LEGISLATIVE SUMMARY

Authorizes normal retirement for members of the Regular Class under the Florida Retirement System after 25 years of service and attainment of age 50. The authorization is for a 1-year period beginning July 1, 2002, and ending June 30, 2003. Prohibits participation in the Deferred Retirement Option Program by persons who qualify for normal retirement during the 1-year period who would not have qualified under the definition of "normal retirement date" as it existed on June 30, 2002.
