Representative(s) Fiorentino offered the following:

**Amendment to Amendment (613005) (with title amendment)**

On page 1, between lines 16 and 17,

insert:

Section 1. Section 765.539, Florida Statutes, is created to read:

765.539 Organizations engaged in the practice of cadaveric organ and tissue procurement or processing; pooling of cells or tissues prohibited; exception.--Organizations engaged in the practice of cadaveric or surgical organ and tissue procurement or processing in this state are prohibited from allowing human tissues from two or more donors to be pooled during retrieval, processing, preservation, or storage unless such tissue is sterile and free of all infectious agents. This includes unconventional infectious agents, such as prions, which cause transmissible spongiform encephalopathy. For purposes of this section, "pooled" means placed in physical contact or processed in any way which allows any fluids or tissues to be commingled in any way
