16 certifies that he or she, or another licensed driver 21 years
17 of age or older, has accompanied the applicant for a total of
18 not less than 50 hours' behind-the-wheel experience, of which
19 not less than 10 hours must be at night. This subsection is
20 not intended to create a private cause of action as a result

24 person, as a Class A licensee, Class B licensee, Class C
25 licensee, or Class D licensee, who is under the age of 18

23 to believe that the operation of a motor vehicle on the
24 highways by such person would be detrimental to public safety

26 afflicted from being issued a Class D or Class E driver's
27 license.

28 (11) To any person who is ineligible under s. 322.056.
29 Section 4. Subsections (1), (2), (3), and (4) of

24 signed and verified by the applicant in a format designated by
25 the department before a person authorized to administer oaths.

27 for the color photograph or digital image of the applicant.
28 The county tax collector shall retain the \$3 as reimbursement
29 for the cost of providing the identification card.

30 (2) Every identification card shall expire, unless
31 canceled earlier, on the fourth birthday of the applicant

1 following the date of original issue. However, if an
2 individual is 60 years of age or older, and has an
3 identification card issued under this section, the card shall
4 not expire unless done so by cancellation by the department or
5 by the death of the cardholder. Renewal of any identification
6 card shall be made for a term which shall expire on the fourth
7 birthday of the applicant following expiration of the
8 identification card renewed, unless surrendered earlier. Any
9 application for renewal received later than 90 days after
10 expiration of the identification card shall be considered the
11 same as an application for an original identification card.
12 The renewal fee for an identification card shall be \$3. The
13 county tax collector shall retain the \$3 as reimbursement for
14 the cost of providing the identification card.The department
15 shall, at the end of 4 years and 6 months after the issuance

18 the cardholder is 60 years of age or older.

19 (3) In the event an identification card issued under
20 this section is lost, destroyed, or mutilated or a new name is
21 acquired, the person to whom it was issued may obtain a
22 duplicate upon furnishing satisfactory proof of such fact to
23 the department or county tax collector and upon payment of a
24 fee of \$2.50 for such duplicate, which shall include payment
25 for the color photograph or digital image of the applicant.
26 The issuing entity shall retain the \$2.50 as reimbursement for
27 the cost of providing the duplicate card.Any person who loses
28 an identification card and who, after obtaining a duplicate,
29 finds the original card shall immediately surrender the
30 original card to the department or county tax collector. The
31

1 same documentary evidence shall be furnished for a duplicate
2 as for an original identification card.

3 (4) When used with reference to identification cards,
4 "cancellation" means that an identification card is terminated
5 without prejudice and must be surrendered. Cancellation of the
6 card may be made when a card has been issued through error or
7 when voluntarily surrendered to the department or county tax
8 collector.

9 Section 5. Section 322.059, Florida Statutes, is
10 amended to read:

17 return his or her driver's license or registration, any law
18 enforcement agent may seize the license or registration while

21 amended to read:

22 322.07 Instruction permits and temporary licenses.--

23 (1) Any person who is at least 18 years of age and
24 who, except for his or her lack of instruction in operating a
25 motor vehicle, would otherwise be qualified to obtain a Class
26 E driver's license under this chapter, may apply for a
27 temporary instruction permit. The department or county tax
28 collector shall issue such a permit entitling the applicant,
29 while having the permit in his or her immediate possession, to
30 drive a motor vehicle of the type for which a Class E driver's
31 license is required upon the highways for a period of 90 days,

1 but, except when operating a motorcycle or moped as defined in
2 s. 316.003, the person must be accompanied by a licensed
3 driver who is 21 years of age or older, who is licensed to
4 operate the class of vehicle being operated, and who is
5 actually occupying the closest seat to the right of the
6 driver.

7 (2) The department or county tax collector may, in its
8 discretion, issue a temporary permit to an applicant for a
9 Class D or Class E driver's license permitting him or her to
10 operate a motor vehicle of the type for which a Class D or
11 Class E driver's license is required while the department is
12 completing its investigation and determination of all facts
13 relative to such applicant's right to receive a driver's
14 license. Such permit must be in his or her immediate
15 possession while operating a motor vehicle, and it shall be
16 invalid when the applicant's license has been issued or for
17 good cause has been refused.

18 (3) Any person who, except for his or her lack of
19 instruction in operating a Class D or commercial motor
20 vehicle, would otherwise be qualified to obtain a Class D or

26 commercial motor vehicle on the highways, provided that:

27 (a) The applicant possesses a valid driver's license
28 issued in any state; and

29 (b) The applicant, while operating a Class D or
30 commercial motor vehicle, is accompanied by a licensed driver
31 who is 21 years of age or older, who is licensed to operate

1 the class of vehicle being operated, and who is actually

10 Section 8. Subsection (1), paragraph (e) of subsection

5 any minor concerning whom the department receives notification
6 of noncompliance with the requirements of this section.

7 (2) NOTIFICATION OF INTENT TO SUSPEND; SUSPENSION;

9 (e) The department or county tax collector may not
10 issue a driver's license or learner's driver's license to any
11 minor for whom it has a record of noncompliance with the
12 requirements of subsection (1) unless the minor submits
13 verification of compliance pursuant to subsection (4).

14 (4) VERIFICATION OF COMPLIANCE AND REINSTATEMENT.--A
15 district school board shall provide a minor with written
16 verification that he or she is in compliance with the
17 requirements of subsection (1) if the district determines that
18 he or she has been in compliance for 30 days prior to the
19 request for verification of compliance. Upon receiving
20 written verification that the minor is again in compliance
21 with the requirements of subsection (1), the department or
22 county tax collector shall reinstate the minor's driving
23 privilege. Thereafter, if the school district determines that
24 the minor is not in compliance with the requirements of
25 subsection (1), the department shall suspend the minor's
26 driving privilege until the minor is 18 years of age or
27 otherwise satisfies the requirements of subsection (1),
28 whichever occurs first.

29 Section 9. Section 322.12, Florida Statutes, is
30 amended to read:

31 322.12 Examination of applicants.--

1 (1) It is the intent of the Legislature that every
2 applicant for an original driver's license in this state be
3 required to pass an examination pursuant to this section.
4 However, the department or county tax collector may waive the
5 knowledge, endorsement, and skills tests for an applicant who
6 is otherwise qualified and who surrenders a valid driver's
7 license from another state or a province of Canada, or a valid
8 driver's license issued by the United States Armed Forces, if
9 the driver applies for a Florida license of an equal or lesser
10 classification. A person who seeks to retain a
11 hazardous-materials endorsement, pursuant to s. 322.57(1)(d),
12 must pass the hazardous-materials test, upon surrendering his
13 or her commercial driver's license, if the person has not
14 taken and passed the hazardous-materials test within 2 years
15 preceding his or her application for a commercial driver's
16 license in this state.

17 (2) The department or county tax collector shall
18 examine every applicant for a driver's license, including an
19 applicant who is licensed in another state or country, except
20 as otherwise provided in this chapter. A person who holds a
21 learner's driver's license as provided for in s. 322.1615 is
22 not required to pay a fee for successfully completing the
23 examination showing his or her ability to operate a motor
24 vehicle as provided for herein and need not pay the fee for a
25 replacement license as provided in s. 322.17(2). Any person
26 who applies for reinstatement following the suspension or
27 revocation of his or her driver's license shall pay a service
28 fee of \$25 following a suspension, and \$50 following a
29 revocation, which is in addition to the fee for a license. Any
30 person who applies for reinstatement of a commercial driver's
31 license following the disqualification of his or her privilege

1 to operate a commercial motor vehicle shall pay a service fee
2 of \$50, which is in addition to the fee for a license. The
3 department or county tax collector shall collect all of these
4 fees at the time of reinstatement, of which \$11 shall be
5 retained as a service fee if the reinstated license is
6 provided by the county tax collector. The department or county
7 tax collector shall issue proper receipts for such fees and
8 shall promptly transmit all funds received by it as follows:
9 (a) Of the \$25 fee received from a licensee for
10 reinstatement following a suspension, if issued by the
11 department, ~~shall deposit~~ \$15 shall be deposited in the
12 General Revenue Fund and the remaining \$10 shall be deposited
13 in the Highway Safety Operating Trust Fund. If the county tax
14 collector reinstates the license, the tax collector shall
15 forward \$14 of the \$25 fee to the department for deposit into
16 the General Revenue Fund and shall retain \$11 as a service
17 fee.
18 (b) Of the \$50 fee received from a licensee for
19 reinstatement following a revocation or disqualification, if
20 issued by the department, ~~shall deposit~~ \$35 shall be deposited
21 in the General Revenue Fund and the remaining \$15 shall be
22 deposited in the Highway Safety Operating Trust Fund. If the
23 county tax collector reinstates the license, the tax collector
24 shall forward \$39 of the \$50 fee to the department for deposit
25 into the General Revenue Fund and shall retain \$11 as a
26 service fee.
27
28 If the revocation or suspension of the driver's license was
29 for a violation of s. 316.193, or for refusal to submit to a
30 lawful breath, blood, or urine test, an additional fee of \$105
31 must be charged. However, only one such \$105 fee is to be

1 collected from one person convicted of such violations arising
2 out of the same incident. The department or county tax
3 collector shall collect the \$105 fee and deposit it into the
4 Highway Safety Operating Trust Fund at the time of
5 reinstatement of the person's driver's license, but the fee
6 must not be collected if the suspension or revocation was
7 overturned.

8 (3) For an applicant for a Class D or a Class E
9 driver's license, such examination shall include a test of the
10 applicant's eyesight given by the driver's license examiner
11 designated by the department or county tax collector or by a
12 licensed ophthalmologist, optometrist, or physician and a test
13 of the applicant's hearing given by a driver's license
14 examiner or a licensed physician. The examination shall also
15 include a test of the applicant's ability to read and
16 understand highway signs regulating, warning, and directing
17 traffic; his or her knowledge of the traffic laws of this
18 state, including laws regulating driving under the influence
19 of alcohol or controlled substances, driving with an unlawful
20 blood-alcohol level, and driving while intoxicated; and his or
21 her knowledge of the effects of alcohol and controlled
22 substances upon persons and the dangers of driving a motor
23 vehicle while under the influence of alcohol or controlled
24 substances and shall include an actual demonstration of
25 ability to exercise ordinary and reasonable control in the
26 operation of a motor vehicle.

27 (4) The examination for an applicant for a commercial
28 driver's license shall include a test of the applicant's
29 eyesight given by a driver's license examiner designated by
30 the department or county tax collector or by a licensed
31 ophthalmologist, optometrist, or physician and a test of the

1 applicant's hearing given by a driver's license examiner or a
2 licensed physician. The examination shall also include a test
3 of the applicant's ability to read and understand highway
4 signs regulating, warning, and directing traffic; his or her
5 knowledge of the traffic laws of this state pertaining to the
6 class of motor vehicle which he or she is applying to be
7 licensed to operate, including laws regulating driving under
8 the influence of alcohol or controlled substances, driving
9 with an unlawful blood-alcohol level, and driving while
10 intoxicated; his or her knowledge of the effects of alcohol
11 and controlled substances and the dangers of driving a motor
12 vehicle after having consumed alcohol or controlled
13 substances; and his or her knowledge of any special skills,
14 requirements, or precautions necessary for the safe operation
15 of the class of vehicle which he or she is applying to be
16 licensed to operate. In addition, the examination shall
17 include an actual demonstration of the applicant's ability to
18 exercise ordinary and reasonable control in the safe operation
19 of a motor vehicle or combination of vehicles of the type
20 covered by the license classification which the applicant is
21 seeking, including an examination of the applicant's ability
22 to perform an inspection of his or her vehicle.

23 (a) The portion of the examination which tests an
24 applicant's safe driving ability shall be administered by the
25 department or by an entity authorized by the department to
26 administer such examination, pursuant to s. 322.56. Such
27 examination shall be administered at a location approved by
28 the department.

29 (b) A person who seeks to retain a hazardous-materials
30 endorsement must, upon renewal, pass the test for such
31 endorsement as specified in s. 322.57(1)(d), if the person has

1 not taken and passed the hazardous-materials test within 2
2 years preceding his or her application for a commercial
3 driver's license in this state.

4 (5)(a) The department shall formulate a separate
5 examination for applicants for licenses to operate
6 motorcycles. Any applicant for a driver's license who wishes
7 to operate a motorcycle, and who is otherwise qualified, must
8 successfully complete such an examination, which is in
9 addition to the examination administered under subsection (3).
10 The examination must test the applicant's knowledge of the
11 operation of a motorcycle and of any traffic laws specifically
12 relating thereto and must include an actual demonstration of
13 his or her ability to exercise ordinary and reasonable control
14 in the operation of a motorcycle. In the formulation of the
15 examination, the department shall consider the use of the
16 Motorcycle Operator Skills Test and the Motorcycle in Traffic
17 Test offered by the Motorcycle Safety Foundation. The
18 department or county tax collector shall indicate on the
19 license of any person who successfully completes the
20 examination that the licensee is authorized to operate a
21 motorcycle. If the applicant wishes to be licensed to operate
22 a motorcycle only, he or she need not take the skill or road
23 test required under subsection (3) for the operation of a
24 motor vehicle, and the department or county tax collector
25 shall indicate such a limitation on his or her license as a
26 restriction. Every first-time applicant for licensure to
27 operate a motorcycle who is under 21 years of age must provide
28 proof of completion of a motorcycle safety course, as provided
29 for in s. 322.0255, before the applicant may be licensed to
30 operate a motorcycle.
31

1 (b) The department or county tax collector may exempt
2 any applicant from the examination provided in this subsection
3 if the applicant presents a certificate showing successful
4 completion of a course approved by the department, which
5 course includes a similar examination of the knowledge and
6 skill of the applicant in the operation of a motorcycle.

7 Section 10. Subsection (3) of section 322.121, Florida
8 Statutes, is amended to read:

9 322.121 Periodic reexamination of all drivers.--

10 (3) For each licensee whose driving record does not
11 show any revocations, disqualifications, or suspensions for
12 the preceding 7 years or any convictions for the preceding 3
13 years except for convictions of the following nonmoving
14 violations:
