30 availability of moneys and any limitations or directions  
31 provided for in the General Appropriations Act or chapter 216.

1 If necessary to safeguard the state's systems of providing

16 services which are optional to the state under Title XIX of  
17 the Social Security Act and are furnished by Medicaid  
18 providers to recipients who are determined to be eligible on  
19 the dates on which the services were provided. Any optional  
20 service that is provided shall be provided only when medically  
21 necessary and in accordance with state and federal law.  
22 Optional services rendered by providers in mobile units to  
23 Medicaid recipients may be restricted or prohibited by the  
24 agency. Nothing in this section shall be construed to prevent  
25 or limit the agency from adjusting fees, reimbursement rates,  
26 lengths of stay, number of visits, or number of services, or  
27 making any other adjustments necessary to comply with the  
28 availability of moneys and any limitations or directions  
29 provided for in the General Appropriations Act or chapter 216.  
30 If necessary to safeguard the state's systems of providing  
31 services to elderly and disabled persons and subject to the

1 notice and review provisions of s. 216.177, the Governor may  
2 direct the Agency for Health Care Administration to amend the  
3 Medicaid state plan to delete the optional Medicaid service

7 may pay for home-based or community-based services that are  
8 rendered to a recipient in accordance with a federally  
9 approved waiver program. The agency may limit or eliminate  
10 coverage for certain Project AIDS Care Waiver services,  
11 preauthorize high-cost or highly utilized services, or make  
12 any other adjustments necessary to comply with any limitations  
13 or directions provided for in the General Appropriations Act.

14 Section 5. Subsections (3) and (5) of section  
15 409.9065, Florida Statutes, are amended to read:

16 409.9065 Pharmaceutical expense assistance.--

17 (3) BENEFITS.--Medications covered under the  
18 pharmaceutical expense assistance program are those covered  
19 under the Medicaid program in s. 409.906(19)~~s. 409.906(20)~~.  
20 Monthly benefit payments shall be limited to \$80 per program  
21 participant. Participants are required to make a 10-percent  
22 coinsurance payment for each prescription purchased through  
23 this program.

24 (5) NONENTITLEMENT.--The pharmaceutical expense  
25 assistance program established by this section is not an  
26 entitlement. Enrollment levels are limited to those authorized  
27 by the Legislature in the annual General Appropriations Act.  
28 If funds are insufficient to serve all individuals eligible  
29 under subsection (2) and seeking coverage, the agency may  
30 develop a waiting list based on application dates to use in  
31 enrolling individuals in unfilled enrollment slots.

1           Section 6. Effective upon this act becoming a law,  
2 subsections (7) and (9) of section 409.907, Florida Statutes,  
3 are amended to read:

4           409.907 Medicaid provider agreements.--The agency may  
5 make payments for medical assistance and related services  
6 rendered to Medicaid recipients only to an individual or  
7 entity who has a provider agreement in effect with the agency,  
8 who is performing services or supplying goods in accordance  
9 with federal, state, and local law, and who agrees that no  
10 person shall, on the grounds of handicap, race, color, or  
11 national origin, or for any other reason, be subjected to  
12 discrimination under any program or activity for which the  
13 provider receives payment from the agency.

14           (7) The agency may require, as a condition of  
15 participating in the Medicaid program and before entering into  
16 the provider agreement, that the provider submit information,  
17 in an initial and any required renewal applications,  
18 concerning the professional, business, and personal background  
19 of the provider and permit an onsite inspection of the  
20 provider's service location by agency staff or other personnel  
21 designated by the agency to perform this function. As a  
22 continuing condition of participation in the Medicaid program,  
23 a provider shall immediately notify the agency of any current  
24 or pending bankruptcy filing. Before entering into the  
25 provider agreement, or as a condition of continuing  
26 participation in the Medicaid program, the agency may also  
27 require that Medicaid providers reimbursed on a  
28 fee-for-services basis or fee schedule basis which is not  
29 cost-based, post a surety bond not to exceed \$50,000 or the  
30 total amount billed by the provider to the program during the  
31 current or most recent calendar year, whichever is greater.

1 For new providers, the amount of the surety bond shall be  
2 determined by the agency based on the provider's estimate of  
3 its first year's billing. If the provider's billing during the  
4 first year exceeds the bond amount, the agency may require the  
5 provider to acquire an additional bond equal to the actual  
6 billing level of the provider. A provider's bond shall not  
7 exceed \$50,000 if a physician or group of physicians licensed  
8 under chapter 458, chapter 459, or chapter 460 has a 50  
9 percent or greater ownership interest in the provider or if  
10 the provider is an assisted living facility licensed under  
11 part III of chapter 400. The bonds permitted by this section  
12 are in addition to the bonds referenced in s. 400.179(4)(d).  
13 If the provider is a corporation, partnership, association, or  
14 other entity, the agency may require the provider to submit  
15 information concerning the background of that entity and of  
16 any principal of the entity, including any partner or  
17 shareholder having an ownership interest in the entity equal  
18 to 5 percent or greater, and any treating provider who  
19 participates in or intends to participate in Medicaid through  
20 the entity. The information must include:

21 (a) Proof of holding a valid license or operating  
22 certificate, as applicable, if required by the state or local  
23 jurisdiction in which the provider is located or if required  
24 by the Federal Government.

25 (b) Information concerning any prior violation, fine,  
26 suspension, termination, or other administrative action taken  
27 under the Medicaid laws, rules, or regulations of this state  
28 or of any other state or the Federal Government; any prior  
29 violation of the laws, rules, or regulations relating to the  
30 Medicare program; any prior violation of the rules or  
31 regulations of any other public or private insurer; and any

1 prior violation of the laws, rules, or regulations of any  
2 regulatory body of this or any other state.

3 (c) Full and accurate disclosure of any financial or  
4 ownership interest that the provider, or any principal,  
5 partner, or major shareholder thereof, may hold in any other  
6 Medicaid provider or health care related entity or any other  
7 entity that is licensed by the state to provide health or  
8 residential care and treatment to persons.

9 (d) If a group provider, identification of all members  
10 of the group and attestation that all members of the group are  
11 enrolled in or have applied to enroll in the Medicaid program.

12 (9) Upon receipt of a completed, signed, and dated  
13 application, and completion of any necessary background  
14 investigation and criminal history record check, the agency  
15 must either:

16 (a) Enroll the applicant as a Medicaid provider no  
17 earlier than the effective date of the approval of the  
18 provider application; or

19 (b) Deny the application if the agency finds that it  
20 is in the best interest of the Medicaid program to do so. The  
21 agency may consider the factors listed in subsection (10), as  
22 well as any other factor that could affect the effective and  
23 efficient administration of the program, including, but not  
24 limited to, the current availability of medical care,  
25 services, or supplies to recipients, taking into account  
26 geographic location and reasonable travel time; the number of  
27 providers of the same type already enrolled in the same  
28 geographic area; and the credentials, experience, success, and  
29 patient outcomes of the provider for the services that it is  
30 making application to provide in the Medicaid program.

31

1           Section 7. Paragraph (d) is added to subsection (12)  
2 of section 409.908, Florida Statutes, and subsection (14) of  
3 that section is amended, to read:

4           409.908 Reimbursement of Medicaid providers.--Subject  
5 to specific appropriations, the agency shall reimburse  
6 Medicaid providers, in accordance with state and federal law,  
7 according to methodologies set forth in the rules of the  
8 agency and in policy manuals and handbooks incorporated by  
9 reference therein. These methodologies may include fee  
10 schedules, reimbursement methods based on cost reporting,  
11 negotiated fees, competitive bidding pursuant to s. 287.057,  
12 and other mechanisms the agency considers efficient and  
13 effective for purchasing services or goods on behalf of  
14 recipients. Payment for Medicaid compensable services made on  
15 behalf of Medicaid eligible persons is subject to the  
16 availability of moneys and any limitations or directions  
17 provided for in the General Appropriations Act or chapter 216.  
18 Further, nothing in this section shall be construed to prevent  
19 or limit the agency from adjusting fees, reimbursement rates,  
20 lengths of stay, number of visits, or number of services, or  
21 making any other adjustments necessary to comply with the  
22 availability of moneys and any limitations or directions  
23 provided for in the General Appropriations Act, provided the  
24 adjustment is consistent with legislative intent.

25           (12)

26           (d) For the 2001-2002 fiscal year only and if  
27 necessary to meet the requirements for grants and donations  
28 for the special Medicaid payments authorized in the 2001-2002  
29 General Appropriations Act, the agency may make special  
30 Medicaid payments to qualified Medicaid providers designated  
31 by the agency, notwithstanding any provision of this

1 subsection to the contrary, and may use intergovernmental  
2 transfers from state entities to serve as the state share of  
3 such payments.

4 (14) A provider of prescribed drugs shall be  
5 reimbursed the least of the amount billed by the provider, the  
6 provider's usual and customary charge, or the Medicaid maximum  
7 allowable fee established by the agency, plus a dispensing  
8 fee. The agency is directed to implement a variable dispensing  
9 fee for payments for prescribed medicines while ensuring  
10 continued access for Medicaid recipients. The variable  
11 dispensing fee may be based upon, but not limited to, either  
12 or both the volume of prescriptions dispensed by a specific  
13 pharmacy provider, and the volume of prescriptions dispensed  
14 to an individual recipient, and dispensing of  
15 preferred-drug-list products. The agency shall increase the  
16 pharmacy dispensing fee authorized by statute and in the  
17 annual General Appropriations Act by \$0.50 for the dispensing  
18 of a Medicaid preferred-drug-list product and reduce the  
19 pharmacy dispensing fee by \$0.50 for the dispensing of a  
20 Medicaid product that is not included on the preferred-drug  
21 list. The agency is authorized to limit reimbursement for  
22 prescribed medicine in order to comply with any limitations or  
23 directions provided for in the General Appropriations Act,  
24 which may include implementing a prospective or concurrent  
25 utilization review program.

26 Section 8. Paragraph (a) of subsection (37) of section  
27 409.912, Florida Statutes, is amended to read:

28 409.912 Cost-effective purchasing of health care.--The  
29 agency shall purchase goods and services for Medicaid  
30 recipients in the most cost-effective manner consistent with  
31 the delivery of quality medical care. The agency shall

1 maximize the use of prepaid per capita and prepaid aggregate  
2 fixed-sum basis services when appropriate and other  
3 alternative service delivery and reimbursement methodologies,  
4 including competitive bidding pursuant to s. 287.057, designed  
5 to facilitate the cost-effective purchase of a case-managed  
6 continuum of care. The agency shall also require providers to  
7 minimize the exposure of recipients to the need for acute  
8 inpatient, custodial, and other institutional care and the  
9 inappropriate or unnecessary use of high-cost services. The  
10 agency may establish prior authorization requirements for  
11 certain populations of Medicaid beneficiaries, certain drug  
12 classes, or particular drugs to prevent fraud, abuse, overuse,  
13 and possible dangerous drug interactions. The Pharmaceutical  
14 and Therapeutics Committee shall make recommendations to the  
15 agency on drugs for which prior authorization is required. The  
16 agency shall inform the Pharmaceutical and Therapeutics  
17 Committee of its decisions regarding drugs subject to prior  
18 authorization.

19 (37)(a) The agency shall implement a Medicaid  
20 prescribed-drug spending-control program that includes the  
21 following components:

22 1. Medicaid prescribed-drug coverage for brand-name  
23 drugs for adult Medicaid recipients is limited to the  
24 dispensing of four brand-name drugs per month per recipient.  
25 Children are exempt from this restriction. Antiretroviral  
26 agents are excluded from this limitation. No requirements for  
27 prior authorization or other restrictions on medications used  
28 to treat mental illnesses such as schizophrenia, severe  
29 depression, or bipolar disorder may be imposed on Medicaid  
30 recipients. Medications that will be available without  
31 restriction for persons with mental illnesses include atypical

1 antipsychotic medications, conventional antipsychotic  
2 medications, selective serotonin reuptake inhibitors, and  
3 other medications used for the treatment of serious mental  
4 illnesses. The agency shall also limit the amount of a  
5 prescribed drug dispensed to no more than a 34-day supply. The  
6 agency shall continue to provide unlimited generic drugs,  
7 contraceptive drugs and items, and diabetic supplies. Although  
8 a drug may be included on the preferred drug formulary, it  
9 would not be exempt from the four-brand limit. The agency may  
10 authorize exceptions to the brand-name-drug restriction based  
11 upon the treatment needs of the patients, only when such  
12 exceptions are based on prior consultation provided by the  
13 agency or an agency contractor, but the agency must establish  
14 procedures to ensure that:

15       a. There will be a response to a request for prior  
16 consultation by telephone or other telecommunication device  
17 within 24 hours after receipt of a request for prior  
18 consultation;

19       b. A 72-hour supply of the drug prescribed will be  
20 provided in an emergency or when the agency does not provide a  
21 response within 24 hours as required by sub-subparagraph a.;  
22 and

23       c. Except for the exception for nursing home residents  
24 and other institutionalized adults and except for drugs on the  
25 restricted formulary for which prior authorization may be  
26 sought by an institutional or community pharmacy, prior  
27 authorization for an exception to the brand-name-drug  
28 restriction is sought by the prescriber and not by the  
29 pharmacy. When prior authorization is granted for a patient in  
30 an institutional setting beyond the brand-name-drug  
31

1 restriction, such approval is authorized for 12 months and  
2 monthly prior authorization is not required for that patient.

3         2. Reimbursement to pharmacies for Medicaid prescribed  
4 drugs shall be set at the average wholesale price less 13.25  
5 percent.

6         3. The agency shall develop and implement a process  
7 for managing the drug therapies of Medicaid recipients who are  
8 using significant numbers of prescribed drugs each month. The  
9 management process may include, but is not limited to,  
10 comprehensive, physician-directed medical-record reviews,  
11 claims analyses, and case evaluations to determine the medical  
12 necessity and appropriateness of a patient's treatment plan  
13 and drug therapies. The agency may contract with a private  
14 organization to provide drug-program-management services. The  
15 Medicaid drug benefit management program shall include  
16 initiatives to manage drug therapies for HIV/AIDS patients,  
17 patients using 20 or more unique prescriptions in a 180-day  
18 period, and the top 1,000 patients in annual spending.

19         4. The agency may limit the size of its pharmacy  
20 network based on need, competitive bidding, price  
21 negotiations, credentialing, or similar criteria. The agency  
22 shall give special consideration to rural areas in determining  
23 the size and location of pharmacies included in the Medicaid  
24 pharmacy network. A pharmacy credentialing process may include  
25 criteria such as a pharmacy's full-service status, location,  
26 size, patient educational programs, patient consultation,  
27 disease-management services, and other characteristics. The  
28 agency may impose a moratorium on Medicaid pharmacy enrollment  
29 when it is determined that it has a sufficient number of  
30 Medicaid-participating providers.

31

1           5. The agency shall develop and implement a program  
2 that requires Medicaid practitioners who prescribe drugs to  
3 use a counterfeit-proof prescription pad for Medicaid  
4 prescriptions. The agency shall require the use of  
5 standardized counterfeit-proof prescription pads by  
6 Medicaid-participating prescribers or prescribers who write  
7 prescriptions for Medicaid recipients. The agency may  
8 implement the program in targeted geographic areas or  
9 statewide.

10           6. The agency may enter into arrangements that require  
11 manufacturers of generic drugs prescribed to Medicaid  
12 recipients to provide rebates of at least 15.1 percent of the  
13 average manufacturer price for the manufacturer's generic  
14 products. These arrangements shall require that if a  
15 generic-drug manufacturer pays federal rebates for  
16 Medicaid-reimbursed drugs at a level below 15.1 percent, the  
17 manufacturer must provide a supplemental rebate to the state  
18 in an amount necessary to achieve a 15.1-percent rebate level.

19           7. The agency may establish a preferred drug formulary  
20 in accordance with 42 U.S.C. s. 1396r-8, and, pursuant to the  
21 establishment of such formulary, it is authorized to negotiate  
22 supplemental rebates from manufacturers that are in addition  
23 to those required by Title XIX of the Social Security Act and  
24 at no less than 10 percent of the average manufacturer price  
25 as defined in 42 U.S.C. s. 1936 on the last day of a quarter  
26 unless the federal or supplemental rebate, or both, equals or  
27 exceeds 25 percent. There is no upper limit on the  
28 supplemental rebates the agency may negotiate. The agency may  
29 determine that specific products, brand-name or generic, are  
30 competitive at lower rebate percentages. Agreement to pay the  
31 minimum supplemental rebate percentage will guarantee a

1 manufacturer that the Medicaid Pharmaceutical and Therapeutics  
2 Committee will consider a product for inclusion on the  
3 preferred drug formulary. However, a pharmaceutical  
4 manufacturer is not guaranteed placement on the formulary by  
5 simply paying the minimum supplemental rebate. Agency  
6 decisions will be made on the clinical efficacy of a drug and  
7 recommendations of the Medicaid Pharmaceutical and  
8 Therapeutics Committee, as well as the price of competing  
9 products minus federal and state rebates. The agency is  
10 authorized to contract with an outside agency or contractor to  
11 conduct negotiations for supplemental rebates. For the  
12 purposes of this section, the term "supplemental rebates" may  
13 include, at the agency's discretion, cash rebates and other  
14 program benefits that offset a Medicaid expenditure. Such  
15 other program benefits may include, but are not limited to,  
16 disease management programs, drug product donation programs,  
17 drug utilization control programs, prescriber and beneficiary  
18 counseling and education, fraud and abuse initiatives, and  
19 other services or administrative investments with guaranteed  
20 savings to the Medicaid program in the same year the rebate  
21 reduction is included in the General Appropriations Act. The  
22 agency is authorized to seek any federal waivers to implement  
23 this initiative.

24         8. The agency shall establish an advisory committee  
25 for the purposes of studying the feasibility of using a  
26 restricted drug formulary for nursing home residents and other  
27 institutionalized adults. The committee shall be comprised of  
28 seven members appointed by the Secretary of Health Care  
29 Administration. The committee members shall include two  
30 physicians licensed under chapter 458 or chapter 459; three  
31 pharmacists licensed under chapter 465 and appointed from a

1 list of recommendations provided by the Florida Long-Term Care  
2 Pharmacy Alliance; and two pharmacists licensed under chapter  
3 465.

4 9. The Agency for Health Care Administration shall  
5 expand home delivery of pharmacy products. To assist Medicaid  
6 patients in securing their prescriptions and reduce program  
7 costs, the agency shall expand its current mail-order-pharmacy  
8 diabetes-supply program to include all generic and brand-name  
9 drugs used by Medicaid patients with diabetes. Medicaid  
10 recipients in the current program may obtain nondiabetes drugs  
11 on a voluntary basis. This initiative is limited to the  
12 geographic area covered by the current contract. The agency  
13 may seek and implement any federal waivers necessary to  
14 implement this subparagraph.

15 Section 9. Effective upon this act becoming a law,  
16 subsection (26) of section 409.912, Florida Statutes, is  
17 amended to read:

18 409.912 Cost-effective purchasing of health care.--The  
19 agency shall purchase goods and services for Medicaid  
20 recipients in the most cost-effective manner consistent with  
21 the delivery of quality medical care. The agency shall  
22 maximize the use of prepaid per capita and prepaid aggregate  
23 fixed-sum basis services when appropriate and other  
24 alternative service delivery and reimbursement methodologies,  
25 including competitive bidding pursuant to s. 287.057, designed  
26 to facilitate the cost-effective purchase of a case-managed  
27 continuum of care. The agency shall also require providers to  
28 minimize the exposure of recipients to the need for acute  
29 inpatient, custodial, and other institutional care and the  
30 inappropriate or unnecessary use of high-cost services. The  
31 agency may establish prior authorization requirements for

1 certain populations of Medicaid beneficiaries, certain drug  
2 classes, or particular drugs to prevent fraud, abuse, overuse,  
3 and possible dangerous drug interactions. The Pharmaceutical  
4 and Therapeutics Committee shall make recommendations to the  
5 agency on drugs for which prior authorization is required. The  
6 agency shall inform the Pharmaceutical and Therapeutics  
7 Committee of its decisions regarding drugs subject to prior  
8 authorization.

9 (26) The agency shall perform ~~choice counseling,~~  
10 ~~enrollments,~~and disenrollments for Medicaid recipients who  
11 are eligible for MediPass or managed care plans.  
12 Notwithstanding the prohibition contained in paragraph  
13 (18)(f), managed care plans may perform preenrollments of  
14 Medicaid recipients under the supervision of the agency or its  
15 agents. For the purposes of this section, "preenrollment"  
16 means the provision of marketing and educational materials to  
17 a Medicaid recipient and assistance in completing the  
18 application forms, but shall not include actual enrollment  
19 into a managed care plan. An application for enrollment shall  
20 not be deemed complete until the agency or its agent verifies  
21 that the recipient made an informed, voluntary choice. The  
22 agency, in cooperation with the Department of Children and  
23 Family Services, may test new marketing initiatives to inform  
24 Medicaid recipients about their managed care options at  
25 selected sites. The agency shall report to the Legislature on  
26 the effectiveness of such initiatives. The agency may  
27 contract with a third party to perform managed care plan and  
28 MediPass ~~choice-counseling,~~enrollment,~~and disenrollment~~  
29 services for Medicaid recipients and is authorized to adopt  
30 rules to implement such services. The agency may adjust the  
31 capitation rate only to cover the costs of a third-party

1 ~~choice counseling, enrollment, and disenrollment contract, and~~  
2 for agency supervision and management of the managed care plan  
3 ~~choice counseling, enrollment, and disenrollment contract.~~

4 Section 10. Effective July 1, 2002, paragraph (e) of  
5 subsection (2) of section 409.9122, Florida Statutes, is  
6 amended to read:

7 409.9122 Mandatory Medicaid managed care enrollment;  
8 programs and procedures.--

9 (2)

10 (e) ~~Prior to requesting a Medicaid recipient who is~~  
11 ~~subject to mandatory managed care enrollment to make a choice~~  
12 ~~between a managed care plan or MediPass, the agency shall~~  
13 ~~contact and provide choice counseling to the recipient.~~

14 Medicaid recipients who are already enrolled in a managed care  
15 plan or MediPass shall be offered the opportunity to change  
16 managed care plans or MediPass providers on a staggered basis,  
17 as defined by the agency. All Medicaid recipients shall have  
18 90 days in which to make a choice of managed care plans or  
19 MediPass providers. Those Medicaid recipients who do not make  
20 a choice shall be assigned to a managed care plan or MediPass  
21 in accordance with paragraph (f). To facilitate continuity of  
22 care, for a Medicaid recipient who is also a recipient of  
23 Supplemental Security Income (SSI), prior to assigning the SSI  
24 recipient to a managed care plan or MediPass, the agency shall  
25 determine whether the SSI recipient has an ongoing  
26 relationship with a MediPass provider or managed care plan,  
27 and if so, the agency shall assign the SSI recipient to that  
28 MediPass provider or managed care plan. Those SSI recipients  
29 who do not have such a provider relationship shall be assigned  
30 to a managed care plan or MediPass provider in accordance with  
31 paragraph (f).

1           Section 11. Effective upon this act becoming a law,  
2 paragraph (f) of subsection (2) of section 409.9122, Florida  
3 Statutes, is amended to read:

4           409.9122 Mandatory Medicaid managed care enrollment;  
5 programs and procedures.--

6           (2)

7           (f) When a Medicaid recipient does not choose a  
8 managed care plan or MediPass provider, the agency shall  
9 assign the Medicaid recipient to a managed care plan or  
10 MediPass provider. Medicaid recipients who are subject to  
11 mandatory assignment but who fail to make a choice shall be  
12 assigned to managed care plans or provider service networks  
13 until an equal enrollment of 50 percent in MediPass ~~and~~  
14 ~~provider service networks~~ and 50 percent in managed care plans  
15 is achieved. Once equal enrollment is achieved, the  
16 assignments shall be divided in order to maintain an equal  
17 enrollment in MediPass and managed care plans. Thereafter,  
18 assignment of Medicaid recipients who fail to make a choice  
19 shall be based proportionally on the preferences of recipients  
20 who have made a choice in the previous period. Such  
21 proportions shall be revised at least quarterly to reflect an  
22 update of the preferences of Medicaid recipients. The agency  
23 shall also disproportionately assign Medicaid-eligible  
24 children in families who are required to but have failed to  
25 make a choice of managed care plan or MediPass for their child  
26 and who are to be assigned to the MediPass program to  
27 children's networks as described in s. 409.912(3)(g) and where  
28 available. The disproportionate assignment of children to  
29 children's networks shall be made until the agency has  
30 determined that the children's networks have sufficient  
31 numbers to be economically operated. For purposes of this

1 paragraph, when referring to assignment, the term "managed  
2 care plans" includes exclusive provider organizations,  
3 provider service networks, minority physician networks, and  
4 pediatric emergency department diversion programs authorized  
5 by this chapter or the General Appropriations Act.When making  
6 assignments, the agency shall take into account the following  
7 criteria:

8         1. A managed care plan has sufficient network capacity  
9 to meet the need of members.

10         2. The managed care plan or MediPass has previously  
11 enrolled the recipient as a member, or one of the managed care  
12 plan's primary care providers or MediPass providers has  
13 previously provided health care to the recipient.

14         3. The agency has knowledge that the member has  
15 previously expressed a preference for a particular managed  
16 care plan or MediPass provider as indicated by Medicaid  
17 fee-for-service claims data, but has failed to make a choice.

18         4. The managed care plan's or MediPass primary care  
19 providers are geographically accessible to the recipient's  
20 residence.

21         Section 12. Effective upon this act becoming a law,  
22 subsections (15) and (21), paragraph (a) of subsection (22),  
23 and paragraph (a) of subsection (24) of section 409.913,  
24 Florida Statutes, are amended, and subsections (26) and (27)  
25 are added to that section, to read:

26         409.913 Oversight of the integrity of the Medicaid  
27 program.--The agency shall operate a program to oversee the  
28 activities of Florida Medicaid recipients, and providers and  
29 their representatives, to ensure that fraudulent and abusive  
30 behavior and neglect of recipients occur to the minimum extent

31

1 possible, and to recover overpayments and impose sanctions as  
2 appropriate.

3 (15) The agency may impose any of the following  
4 sanctions on a provider or a person for any of the acts  
5 described in subsection (14):

6 (a) Suspension for a specific period of time of not  
7 more than 1 year.

8 (b) Termination for a specific period of time of from  
9 more than 1 year to 20 years.

10 (c) Imposition of a fine of up to \$5,000 for each  
11 violation. Each day that an ongoing violation continues, such  
12 as refusing to furnish Medicaid-related records or refusing  
13 access to records, is considered, for the purposes of this  
14 section, to be a separate violation. Each instance of  
15 improper billing of a Medicaid recipient; each instance of  
16 including an unallowable cost on a hospital or nursing home  
17 Medicaid cost report after the provider or authorized  
18 representative has been advised in an audit exit conference or  
19 previous audit report of the cost unallowability; each  
20 instance of furnishing a Medicaid recipient goods or  
21 professional services that are inappropriate or of inferior  
22 quality as determined by competent peer judgment; each  
23 instance of knowingly submitting a materially false or  
24 erroneous Medicaid provider enrollment application, request  
25 for prior authorization for Medicaid services, drug exception  
26 request, or cost report; each instance of inappropriate  
27 prescribing of drugs for a Medicaid recipient as determined by  
28 competent peer judgment; and each false or erroneous Medicaid  
29 claim leading to an overpayment to a provider is considered,  
30 for the purposes of this section, to be a separate violation.

31

1 (d) Immediate suspension, if the agency has received  
2 information of patient abuse or neglect or of any act  
3 prohibited by s. 409.920. Upon suspension, the agency must  
4 issue an immediate final order under s. 120.569(2)(n).

5 (e) A fine, not to exceed \$10,000, for a violation of  
6 paragraph (14)(i).

7 (f) Imposition of liens against provider assets,  
8 including, but not limited to, financial assets and real  
9 property, not to exceed the amount of fines or recoveries  
10 sought, upon entry of an order determining that such moneys  
11 are due or recoverable.

12 (g) Other remedies as permitted by law to effect the  
13 recovery of a fine or overpayment.

14 (21) The audit report, supported by agency work  
15 papers, showing an overpayment to a provider constitutes  
16 evidence of the overpayment. A provider may not present or  
17 elicit testimony, either on direct examination or  
18 cross-examination in any court or administrative proceeding,  
19 regarding the purchase or acquisition by any means of drugs,  
20 goods, or supplies; sales or divestment by any means of drugs,  
21 goods, or supplies; or inventory of drugs, goods, or supplies,  
22 unless such acquisition, sales, divestment, or inventory is  
23 documented by written invoices, written inventory records, or  
24 other competent written documentary evidence maintained in the  
25 normal course of the provider's business. Notwithstanding the  
26 applicable rules of discovery, all documentation that will be  
27 offered as evidence at an administrative hearing on a Medicaid  
28 overpayment must be exchanged by all parties at least 14 days  
29 before the administrative hearing or must be excluded from  
30 consideration.

31

1           (22)(a) In an audit or investigation of a violation  
2 committed by a provider which is conducted pursuant to this  
3 section, the agency is entitled to recover all ~~up to \$15,000~~  
4 ~~in~~ investigative, legal, and expert witness costs if the  
5 agency's findings were not contested by the provider or, if  
6 contested, the agency ultimately prevailed.

7           (24)(a) The agency may withhold Medicaid payments, in  
8 whole or in part, to a provider upon receipt of reliable  
9 evidence that the circumstances giving rise to the need for a  
10 withholding of payments involve fraud, ~~or~~ willful  
11 misrepresentation, or abuse under the Medicaid program, or a  
12 crime committed while rendering goods or services to Medicaid  
13 recipients, pending completion of legal proceedings. If it is  
14 determined that fraud, willful misrepresentation, abuse, or a  
15 crime did not occur, the payments withheld must be paid to the  
16 provider within 14 days after such determination with interest  
17 at the rate of 10 percent a year. Any money withheld in  
18 accordance with this paragraph shall be placed in a suspended  
19 account, readily accessible to the agency, so that any payment  
20 ultimately due the provider shall be made within 14 days.  
21 ~~Furthermore, the authority to withhold payments under this~~  
22 ~~paragraph shall not apply to physicians whose alleged~~  
23 ~~overpayments are being determined by administrative~~  
24 ~~proceedings pursuant to chapter 120.~~

25           (26) When the Agency for Health Care Administration  
26 has made a probable cause determination and alleged that an  
27 overpayment to a Medicaid provider has occurred, the agency,  
28 after notice to the provider, may:

29           (a) Withhold, and continue to withhold during the  
30 pendency of an administrative hearing pursuant to chapter 120,  
31 any medical assistance reimbursement payments until such time

1 as the overpayment is recovered, unless within 30 days after  
2 receiving notice thereof the provider:

- 3 1. Makes repayment in full; or  
4 2. Establishes a repayment plan that is satisfactory  
5 to the Agency for Health Care Administration.

6 (b) Withhold, and continue to withhold during the  
7 pendency of an administrative hearing pursuant to chapter 120,  
8 medical assistance reimbursement payments if the terms of a  
9 repayment plan are not adhered to by the provider.

10  
11 If a provider requests an administrative hearing pursuant to  
12 chapter 120, such hearing must be conducted within 90 days  
13 following receipt by the provider of the final audit report,  
14 absent exceptionally good cause shown as determined by the  
15 administrative law judge or hearing officer. Upon issuance of  
16 a final order, the balance outstanding of the amount  
17 determined to constitute the overpayment shall become due.  
18 Any withholding of payments by the Agency for Health Care  
19 Administration pursuant to this section shall be limited so  
20 that the monthly medical assistance payment is not reduced by  
21 more than 10 percent.

22 (27) Venue for all Medicaid program integrity  
23 overpayment cases shall lie in Leon County, at the discretion  
24 of the agency.

25 Section 13. Subsection (4) of section 414.41, Florida  
26 Statutes, is repealed.

27 Section 14. Section 400.0225, Florida Statutes, is  
28 repealed.

29 Section 15. Paragraph (c) of subsection (5) of section  
30 400.179, Florida Statutes, is amended to read:

31

1           400.179 Sale or transfer of ownership of a nursing  
2 facility; liability for Medicaid underpayments and  
3 overpayments.--

4           (5) Because any transfer of a nursing facility may  
5 expose the fact that Medicaid may have underpaid or overpaid  
6 the transferor, and because in most instances, any such  
7 underpayment or overpayment can only be determined following a  
8 formal field audit, the liabilities for any such underpayments  
9 or overpayments shall be as follows:

10           (c) Where the facility transfer takes any form of a  
11 sale of assets, in addition to the transferor's continuing  
12 liability for any such overpayments, if the transferor fails  
13 to meet these obligations, the transferee shall be liable for  
14 all liabilities that can be readily identifiable 90 days in  
15 advance of the transfer. Such liability shall continue in  
16 succession until the debt is ultimately paid or otherwise  
17 resolved.It shall be the burden of the transferee to  
18 determine the amount of all such readily identifiable  
19 overpayments from the Agency for Health Care Administration,  
20 and the agency shall cooperate in every way with the  
21 identification of such amounts. Readily identifiable  
22 overpayments shall include overpayments that will result from,  
23 but not be limited to:

- 24           1. Medicaid rate changes or adjustments;  
25           2. Any depreciation recapture;  
26           3. Any recapture of fair rental value system indexing;  
27 or and/or  
28           4. Audits completed by the agency.  
29  
30  
31

1 The transferor shall remain liable for any such Medicaid  
2 overpayments that were not readily identifiable 90 days in  
3 advance of the nursing facility transfer.

4 Section 16. Paragraph (a) of subsection (2) of section  
5 400.191, Florida Statutes, is amended to read:

6 400.191 Availability, distribution, and posting of  
7 reports and records.--

8 (2) The agency shall provide additional information in  
9 consumer-friendly printed and electronic formats to assist  
10 consumers and their families in comparing and evaluating  
11 nursing home facilities.

12 (a) The agency shall provide an Internet site which  
13 shall include at least the following information either  
14 directly or indirectly through a link to another established  
15 site or sites of the agency's choosing:

17 facilities in this state.

24 organization owning or managing more than one nursing facility  
25 in this state.

27 6. The number of private and semiprivate rooms in each  
28 facility.

29 7. The religious affiliation, if any, of each  
30 facility.

31

1           8. The languages spoken by the administrator and staff  
2 of each facility.

3           9. Whether or not each facility accepts Medicare or  
4 Medicaid recipients or insurance, health maintenance  
5 organization, Veterans Administration, CHAMPUS program, or  
6 workers' compensation coverage.

7           10. Recreational and other programs available at each  
8 facility.

9           11. Special care units or programs offered at each  
10 facility.

11           12. Whether the facility is a part of a retirement  
12 community that offers other services pursuant to part III,  
13 part IV, or part V.

14           ~~13. The results of consumer and family satisfaction  
15 surveys for each facility, as described in s. 400.0225. The

17 presented in either numeric or symbolic form for the intended  
18 consumer audience.~~

19           13.14. Survey and deficiency information contained on  
20 the Online Survey Certification and Reporting (OSCAR) system

31 the number of citations received by the facility of annual,

1 revisit, and complaint surveys; the severity and scope of the  
2 citations; and the number of annual recertification surveys  
3 the facility has had during the past 45 months. The score,  
4 rating, or comparison ranking may be presented in either  
5 numeric or symbolic form for the intended consumer audience.

6 Section 17. Paragraph (c) of subsection (5) of section  
7 400.235, Florida Statutes, is amended to read:

8 400.235 Nursing home quality and licensure status;

15 family members, and guardians about satisfaction with the  
16 nursing facility, its environment, the services and care  
17 provided, the staff's skills and interactions with residents,  
18 attention to resident's needs, and the facility's efforts to  
19 act on information gathered from the consumer satisfaction  
20 measures.

21  
22 A facility assigned a conditional licensure status may not  
23 qualify for consideration for the Gold Seal Program until  
24 after it has operated for 30 months with no class I or class  
25 II deficiencies and has completed a regularly scheduled  
26 relicensure survey.

27 Section 18. Section 400.071, Florida Statutes, is

31 voluntarily or involuntarily; has filed for bankruptcy; has

1 had a receiver appointed; has had a license denied, suspended,  
2 or revoked; or has had an injunction issued against it which  
3 was initiated by a regulatory agency. The affidavit must  
4 disclose the reason any such entity was closed, whether

6 (f) The total number of beds and the total number of  
7 Medicare and Medicaid certified beds.

11 requires by rule, including the name and address of any  
12 nursing home with which the applicant or employees have been  
13 affiliated through ownership or employment within 5 years of  
14 the date of the application for a license and the record of  
15 any criminal convictions involving the applicant and any  
16 criminal convictions involving an employee if known by the  
17 applicant after inquiring of the employee. The applicant must  
18 demonstrate that sufficient numbers of qualified staff, by  
19 training or experience, will be employed to properly care for  
20 the type and number of residents who will reside in the  
21 facility.

22 (h) Copies of any civil verdict or judgment involving  
23 the applicant rendered within the 10 years preceding the  
24 application, relating to medical negligence, violation of  
25 residents' rights, or wrongful death. As a condition of  
26 licensure, the licensee agrees to provide to the agency copies  
27 of any new verdict or judgment involving the applicant,  
28 relating to such matters, within 30 days after filing with the  
29 clerk of the court. The information required in this  
30 paragraph shall be maintained in the facility's licensure file  
31

1 and in an agency database which is available as a public  
2 record.

3 (3) The applicant shall submit evidence which  
4 establishes the good moral character of the applicant,  
5 manager, supervisor, and administrator. No applicant, if the  
6 applicant is an individual; no member of a board of directors  
7 or officer of an applicant, if the applicant is a firm,  
8 partnership, association, or corporation; and no licensed  
9 nursing home administrator shall have been convicted, or found  
10 guilty, regardless of adjudication, of a crime in any  
11 jurisdiction which affects or may potentially affect residents  
12 in the facility.

13 (4) Each applicant for licensure must comply with the  
14 following requirements:

15 (a) Upon receipt of a completed, signed, and dated  
16 application, the agency shall require background screening of  
17 the applicant, in accordance with the level 2 standards for  
18 screening set forth in chapter 435. As used in this  
19 subsection, the term "applicant" means the facility  
20 administrator, or similarly titled individual who is  
21 responsible for the day-to-day operation of the licensed  
22 facility, and the facility financial officer, or similarly  
23 titled individual who is responsible for the financial  
24 operation of the licensed facility.

25 (b) The agency may require background screening for a  
26 member of the board of directors of the licensee or an officer  
27 or an individual owning 5 percent or more of the licensee if  
28 the agency has probable cause to believe that such individual  
29 has been convicted of an offense prohibited under the level 2  
30 standards for screening set forth in chapter 435.

31

1 (c) Proof of compliance with the level 2 background  
2 screening requirements of chapter 435 which has been submitted  
3 within the previous 5 years in compliance with any other  
4 health care or assisted living licensure requirements of this  
5 state is acceptable in fulfillment of paragraph (a). Proof of  
6 compliance with background screening which has been submitted  
7 within the previous 5 years to fulfill the requirements of the  
8 Department of Insurance pursuant to chapter 651 as part of an  
9 application for a certificate of authority to operate a  
10 continuing care retirement community is acceptable in  
11 fulfillment of the Department of Law Enforcement and Federal  
12 Bureau of Investigation background check.

13 (d) A provisional license may be granted to an  
14 applicant when each individual required by this section to  
15 undergo background screening has met the standards for the  
16 Department of Law Enforcement background check, but the agency  
17 has not yet received background screening results from the  
18 Federal Bureau of Investigation, or a request for a  
19 disqualification exemption has been submitted to the agency as  
20 set forth in chapter 435, but a response has not yet been  
21 issued. A license may be granted to the applicant upon the  
22 agency's receipt of a report of the results of the Federal  
23 Bureau of Investigation background screening for each  
24 individual required by this section to undergo background  
25 screening which confirms that all standards have been met, or  
26 upon the granting of a disqualification exemption by the  
27 agency as set forth in chapter 435. Any other person who is  
28 required to undergo level 2 background screening may serve in  
29 his or her capacity pending the agency's receipt of the report  
30 from the Federal Bureau of Investigation; however, the person  
31 may not continue to serve if the report indicates any

1 violation of background screening standards and a  
2 disqualification exemption has not been requested of and  
3 granted by the agency as set forth in chapter 435.

4 (e) Each applicant must submit to the agency, with its  
5 application, a description and explanation of any exclusions,  
6 permanent suspensions, or terminations of the applicant from  
7 the Medicare or Medicaid programs. Proof of compliance with  
8 disclosure of ownership and control interest requirements of  
9 the Medicaid or Medicare programs shall be accepted in lieu of  
10 this submission.

11 (f) Each applicant must submit to the agency a  
12 description and explanation of any conviction of an offense  
13 prohibited under the level 2 standards of chapter 435 by a  
14 member of the board of directors of the applicant, its  
15 officers, or any individual owning 5 percent or more of the  
16 applicant. This requirement shall not apply to a director of a  
17 not-for-profit corporation or organization if the director  
18 serves solely in a voluntary capacity for the corporation or  
19 organization, does not regularly take part in the day-to-day  
20 operational decisions of the corporation or organization,  
21 receives no remuneration for his or her services on the  
22 corporation or organization's board of directors, and has no  
23 financial interest and has no family members with a financial  
24 interest in the corporation or organization, provided that the  
25 director and the not-for-profit corporation or organization  
26 include in the application a statement affirming that the  
27 director's relationship to the corporation satisfies the  
28 requirements of this paragraph.

29 (g) An application for license renewal must contain  
30 the information required under paragraphs (e) and (f).

31

1           (5) The applicant shall furnish satisfactory proof of  
2 financial ability to operate and conduct the nursing home in  
3 accordance with the requirements of this part and all rules  
4 adopted under this part, and the agency shall establish  
5 standards for this purpose, including information reported  
6 under paragraph (2)(e). The agency also shall establish  
7 documentation requirements, to be completed by each applicant,  
8 that show anticipated facility revenues and expenditures, the  
9 basis for financing the anticipated cash-flow requirements of  
10 the facility, and an applicant's access to contingency  
11 financing.

12           (6) If the applicant offers continuing care agreements  
13 as defined in chapter 651, proof shall be furnished that such  
14 applicant has obtained a certificate of authority as required  
15 for operation under that chapter.

16           (7) As a condition of licensure, each licensee, except  
17 one offering continuing care agreements as defined in chapter  
18 651, must agree to accept recipients of Title XIX of the  
19 Social Security Act on a temporary, emergency basis. The  
20 persons whom the agency may require such licensees to accept  
21 are those recipients of Title XIX of the Social Security Act  
22 who are residing in a facility in which existing conditions  
23 constitute an immediate danger to the health, safety, or  
24 security of the residents of the facility.

25           ~~(8) As a condition of licensure, each facility must~~  
26 ~~agree to participate in a consumer satisfaction measurement~~  
27 ~~process as prescribed by the agency.~~

28           (8)~~(9)~~ The agency may not issue a license to a nursing  
29 home that fails to receive a certificate of need under the  
30 provisions of ss. 408.031-408.045. It is the intent of the  
31 Legislature that, in reviewing a certificate-of-need

1 application to add beds to an existing nursing home facility,  
2 preference be given to the application of a licensee who has  
3 been awarded a Gold Seal as provided for in s. 400.235, if the  
4 applicant otherwise meets the review criteria specified in s.  
5 408.035.

6 (9)~~(10)~~ The agency may develop an abbreviated survey  
7 for licensure renewal applicable to a licensee that has  
8 continuously operated as a nursing facility since 1991 or  
9 earlier, has operated under the same management for at least  
10 the preceding 30 months, and has had during the preceding 30  
11 months no class I or class II deficiencies.

12 (10)~~(11)~~ The agency may issue an inactive license to a  
13 nursing home that will be temporarily unable to provide  
14 services but that is reasonably expected to resume services.  
15 Such designation may be made for a period not to exceed 12  
16 months but may be renewed by the agency for up to 6 additional  
17 months. Any request by a licensee that a nursing home become  
18 inactive must be submitted to the agency and approved by the  
19 agency prior to initiating any suspension of service or  
20 notifying residents. Upon agency approval, the nursing home  
21 shall notify residents of any necessary discharge or transfer  
22 as provided in s. 400.0255.

23 (11)~~(12)~~ As a condition of licensure, each facility  
24 must establish and submit with its application a plan for  
25 quality assurance and for conducting risk management.
