1 265.702 Regional cultural facilities; grants for
2 acquisition, renovation, or construction; funding; approval;
3 allocation.--

4 (1) The Division of Cultural Affairs of the Department
5 of State may accept and administer moneys that are
6 appropriated to it for providing grants to counties,
7 municipalities, and qualifying nonprofit corporations for the
8 acquisition, renovation, or construction of regional cultural
9 facilities.

10 (2) A county, municipality, or qualified corporation
11 may apply for a grant of state funds for the acquisition,
12 renovation, or construction of a regional cultural facility.

13 As used in this section, the term "qualified corporation"
14 means a corporation that is designated as a not-for-profit
15 corporation pursuant to s. 501(c)(3) or s. 501(c)(4) of the
16 Internal Revenue Code, that is described in and allowed to
17 receive contributions under s. 170 of the Internal Revenue
18 Code, and that is a corporation not for profit incorporated
19 under chapter 617.

20 (3) Any entity that owns an interest in the land upon
21 which a regional cultural facility is located or is to be
22 located must meet the requirements set forth in subsection
23 (2). A state grant awarded under this section must be matched
24 by a contribution from the county, municipality, or nonprofit
25 corporation in an amount equal to \$2 for each \$1 awarded under
26 this section.

27 (4) The Florida Arts Council shall review each
28 application for a grant to acquire, renovate, or construct a
29 regional cultural facility which is submitted pursuant to
30 subsection (2) and shall submit annually to the Secretary of
31 State for approval a list of all applications received and a

1 list of all projects that are recommended by the council for
2 the award of grants, arranged in order of priority. The
3 division may allocate grants only for regional cultural
4 facilities that are approved by the secretary or for which
5 funds are appropriated by the Legislature. Regional cultural
6 facilities that are approved and recommended by the Secretary
7 of State but are not funded by the Legislature shall be
8 retained on the project list for the following grant cycle
9 only. For each project that is retained, such information as
10 the department requires must be submitted by the established
11 deadline date of the latest grant cycle, in order to
12 adequately reflect the most current status of the regional
13 cultural facility.

14 (5) As used in this section, the term "regional
15 cultural facility" means an existing or proposed fixed
16 facility that is primarily engaged in cultural programs and
17 that:

18 (a) Has educational programs of excellence and
19 facilities, space, and staff dedicated to the development and
20 delivery of such cultural programs;

21 (b) Presents cultural programs or exhibits which are
22 of national or international renown or reputation;

29 (6) With respect to the matching funds required under
30 subsection (3):

31

1 (a) In-kind contributions of goods or services may be
2 counted toward 50 percent of the required match; however, any
3 such in-kind contribution:

4 1. Must be documented and valued at the fair-market
5 value to the facility;

6 2. Must directly relate to the facility's acquisition,
7 renovation, or construction; and

8 3. Must not be in the form of a lease.

9 (b) Documented expenditures made for project purposes
10 during the 3 years immediately preceding the award of a grant
11 may be used.

12 (7) The annual amount of a grant made under this
13 section may not exceed the lesser of \$2.5 million or 10
14 percent of the total costs of the regional cultural facility.
15 The total amount of the grants awarded to a regional cultural
16 facility in a 5-year period may not exceed the lesser of \$10
17 million or 10 percent of the total costs of a regional
18 cultural facility. The total cost of a regional cultural
19 facility must be calculated with respect to the primary scope
20 of the original proposal as submitted under this section and
21 may not include the cost of any additions that change the
22 scope of the regional cultural facility, such as additional
23 facilities or significant design alterations.

24 (8) The Division of Cultural Affairs may adopt rules
25 pursuant to ss. 120.536(1) and 120.54 prescribing the criteria
