Amendment (with title amendment)

On page 4, between lines 28 and 29, of the bill

insert:

Section 2. Administration of the Florida
Comprehensive Assessment Test (FCAT) each school year is
contingent on full funding for low-performing schools in that
fiscal year. For the 2002-2003 fiscal year, "full funding"
means \$10,000,000 for continuation of grants and aids to
improve student performance, student achievement, and
readiness for college in low-performing schools. For
subsequent fiscal years, "full funding" means an amount equal
to the funds appropriated for low-performing schools in the
prior fiscal year, adjusted annually for inflation and
increases in population of students in "D" and "F" schools.
