1 of state domestic product. Such costs shall be limited to the
2 expenditures for labor, materials, and equipment necessary to
3 comply with state regulations. Such costs shall also be
4 reported as per capita costs of regulation.

5 (c) Total state and local government employment,
6 including, but not limited to, subcontracted labor, expressed
7 in full-time employee equivalents. Such employment shall also
8 be reported as a percentage of the total workforce of this
9 state.

10 (d) Total assets of the state and local governments,
11 including, but not limited to, acreage, roads, buildings,
12 investments, and funds. Such assets shall also be reported as
13 per capita assets.

14 (e) Total liabilities of the state and local
15 governments, including, but not limited to, public
16 indebtedness. Such liabilities shall also be reported as per
17 capita debt.

18 (f) To the extent similar data is available, a
19 comparative analysis of the size and impact of Florida's
20 government sector with that of all other states.

21 (2) The office shall establish a methodology and
22 appropriate assumptions necessary for the efficient and
23 cost-effective implementation of this act. After establishing
24 a methodology, the office shall use the economic indicators to
25 establish a baseline for the year 2000. Using the same
26 methodology, the office shall prepare the economic indicators
27 for the years 1980 and 1990, including any supplemental
28 assumptions necessary to bridge gaps in available data. Where
29 necessary in the report of economic indicators, qualifying
30 statements may be made to make clear the limitations of the
31 methodology and any resultant range of accuracy.
