Be It Enacted by the Legislature of the State of Florida: 1 2 3 Section 1. Subsections (1), (2), (5), and (7) of 4 section 240.40201, Florida Statutes, are amended, and 5 subsection (11) is added to that section, to read: 6 240.40201 Florida Bright Futures Scholarship 7 Program.--8 (1) The Florida Bright Futures Scholarship Program is 9 created to establish a lottery-funded scholarship program to 10 reward any Florida high school graduate who merits recognition of high academic achievement and who enrolls in a degree 11 12 program, certificate program, or applied technology diploma program at an eligible Florida public or private postsecondary 13 14 education institution within 7 $\frac{3}{2}$ years after of graduation from high school. An award may not be provided to a student 15 16 beyond 7 years after high school graduation, regardless of the 17 year in which the student first receives scholarship funding. 18 (2) The Bright Futures Scholarship Program consists of 19 three types of awards, the Florida Academic Scholarship, the 20 Florida Medallion Merit Scholarship, and the Florida 21 Vocational Gold Seal Vocational Scholarship. 22 The department shall issue awards from the (5) 23 scholarship program annually. Annual awards may be for up to 45 semester credit hours or the equivalent. Before the 24 25 registration period each semester, the department shall 26 transmit payment for each award to the president or director of the postsecondary education institution, or his or her 27 28 representative, except that the department may withhold 29 payment if the receiving institution fails to report or to 30 make refunds to the department as required in this act. 31 2

1	(a) Within 30 days after the end of regular
2	registration each semester, the educational institution shall
3	certify to the department the eligibility status of each
4	student who receives an award. After the end of the drop and
5	add period, an institution is not required to reevaluate or
6	revise a student's eligibility status, but must make a refund
7	to the department if a student who receives an award
8	disbursement terminates enrollment for any reason during an
9	academic term and a refund is permitted by the institution's
10	refund policy.
11	(b) An institution that receives funds from the
12	program shall certify to the department the amount of funds
13	disbursed to each student and shall remit to the department
14	any undisbursed advances within 60 days after the end of
15	regular registration.
16	(c) Each institution that receives moneys through this
17	program shall prepare an annual report that includes an
18	independent external audit or an audit prepared by the Office
19	of the Auditor General. The report shall include an audit of
20	the institution's administration of the program and a complete
21	accounting of the moneys for the program. This report must be
22	submitted to the department annually by March 1. The
23	department may conduct its own annual audit of an
24	institution's administration of the program. The department
25	may request a refund of any moneys overpaid to the institution
26	for the program. The department may suspend or revoke an
27	institution's eligibility to receive future moneys for the
28	program if the department finds that an institution has not
29	complied with this section. The institution must remit within
30	60 days any refund requested in accordance with this
31	subsection.

1	(7) A student may receive only one type of award from
2	the Florida Bright Futures Scholarship Program at a time, but
3	may transfer from one type of award to another through the
4	renewal application process, if the student's eligibility
5	status changes. However, a student is not eligible to transfer
6	from a Florida <u>Medallion</u> Merit Scholarship or a Florida
7	Vocational Gold Seal <u>Vocational</u> Scholarship to a Florida
8	Academic Scholarship. A student who receives an award from the
9	program may also receive a federal family education loan or a
10	federal direct loan, and the value of the award must be
11	considered in the certification or calculation of the
12	student's loan eligibility.
13	(11) A student who graduated from high school in 1997
14	or earlier and who is eligible for the Florida Undergraduate
15	Scholar's Program pursuant to s. 240.402, Florida Statutes,
16	1996 Supplement, is eligible for the Florida Academic Scholars
17	award as provided in this chapter. A student who graduated
18	from high school in 1997 or earlier and who is eligible for
19	the Florida Vocational Gold Seal Endorsement Scholarship award
20	pursuant to s. 240.40201, Florida Statutes, 1996 Supplement,
21	is eligible for the Florida Gold Seal Vocational Scholarship
22	award as provided in this chapter. Award eligibility ends 7
23	years after high school graduation.
24	Section 2. Paragraphs (b) and (f) of subsection (1)
25	and subsection (2) of section 240.40202, Florida Statutes, are
26	amended to read:
27	240.40202 Florida Bright Futures Scholarship Program;
28	student eligibility requirements for initial awards
29	(1) To be eligible for an initial award from any of
30	the three types of scholarships under the Florida Bright
31	Futures Scholarship Program, a student must:
