(b) The electronic-claims payor identification number or the issuer identification number, also referred to as the

2 American National Standards Institute.

4 (d) The insured's identification number.

6 (f) The claims submission name and address.

7 (g) The help desk telephone number.

8 (h) Any other information that the entity finds will
9 assist in the processing of the claim.

10
11 The information required in paragraphs (a), (b), (g), and (h)
12 must be provided on the card, unless instruction is provided
13 on the card for ready access to such information by electronic
14 means.

15 (3) The benefits-identification card must present the
16 information in a manner readily identifiable or,
17 alternatively, the information may be embedded in the card and
18 available through magnetic stripe or smart card. The
19 information may also be provided through other electronic
20 technology.

21 (4) Any entity providing a

27 subsection (2) shall be issued no later than 60 days after any
28 change in the information contained on the card becomes
