human Services treatment guidelines.
