Senator Sullivan moved the following amendment:

**Senate Amendment (with title amendment)**

Delete everything after the enacting clause

and insert:

Section 1. This act may be cited as the "K-20 Funds Flexibility Act."

Section 2. (1) Notwithstanding section 216.292(3)(a) and (b), Florida Statutes, and pursuant to section 216.351, Florida Statutes, the Commissioner of Education and the Secretary of Education may transfer funds from identical fund sources between Salaries and Benefits, Other Personal Services, Expenses, and Operating Capital Outlay within, but not among, the budget entities listed below:

(a) Office of Student Financial Assistance;

(b) Division of Public Schools -- Executive Direction and Support Services;

(c) State Oversight and Assistance -- Public Schools;

(d) Division of Workforce Development -- Executive Direction and Support Services;

Bill No. HB 13-C, 1st Eng.

Amendment No. \_\_\_\_ Barcode 960242

1           (e) Division of Community Colleges -- Executive  
2 Direction and Support Services; and

3           (f) Division of Universities -- Board of Regents  
4 General Office.

5           (2) Transfers pursuant to this section may not exceed  
6 the number of authorized positions and the approved salary  
7 rate.

8           (3) Transfers pursuant to this section must be  
9 consistent with K-20 legislative policy and intent and must  
10 not adversely affect the oversight, evaluation, or reporting  
11 duties for the Department of Education.

12           (4) The Secretary of Education shall report to the  
13 Florida Board of Education the amount of funds transferred  
14 pursuant to this section and the purpose of the transfer.

15           Section 3. (1)(a) During the 2001-2002 fiscal year,  
16 each district school board is authorized the following  
17 flexibility to expend funds allocated to the school district  
18 from the appropriations in chapter 2001-253, Laws of Florida:

19           1. If a district school board finds and declares in a  
20 resolution adopted at a regular meeting of the school board  
21 that the funds received for any of the following programs are  
22 urgently needed to maintain board-specified academic classroom  
23 instruction, the school board may consider and approve an  
24 amendment to the school district's 2001-2002 operating budget  
25 transferring the identified amount of funds to the appropriate  
26 account for expenditure:

27           a. Section 236.083, Florida Statutes, Funds for  
28 Student Transportation, Specific Appropriation 121.

29           b. Section 236.081(3), Florida Statutes, Funds for  
30 Inservice Educational Personnel Training, Specific  
31 Appropriation 122.

Bill No. HB 13-C, 1st Eng.

Amendment No.      Barcode 960242

1           c. Funds allocated for Safe Schools Activities,  
2 Specific Appropriation 118.

3           d. Funds for Public School Technology, Specific  
4 Appropriation 120A.

5           e. Funds for Teacher Recruitment Signing Bonuses,  
6 Specific Appropriation 119, which are in excess of the amount  
7 required to provide \$850 Teacher Retention Bonuses.

8           f. Section 231.67, Florida Statutes, the Florida  
9 Teacher Lead Program Stipend, Specific Appropriation 122A,  
10 carry-forward funds only. Carry-forward funds from this  
11 program may be used only after the district school board  
12 certifies to the department that every eligible teacher has  
13 received his or her stipend.

14           2. If the district school board finds that funds  
15 allocated for the purpose set forth in section 236.08104,  
16 Florida Statutes, Supplemental Academic Instruction, Specific  
17 Appropriation 118, are budgeted to be expended for  
18 nonclassroom instruction, the school board may consider and  
19 approve an amendment to the school district's 2001-2002  
20 operating budget transferring such funds to an appropriate  
21 academic classroom instruction account for expenditure.

22           (b) Each district school board shall report to the  
23 Department of Education the amount of funds it transferred  
24 from each of the programs identified in this subsection and  
25 the specific academic classroom instruction for which these  
26 funds were expended. The department shall provide instructions  
27 and specify the format to be used in submitting this required  
28 information. The department shall submit to the Governor, the  
29 President of the Senate, and the Speaker of the House of  
30 Representatives a report showing the actions taken by each  
31 district school board and a statewide summary for all school

1 districts.

2 (2) During the 2001-2002 fiscal year, district school  
3 boards may use funds reserved to comply with section  
4 230.23(5)(c), Florida Statutes, to maintain board-specified  
5 classroom instruction. However, each district's 2002-2003  
6 adopted district school board budget must comply with section  
7 230.23(5)(c), Florida Statutes.

8 Section 4. Paragraph 7 of the proviso language for  
9 Specific Appropriation 118 of chapter 2001-253, Laws of  
10 Florida, is repealed.

11 Section 5. (1) During the 2001-2002 fiscal year,  
12 community college boards of trustees and university boards of  
13 trustees may amend their operating budgets, but they must  
14 maintain the integrity of the legislative appropriations  
15 categories.

16 (2) Notwithstanding any provisions of law to the  
17 contrary and pursuant to the provisions of section 216.351,  
18 Florida Statutes, community college boards of trustees are  
19 granted flexibility to expend funds appropriated in the state  
20 appropriation categories of Workforce Development, Performance  
21 Based Incentives, and the Community College Program Fund as  
22 the board determines will enable it to best meet the financial  
23 needs of the college during fiscal year 2001-2002, regardless  
24 of any restrictions or earmarks that have been made by the  
25 Legislature. The expenditure decisions by the board must not  
26 affect the college's allocation from these specific  
27 appropriations in future state appropriations. In addition,  
28 this flexibility is also granted:

29 (a) To each board to determine how the college will  
30 expend its appropriation from High Demand-Return on Investment  
31 categorical appropriation for fiscal year 2001-2002;

1           (b) To Miami-Dade Community College and Florida  
 2 Community College at Jacksonville for funds originally  
 3 appropriated for construction training; and

4           (c) To Lake-Sumter Community College for funds  
 5 originally appropriated only for technology.

6           (3) Transfers made pursuant to this section must not  
 7 require future increases in appropriations and must further  
 8 the mission of the institutions and improve the ability to  
 9 meet performance expectations referenced in section 55 of  
 10 chapter 2001-254, Laws of Florida. Maximum consideration must  
 11 be given to maintaining instruction and other services for  
 12 students.

13           Section 6. Subsection (2) of section 235.187, Florida  
 14 Statutes, is amended and subsection (6) is added to that  
 15 section to read:

16           235.187 Classrooms First Program; uses.--

17           (2) A district school board shall expend the funds  
 18 received pursuant to this section only to:

19           (a) Construct, renovate, remodel, repair, or maintain  
 20 educational facilities; ~~or~~

21           (b) Pay debt service on bonds issued pursuant to this  
 22 section, the proceeds of which must be expended for new  
 23 construction, remodeling, renovation, and major repairs. Bond  
 24 proceeds shall be expended first for providing permanent  
 25 classroom facilities. Bond proceeds shall not be expended for  
 26 any other facilities until all unmet needs for permanent  
 27 classrooms and auxiliary facilities as defined in s. 235.011  
 28 have been satisfied; ~~or-~~

29           (c) Provide loans to other school districts for new  
 30 school construction pursuant to subsection (6).

Bill No. HB 13-C, 1st Eng.

Amendment No. \_\_\_\_ Barcode 960242

1 However, if more than 9 percent of a district's total square  
2 feet is more than 50 years old, the district must spend at  
3 least 25 percent of its allocation on the renovation, major  
4 repair, or remodeling of existing schools, except that  
5 districts with fewer than 10,000 full-time equivalent students  
6 are exempt from this requirement.

7 (6) School districts may enter into interlocal  
8 agreements to lend their Classrooms First Program funds as  
9 provided in paragraph (2)(c). A school district or multiple  
10 school districts that receive cash proceeds may, after  
11 considering their own new construction needs outlined in their  
12 5-year district facilities work program, lend their Classrooms  
13 First Program funds to another school district that has need  
14 for new facilities. The interlocal agreement must be approved  
15 by the Secretary of Education and must outline the amount of  
16 the funds to be lent, the term of the loan, the repayment  
17 schedule, and any interest amount to be repaid in addition to  
18 the principal amount of the loan.

19 Section 7. This act shall take effect upon becoming a  
20 law and, except for section 6, expires June 30, 2002.
