3 with federal, state, and local law, and who agrees that no
4 person shall, on the grounds of handicap, race, color, or
5 national origin, or for any other reason, be subjected to
6 discrimination under any program or activity for which the
7 provider receives payment from the agency.

8 (5) The agency:

9 (a) Is required to make timely payment at the
10 established rate for services or goods furnished to a
11 recipient by the provider upon receipt of a properly completed
12 claim form. The claim form shall require certification that
13 the services or goods have been completely furnished to the
14 recipient and that, with the exception of those services or
15 goods specified by the agency, the amount billed does not
16 exceed the provider's usual and customary charge for the same
17 services or goods. The agency may withhold payment to a
18 provider for any pending claim if the provider is under an
19 active fraud or abuse investigation by the agency until the
20 conclusion of the investigation by the agency. When exercising
21 the provisions of this paragraph, the agency shall complete
22 its investigation in a timely manner.

23 (7) The agency may require, as a condition of
24 participating in the Medicaid program and before entering into
25 the provider agreement, that the provider submit information,
26 in an initial and any required renewal applications,
27 concerning the professional, business, and personal background
28 of the provider and permit an onsite inspection of the
29 provider's service location by agency staff or other personnel
30 designated by the agency to perform this function. Before
31 entering into the provider agreement, or as a condition of

1 continuing participation in the Medicaid program, the agency
2 may also require that Medicaid providers reimbursed on a
3 fee-for-services basis or fee schedule basis which is not
4 cost-based, post a surety bond not to exceed \$50,000 or the
5 total amount billed by the provider to the program during the
6 current or most recent calendar year, whichever is greater.
7 For new providers, the amount of the surety bond shall be
8 determined by the agency based on the provider's estimate of
9 its first year's billing. If the provider's billing during the
10 first year exceeds the bond amount, the agency may require the
11 provider to acquire an additional bond equal to the actual
12 billing level of the provider. A provider's bond shall not
13 exceed \$50,000 if a physician or group of physicians licensed
14 under chapter 458, chapter 459, or chapter 460 has a 50
15 percent or greater ownership interest in the provider or if
16 the provider is an assisted living facility licensed under
17 part III of chapter 400. The bonds permitted by this section
18 are in addition to the bonds referenced in s. 400.179(4)(d).
19 If the provider is a corporation, partnership, association, or
20 other entity, the agency may require the provider to submit
21 information concerning the background of that entity and of
22 any principal of the entity, including any partner or
23 shareholder having an ownership interest in the entity equal
24 to 5 percent or greater, and any treating provider who
25 participates in or intends to participate in Medicaid through
26 the entity. The information must include:

29 jurisdiction in which the provider is located or if required
30 by the Federal Government.

1 (b) Information concerning any prior violation, fine,
2 suspension, termination, or other administrative action taken
3 under the Medicaid laws, rules, or regulations of this state
4 or of any other state or the Federal Government; any prior
5 violation of the laws, rules, or regulations relating to the
6 Medicare program; any prior violation of the rules or
7 regulations of any other public or private insurer; and any
8 prior violation of the laws, rules, or regulations of any
9 regulatory body of this or any other state.

10 (c) Full and accurate disclosure of any financial or
11 ownership interest that the provider, or any principal,
12 partner, or major shareholder thereof, may hold in any other
13 Medicaid provider or health care related entity or any other
14 entity that is licensed by the state to provide health or
15 residential care and treatment to persons.

16 (d) If a group provider, identification of all members
17 of the group and attestation that all members of the group are
18 enrolled in or have applied to enroll in the Medicaid program.

20 application, and completion of any necessary background
21 investigation and criminal history record check, the agency
22 must either:

23 (a) Enroll the applicant as a Medicaid provider no
24 earlier than the effective date of the approval of the
25 provider application; or

26 (b) Deny the application if the agency finds that it
27 is in the best interest of the Medicaid program to do so. The
28 agency may consider the factors listed in subsection (10), as
29 well as any other factor that could affect the effective and
30 efficient administration of the program, including, but not
31 limited to, the current availability of medical care,

1 services, or supplies to recipients, taking into account
2 geographic location and reasonable travel time; the number of
3 providers of the same type already enrolled in the same
4 geographic area; and the credentials, experience, success, and
5 patient outcomes of the provider for the services for which it
6 is making application to provide in the Medicaid program.

7 Section 7. Paragraphs (g) and (t) of subsection (3)
8 and subsections (14) and (20) of section 409.908, Florida
9 Statutes, are amended to read:

10 409.908 Reimbursement of Medicaid providers.--Subject
11 to specific appropriations, the agency shall reimburse
12 Medicaid providers, in accordance with state and federal law,
13 according to methodologies set forth in the rules of the
14 agency and in policy manuals and handbooks incorporated by
15 reference therein. These methodologies may include fee
16 schedules, reimbursement methods based on cost reporting,
17 negotiated fees, competitive bidding pursuant to s. 287.057,
18 and other mechanisms the agency considers efficient and
19 effective for purchasing services or goods on behalf of
20 recipients. Payment for Medicaid compensable services made on
21 behalf of Medicaid eligible persons is subject to the
22 availability of moneys and any limitations or directions
23 provided for in the General Appropriations Act or chapter 216.
24 Further, nothing in this section shall be construed to prevent
25 or limit the agency from adjusting fees, reimbursement rates,
26 lengths of stay, number of visits, or number of services, or
27 making any other adjustments necessary to comply with the
28 availability of moneys and any limitations or directions
29 provided for in the General Appropriations Act, provided the
30 adjustment is consistent with legislative intent.

31

1 (3) Subject to any limitations or directions provided
2 for in the General Appropriations Act, the following Medicaid
3 services and goods may be reimbursed on a fee-for-service
4 basis. For each allowable service or goods furnished in
5 accordance with Medicaid rules, policy manuals, handbooks, and
6 state and federal law, the payment shall be the amount billed
7 by the provider, the provider's usual and customary charge, or
8 the maximum allowable fee established by the agency, whichever
9 amount is less, with the exception of those services or goods
10 for which the agency makes payment using a methodology based
11 on capitation rates, average costs, or negotiated fees.

12 (g) Children's hearing services.

13 (t) Children's visual services.

14 (14) A provider of prescribed drugs shall be
15 reimbursed the least of the amount billed by the provider, the
16 provider's usual and customary charge, or the Medicaid maximum
17 allowable fee established by the agency, plus a dispensing
18 fee. The agency is directed to implement a variable dispensing
19 fee for payments for prescribed medicines while ensuring
20 continued access for Medicaid recipients. The variable
21 dispensing fee may be based upon, but not limited to, ~~either~~
22 ~~or both~~ the volume of prescriptions dispensed by a specific
23 pharmacy provider, and the volume of prescriptions dispensed
24 to an individual recipient, and dispensing of preferred drug
25 list products. The agency shall increase the pharmacy
26 dispensing fee authorized by statute and appropriation by
27 \$0.50 for the dispensing of a Medicaid preferred drug list
28 product and reduce the pharmacy dispensing fee by \$0.50 for
29 the dispensing of a Medicaid product that is not included on
30 the preferred drug list.The agency is authorized to limit
31 reimbursement for prescribed medicine in order to comply with

1 any limitations or directions provided for in the General
2 Appropriations Act, which may include implementing a
3 prospective or concurrent utilization review program.

4 (20) A renal dialysis facility that provides dialysis
5 services under s. 409.906(8)~~(9)~~ must be reimbursed the lesser
6 of the amount billed by the provider, the provider's usual and
7 customary charge, or the maximum allowable fee established by
8 the agency, whichever amount is less.

9 Section 8. Subsection (26) of section 409.912, Florida
10 Statutes, is amended to read:

11 409.912 Cost-effective purchasing of health care.--The
12 agency shall purchase goods and services for Medicaid
13 recipients in the most cost-effective manner consistent with
14 the delivery of quality medical care. The agency shall
15 maximize the use of prepaid per capita and prepaid aggregate
16 fixed-sum basis services when appropriate and other
17 alternative service delivery and reimbursement methodologies,
18 including competitive bidding pursuant to s. 287.057, designed
19 to facilitate the cost-effective purchase of a case-managed
20 continuum of care. The agency shall also require providers to
21 minimize the exposure of recipients to the need for acute
22 inpatient, custodial, and other institutional care and the
23 inappropriate or unnecessary use of high-cost services. The
24 agency may establish prior authorization requirements for
25 certain populations of Medicaid beneficiaries, certain drug
26 classes, or particular drugs to prevent fraud, abuse, overuse,
27 and possible dangerous drug interactions. The Pharmaceutical
28 and Therapeutics Committee shall make recommendations to the
29 agency on drugs for which prior authorization is required. The
30 agency shall inform the Pharmaceutical and Therapeutics
31

1 Committee of its decisions regarding drugs subject to prior
2 authorization.

3 (26) The agency shall perform ~~choice counseling,~~
4 enrollments, and disenrollments for Medicaid recipients who
5 are eligible for MediPass or managed care plans.
6 Notwithstanding the prohibition contained in paragraph
7 (18)(f), managed care plans may perform preenrollments of
8 Medicaid recipients under the supervision of the agency or its
9 agents. For the purposes of this section, "preenrollment"
10 means the provision of marketing and educational materials to
11 a Medicaid recipient and assistance in completing the
12 application forms, but shall not include actual enrollment
13 into a managed care plan. An application for enrollment shall
14 not be deemed complete until the agency or its agent verifies
15 that the recipient made an informed, voluntary choice. The
16 agency, in cooperation with the Department of Children and
17 Family Services, may test new marketing initiatives to inform
18 Medicaid recipients about their managed care options at
19 selected sites. The agency shall report to the Legislature on
20 the effectiveness of such initiatives. The agency may
21 contract with a third party to perform managed care plan and
22 MediPass ~~choice counseling,~~ enrollment, and disenrollment
23 services for Medicaid recipients and is authorized to adopt
24 rules to implement such services. The agency may adjust the
25 capitation rate only to cover the costs of a third-party
26 ~~choice counseling,~~ enrollment, and disenrollment contract, and
27 for agency supervision and management of the managed care plan
28 ~~choice counseling,~~ enrollment, and disenrollment contract.

29 Section 9. Paragraph (e) of subsection (2) of section
30 409.9122, Florida Statutes, is amended to read:

31

1 409.9122 Mandatory Medicaid managed care enrollment;
2 programs and procedures.--

3 (2)

4 (e) ~~Prior to requesting a Medicaid recipient who is~~
5 ~~subject to mandatory managed care enrollment to make a choice~~
6 ~~between a managed care plan or MediPass, the agency shall~~
7 ~~contact and provide choice counseling to the recipient.~~

8 Medicaid recipients who are already enrolled in a managed care
9 plan or MediPass shall be offered the opportunity to change
10 managed care plans or MediPass providers on a staggered basis,
11 as defined by the agency. All Medicaid recipients shall have
12 90 days in which to make a choice of managed care plans or
13 MediPass providers. Those Medicaid recipients who do not make
14 a choice shall be assigned to a managed care plan or MediPass
15 in accordance with paragraph (f). To facilitate continuity of
16 care, for a Medicaid recipient who is also a recipient of
17 Supplemental Security Income (SSI), prior to assigning the SSI
18 recipient to a managed care plan or MediPass, the agency shall
19 determine whether the SSI recipient has an ongoing
20 relationship with a MediPass provider or managed care plan,
21 and if so, the agency shall assign the SSI recipient to that
22 MediPass provider or managed care plan. Those SSI recipients
23 who do not have such a provider relationship shall be assigned
