Senator Klein moved the following amendment:

Senate Amendment (with title amendment)

On page 7, between lines 26 and 27,

insert:

Section 9. Notwithstanding any provision of law to the contrary, all agency heads shall pursue authorization from the Legislative Budget Commission in order to renegotiate current state contracts with private providers and public/private providers in an effort to reduce contract payments by 5 percent. It is the statewide goal to achieve \$75 million in savings, however, it is the intent of the Legislature that the level and quality of services not be affected. Savings realized will be redirected into budget reductions in education, health care, and public safety for the current fiscal year. This section expires July 1, 2002.

(Redesignate subsequent sections.)
